School Goals

Beaverton School District promotes a deep sense of belonging while supporting, challenging and inspiring all students to explore their passions, achieve their goals and graduate ready to thrive in their learning and life after high school. To achieve this mission, the district and its schools will implement strategies and track outcomes in four areas: Student Safety and Well-being, Strong Start in Early Learning, Academic Achievement for All, and Supporting Post-High School Success.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

WE are committed to providing all of our students and families with safe, caring and inclusive learning environments, free from bullying, intimidation, and harassment. We will not tolerate any form of discrimination and we will take swift action to address concerns. We have a Board Policy (AC) on non-discrimination. We will serve all students and families.
