A JOINT RESOLUTION TO CREATE THE "CHILD FOOD AND NUTRITION SERVICES STUDY COMMITTEE", TO PROVIDE FOR THE PURPOSES AND MEMBERSHIP OF THE STUDY COMMITTEE, TO REQUIRE THE STUDY COMMITTEE PREPARE A REPORT WITH FINDINGS AND RECOMMENDATIONS FOR THE GENERAL ASSEMBLY, AND TO PROVIDE FOR THE DISSOLUTION OF THE STUDY COMMITTEE.

Whereas, the South Carolina General Assembly finds the South Carolina Department of Agriculture currently administers numerous programs related to food and nutrition, including the South Carolina Farm to School Program, the Emergency Food Assistance Program, the Commodity Supplemental Food Program, and various food and dairy safety programs; and

Whereas, the South Carolina General Assembly finds the South Carolina Department of Education administers certain other child-related national food and nutrition programs and initiatives of the United States Department of Agriculture, including the school lunch program, school breakfast program, afterschool snack program, special milk program, and summer food service programs; and

Whereas, the South Carolina General Assembly finds it worthwhile to consider whether administration of these child-related national food and nutrition programs by the Department of Agriculture rather than the Department

of Education is a more logical and efficient approach, given the Department of Agriculture's relationship to matters concerning food and nutrition; and

Whereas, the South Carolina General Assembly finds it worthwhile to consider whether these child-related national food and nutrition programs should be provided at no cost to all South Carolina students. Now, therefore,

Be it enacted by the General Assembly of the State of South Carolina:

These programs include, but are not limited to, the school lunch program, school breakfast program, afterschool snack program, special milk program, and summer food service programs. The committee must also examine ways to enhance collaboration and pricing to increase purchasing powers for South Carolina farmers to ensure locally sourced foods are being provided to schools.

Rebecca, please note I have blind copied Matt and Kimberly.

Please add an agenda item to our next meeting to discuss the possibility of providing free lunch to all students at all schools.

Like me, you're probably getting calls and emails about this issue. Increasing the meal prices has, in my opinion, exacerbated the issue. Also another Lexington district is providing meals for all students at all schools.

I realize this is a budget issue but I think we should discuss and examine potential budgeted items we could reallocate to make this work.

Thank you,
Cathy

Already on it; I intend to ask this item to be placed on our Sept. 11th agenda. I have heard rumblings that the General Assembly may actually be called to address this as well, but I am waiting on confirmation and additional details on that request.

Thanks!

It appears that all other Lexington County districts were able to get their entire district qualified under CEP.

In doing further research on this, I saw a lot of news articles referencing board discussions and a budget proviso (attached).

I think we may be in violation of this proviso since I don't believe we have adopted a resolution.

Also, it appears our district in total is over the 40% required to adopt CEP district wide. However, I am sure there is more to it than that!

Just passing all of this along in case it helps.

Thanks,
Cathy

Community Eligibility Provision

About the Program

The Community Eligibility Provision (CEP) provides an opportunity for schools and local educational agencies (LEAs) in high poverty areas to provide free breakfast and lunch to all students without the burden of collecting and processing school meal applications for free and reduced price meals. CEP was a key provision of the Healthy, Hunger-Free Kids Act (HHFKA) of 2010.

Am I Eligible to Participate in CEP?

To be eligible for CEP, an LEA, group of schools, or school must:

- Ensure that at least 40 percent of enrolled students are identified students
- Participate in both the National School Lunch Program (NSLP) and School Breakfast Program (SBP); and
- Serve lunches and breakfasts, at no charge, to all students.

Identified Students

CEP is available to LEAs and schools with 40 percent or more "identified students" as of the most recent April 1. Identified students are those directly certified for free meals without a school meal application. Students can be directly certified through:

- Participation in Assistance Programs: a child (or any member of the child's household) receives benefits from SNAP, FDPIR, or TANF, as determined through direct certification,
- Other Source Categorically Eligible Designation: a child is enrolled in a Federally-funded Head Start or comparable State-funded Head Start or pre-kindergarten program, or is a homeless, runaway, migrant, or foster child.

CEP Details

Calculating the ISP

- To determine the ISP, LEAs and schools divide the number of identified students as of April 1 by the number of enrolled students as of April 1, and then multiply by 100.
- SFAs can participate at all schools or at a group of schools within the SFA

Claiming Rate

- For schools participating in CEP, the ISP multiplied by 1.6 equals the percentage of meals that can be claimed at the free rate. The remaining meals served, up to 100 percent, are reimbursed at the paid rate.

Grouping

- For schools participating in CEP, the ISP multiplied by 1.6 equals the percentage of meals that can be claimed at the free rate. The remaining meals served, up to 100 percent, are reimbursed at the paid rate.

April 15 Notification and Data Collection Requirements

- LEAs must provide current year school level eligibility data to State agencies

June 30 Election Deadline

- No later than June 30, interested and eligible LEAs must notify their State agency of their intent to elect CEP

Implementation

- For SFA wide participation the SFE takes the total number of identified students divided by the total number of student enrolled in the SFA to determine the ISP

Program Benefits

Schools implementing the provision have experienced great success, allowing them to make numerous improvements to their school nutri-tion programs.

- Easing administrative burden.
- Increasing participation.
- Improving efficiency.
- Eliminating stigma.
- Fighting childhood hunger.

Attachment #4, Pg. 1 is included with the minutes of the meeting, at the request of Board member Rebecca Blackburn Hayes pursuant to South Carolina Code Ann. Section 30-4-90(a)(4) and Board Policy BEDG. The Board majority did not approve, disapprove, or otherwise act upon the contents of this attachment. 9-11-23

- For partial participation the SFA takes the number of students identified at the selected schools divided by the enrollment for the selected schools

Participation Length

- CEP is a 4 year contract
- The claiming percentage can increase during the contract if the ISP increases during the 4 year cycle
- Participating LEAs or schools that continue to meet the 40 percent threshold as of April 1 in Year 4 of the 4-year cycle are able to, with the State agency's authorization, immediately begin another 4-year cycle in the following school year. The ISP must be established using the most recent April 1 data

Re: **Action Agenda:** September 25, 2023 Board Meeting
Request for Use of Contingency Funds

Issue: In accordance with Columbia Water, the grease trap at Harbison West Elementary and CrossRoads Intermediate need replacing. The total of both of these replacements will be approximately \$140,000.

Oak Pointe Elementary has some foundation problems that need repairing. It will be an estimated \$90,000 to make those repairs.

Currently, there is \$1,341,500 of contingency remaining in 23/24 Capital Funds.

Recommendation: The administration recommends that we allocate \$140,000 of the contingency funds to replacing the grease traps at Harbison West and CrossRoads Intermediate and \$90,000 to Oak Pointe Elementary for the foundation repairs.

RE: **Certification of Delegates for the 2023 Delegate Assembly**
DATE: August 31, 2023

SCSBA's annual business meeting will take place on **Saturday, December 2, 2023**, at 2 p.m., at the Charleston Marriott in Charleston, South Carolina. This meeting is being held in conjunction with the Legislative and Advocacy Conference.

According to the SCSBA Constitution, *Article V*, the Delegate Assembly is the policy-making body of the association and is composed of certified voting delegates from active member boards. The number of votes allocated to each board is based on pupils enrolled in public elementary and secondary schools as per the ADM from the State Department of Education.

I am enclosing the official voting delegate certification form. On the form, you will find how many votes your district is allowed under the rules of the Delegate Assembly from SCSBA's Constitution.

Please take a moment to list the name(s) of your delegate(s) and designate how many votes each delegate will represent. **Please remember, the delegates your district sends to Delegate Assembly should represent and vote on behalf of your board.** When the Delegate Assembly book is posted to the website and the link is emailed to all board members in late September or early October, I encourage you to take time at a board meeting to review the items that will be voted on at the meeting on December 2.

Please choose alternate delegates as well. Anyone who is not a certified voting delegate, or a certified alternate delegate will **not** be allowed to vote during the Delegate Assembly. **There will be strict adherence to this rule.**

Please discuss this information at your next board meeting. All certification forms must be received in the SCSBA office by **Monday, November 13, 2023**. You may email your signed form to Judy LeGrand at jlegrand@scsba.org, mail a hard copy, or fax to 1.877.859.6439.

Thank you for your attention to this important matter. I look forward to hearing from you soon.

Re: September 25, 2023 Board Meeting
Discussion Item
Discussion of Potential Revisions to Board Policy IKF "Graduation Requirements"

Item: Potential Revisions to Board Policy IKF "Graduation Requirements".

Background: The South Carolina School Boards Association recently published the 2023 Policy & Legislative Update Manual. In reviewing the updates in the manual, Board Policy IKF "Graduation Requirements" has the following language which our current policy did not include. "The district must offer a standards-based academic curriculum organized around a career cluster system that provides students with individualized education pathways and endorsements. Coursework must be aligned with the student's personalized diploma pathway. When applicable, students will be offered national industry certifications or credentials." The proposed revision is to align with the SC School Boards Association Model Policy.

Recommendation: The administration recommends that the Board of Trustees review and discuss the attached potential revisions to Board Policy IKF "Graduation Requirements".

Attachments: Current Policy and Potential Revisions to Board Policy IKF "Graduation Requirements"

Policy IKF Graduation Requirements

Issued 5/19

Purpose: To establish the basic structure for high school graduation.

The South Carolina State Board of Education (SBE) regulates the South Carolina State High School Diploma. A state high school diploma from this district is based upon the satisfactory completion of the number of units required by state law. A unit of work is the amount of credit earned when the student satisfactorily completes 120 hours of instruction in a given subject area.

The district must offer a standards-based academic curriculum organized around a career cluster system that provides students with individualized education pathways and endorsements. Coursework must be aligned with the student's personalized diploma pathway. When applicable, students will be offered national industry certifications or credentials.

Endorsements

Students will have the opportunity to earn endorsements within their personalized high school diploma pathway, which will identify a particular area of focus. Endorsements may be in the form of seals added to a student's uniform diploma; however, earning an endorsement is not a requirement for graduation. To earn a graduation endorsement, the student's program of study must meet certain criteria, including SBE-approved pathways, specific courses, and other South Carolina Department of Education (SCDE) guidelines.

Students in the district may graduate from high school by meeting the requirements outlined in administrative rule IKF-R.

In order to participate in School District Five graduation exercises, students must have earned one of the following:

- SC High School Diploma
- district certificate

Principals will have the discretion to prohibit a student from participating in graduation exercises in the following circumstances:

- The student has engaged in misconduct on or off school grounds.
- The student has monetary debt to the district.
- The student fails to participate in graduation practice without making prior arrangements with the principal.
- The principal otherwise determines that it would not be in the best interest for the student to participate in graduation exercises. The principal's decision will be final.

Adopted 2/6/89; Revised 4/22/96, 4/13/98, 6/11/01, 5/28/04, 11/19/12, 1/26/15, 5/20/19
