

Santa Fe High School

LET'S GO, INDIANS!

PURPOSE

Each school in Santa Fe ISD works to jointly to develop with parents a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the goals set forth by the campus in alignment with the State's high standards.

BUILDING PARTNERSHIPS

At Santa Fe High School, we utilize the following methods of communication and contact: Social Media, S'more Newsletter, Remind 101 Messages, Skyward Family Access, Open House/Meet the Teacher, 1:1 Teacher/Parent Conferences, Public Events, CTE Advisory Board, College and Career Fair, FAFSA Night, Title 1 Meeting, Campus Needs Assessment Committee, Parent Engagement Committee, and the Campus Improvement Committee.

ACADEMIC FOCUS

As teachers, we will... review SBA data to improve curriculum practices, provide weekly contact on the academic progress of our students (if needed), provide twice-weekly tutorials, collaborate with our department to develop strong lessons, and utilize online learning platforms so that students can work from home.

As parents, we will... support students by providing the opportunity to attend tutorials if needed, monitor Skyward Family Access and the campus weekly newsletter, and maintain open communication with students' teachers.

As students we will... remain engaged in classroom instruction, attend tutorials as needed, and monitor academic progress in Skyward.

CULTURE FOCUS

As teachers, we will... send weekly communication to parents of students who are in danger of failing or need additional assistance. We will also send weekly positive communication to give our parents feedback on the great things our students are doing. We will encourage parents to participate in campus events such as Meet the Teacher and parent conferences.

As parents, we will... monitor weekly newsletters and other platforms of communication in order to be informed of campus events. We will also encourage community members to participate in campus events.

As students we will... participate in campus events, join clubs and other groups on campus, and monitor the weekly newsletter to be informed and involved.
