Continuing the Process...

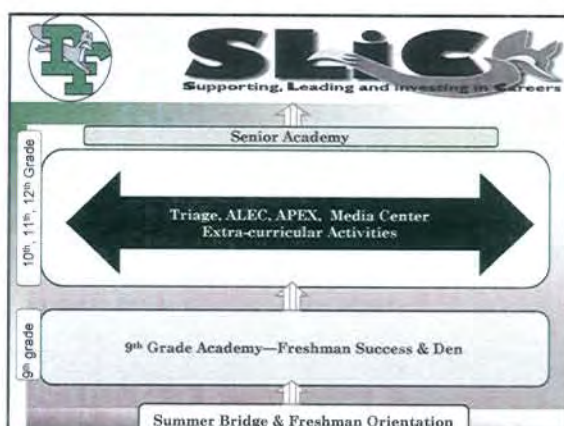

- ☐ Continue examining existing SLC initiatives
- ☐ Continue providing teachers professional development opportunities
- ☐ Continue monthly meetings to further develop schools of study
- ☐ Implement Freshman Academy— Fall 2010
- ☐ Implement Schools of Study – Fall 2011

SLiC
Supporting, Leading and Investing in Careers

Each School of Study Will:

- ✓ Create an advisory board comprised of business leaders, community members, and school personnel
- ✓ Develop business and postsecondary institution partnerships
- ✓ Provide opportunities for workplace learning

Why a Freshman Academy?

Research Shows:

1. Students fail 9th grade more than any other grade. Therefore, we must do something different.
2. Schools with **extensive transition programs** have a drop out rate of only 8% vs. schools without such programs at 24%.
3. Grades and attendance are the two biggest predictors of dropouts. Small, integrated teams can better track students and intervene earlier.

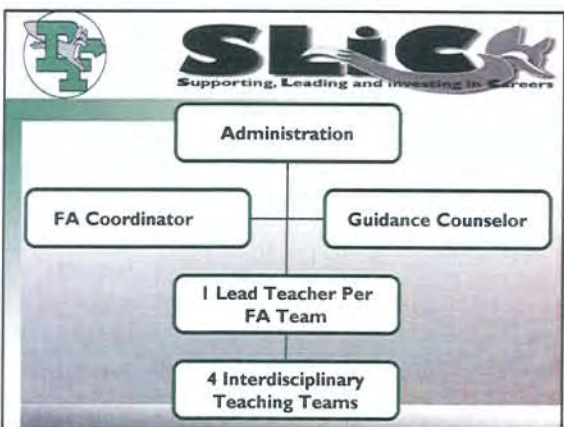

IN ADDITION

Research also shows that transition academies must have the following to be successful:

- United teams, located in close proximity, creating common high expectations
- Pure teams with common planning
- Built in academic support
- Needs-based staffing and scheduling

Our Goals

1. Provide a smooth transition from middle to high school, focusing on educational, structural and organizational skills.
2. Prepare students with the necessary knowledge and skill sets to choose their career path.
3. Reduce failure and drop-out rates at DFHS
4. Build a nurturing, caring, familial environment with high expectations within the walls of a large high school.

ACADEMY STRUCTURE

1. All classrooms on 300 level/hallway
2. 16 core teachers divided into 4 teams
 1. 125 Students per team
 2. 21 Students per class
3. Each teacher has full freshman class-load
4. Common team planning

A RESOLUTION

AUTHORIZING THE ISSUANCE AND SALE OF NOT EXCEEDING \$10,000,000 GENERAL OBLIGATION BONDS, SERIES 2010A, OR SUCH OTHER APPROPRIATE SERIES DESIGNATION, OF SCHOOL DISTRICT NO. 5 OF LEXINGTON COUNTY AND RICHLAND COUNTY, SOUTH CAROLINA; DELEGATING TO THE SUPERINTENDENT OR HIS LAWFULLY AUTHORIZED DESIGNEE THE AUTHORITY TO DETERMINE CERTAIN MATTERS RELATING TO THE BONDS; PROVIDING FOR THE PAYMENT OF THE BONDS AND THE DISPOSITION OF THE PROCEEDS THEREOF; AND OTHER MATTERS RELATING THERETO.

BE IT RESOLVED BY THE BOARD OF TRUSTEES OF SCHOOL DISTRICT NO. 5 OF LEXINGTON COUNTY AND RICHLAND COUNTY, SOUTH CAROLINA, AS FOLLOWS:

Section 1. Findings and Determinations. The Board of Trustees (the "Board") of School District No. 5 of Lexington County and Richland County, South Carolina (the "School District"), hereby finds and determines.

(a) The School District was organized by action of the Lexington County Board of Education in 1951 and the Richland County Board of Education in 1952. The School District is also known as Richland-Lexington School District No. 5. The Board is the governing body of the School District.

(b) Article X, Section 15, of the Constitution of the State of South Carolina, 1895, as amended (the "Constitution"), provides that after November 30, 1982, the governing body of any school district may incur general obligation debt in an amount not exceeding eight percent (8%) of the assessed value of all taxable property of such school district and upon such terms and conditions as the General Assembly may prescribe.

(c) Title 59, Chapter 71, Article 1, Code of Laws of South Carolina 1976, as amended (the "School Bond Act") provides that the board of trustees of any school district may issue general obligation bonds of such school district for the purpose of defraying the cost of "capital improvements" (as defined therein) to any amount not exceeding the constitutional debt limitation applicable to such school district.

(d) Section 11-27-50(2) of the Code of Laws of South Carolina, 1976 as amended (the "S.C. Code"), further provides that if an election be prescribed by the provisions of the School Bond Act but is not required by the provisions of Article X of the Constitution, then in every such instance, no election need be held and the remaining provisions of the School Bond Act shall constitute a full and complete authorization to issue bonds in accordance with such remaining provisions. Section 11-27-90 of the S.C. Code further provides that any school district of the State may issue bonds in fully registered form.

(e) The American Recovery and Reinvestment Act of 2009 (the "ARRA"), Pub.L. 111-5, Feb. 17, 2009, 123 Stat. 115, amends the Internal Revenue Code of 1986 (the "Code") to provide for the issuance of qualified school construction bonds if (a) 100 percent of the available project proceeds of such obligation are to be used for the construction, rehabilitation, or repair of a public school facility or for the acquisition of land on which such a facility is to be constructed with part of the proceeds of such issue; (b) the obligation is issued by a State or local government within the jurisdiction of which such

school is located; (c) the issuer designates such obligation for purposes of Section 54F of the Code; and (d) the aggregate face amount of bonds issued during the calendar year which are designated under Section 54F of the Code by the School District does not exceed the limitation amount allocated under Section 54F(d) of the Code for such calendar year to the School District.

(f) Legislation currently pending in the United States Congress, if finalized and adopted, would allow the School District to make an irrevocable election to issue its qualified school construction bonds as bonds paying taxable interest rates and to receive an annual direct payment of an interest payment subsidy under Section 6431 of the Code.

(g) In a referendum (the "Referendum") held in the School District on November 4, 2008, the following question was submitted to the qualified electors of the School District:

Shall the Board of Trustees of School District No. 5 of Lexington County and Richland County, South Carolina (the "School District") be empowered to issue, at one time or from time to time, general obligation bonds of the School District, in the principal amount of not exceeding \$243,665,000, the proceeds of which shall be used to finance the costs (including architectural, engineering, legal and related fees) of acquiring land, constructing, improving, equipping, expanding, renovating and repairing school facilities within the School District as follows:

Constructing and equipping (including technology) the following schools:

A new high school, a new career and technical education facility, a new middle school and a new elementary school

Additions, renovations, improvements and modifications, including technology and other equipment for the following schools:

Leaphart Elementary School, Seven Oaks Elementary School, Irmo Elementary School, Chapin Elementary School, Irmo High School, Dutch Fork High School and Chapin High School?

The Referendum was duly conducted and a majority of the qualified electors of the School District voted in favor of the issuance of the general obligation bonds.

(h) On or about November 6, 2009, the School District received from the South Carolina Department of Education an allocation of \$10,000,000 in qualified school construction bonds, the proceeds of which will be used for a major renovation at Seven Oaks Elementary School and to pay costs of issuance of the bonds. On or about February 23, 2010, the School District was granted an extension of time from the South Carolina Department of Education within which to issue its qualified school construction bonds.

(i) It is in the best interest of the School District for the Board to provide for the issuance and sale of general obligation bonds of the School District in the principal amount of not to exceed \$10,000,000, for the purposes set forth in paragraph 1(h) above.

Section 2. Authorization and Details of Bonds. Pursuant to the aforesaid provisions of the Constitution and laws of the State of South Carolina, there is hereby authorized to be issued general obligation bonds of the School District in one or more series, with appropriate series designations, in the

amount of not to exceed \$10,000,000 to obtain funds for one or more of the purposes stated in Section 1(h) above and designated as “[amount issued] General Obligation Bonds (Qualified School Construction Bonds), Taxable (Appropriate Series Designation), of School District No. 5 of Lexington County and Richland County, South Carolina (the “Bonds” or “QSCBS”).

The Bonds shall be issued as fully-registered bonds; shall be dated their date of delivery; shall be in the denomination of \$5,000 or any integral multiple thereof not exceeding the principal amount of the Bonds maturing in each year; shall be numbered from R-1 upward; shall be book-entry bonds; shall bear interest at such times as hereafter designated by the Superintendent of the School District or her lawfully authorized designee at such rate or rates as may be determined at the time of the sale thereof; and shall mature serially in successive annual installments as determined by the Superintendent of the School District or her lawfully authorized designee.

Both the principal of and interest on the Bonds shall be payable in any coin or currency of the United States of America which is, at the time of payment, legal tender for public and private debts. Within twenty-four (24) hours after the receipt of bids, the School District will designate the registrar and paying agent (the “Registrar/Paying Agent”) for the Bonds. The Registrar/ Paying Agent shall be a bank, trust company, depository or transfer agent located either within or without the State of South Carolina.

Section 3. Delegation of Authority to Determine Certain Matters Relating to the Bonds. The Board hereby delegates to the Superintendent the authority, upon the advice of the School District’s bond counsel and the School District’s financial advisor, to determine: (a) the maturity dates of the Bonds and the respective principal amounts maturing on such dates; (b) the interest payment dates of the Bonds; (c) the redemption provisions, if any, for the Bonds; (d) the date and time of sale of the Bonds; (e) the Registrar/Paying Agent for the Bonds; (f) the Escrow Agent for the Bonds, if any; (g) award the sale of the Bonds to the lowest bidder therefor in accordance with the terms of the Notice of Sale for the Bonds, provided it reflects the lowest cost of borrowing to the School District; (h) determine whether the tax credit shall be provided as a credit to the bondholders or as a direct payment to the School District; (i) make such irrevocable election as shall be required under the Code; and (j) authorize payment of a supplemental coupon on the Bonds in an amount not to exceed three and one-half percent (3.5%).

In addition to the authority delegated above, upon the advice of Bond Counsel, the Superintendent is hereby authorized to approve such changes in the structure of the Bonds as may necessary to effectuate the issuance of the Bonds in the manner most cost effective to the School District. This delegation will include , but not be limited to, the authority to make such elections, to execute such certificates, and to execute such other documents as may be necessary or appropriate to achieve the purposes of this resolution. The execution of the Bonds and documents associated therewith shall constitute conclusive evidence of approval of the final structure of the Bonds.

After the sale of the Bonds, the Superintendent or his lawfully authorized designee shall submit a written report to the Board setting forth the results of the sale of the Bonds.

Section 4. Commitments related to Qualified School Construction Bonds. In connection with the issuance of the QSCBS, the Board hereby acknowledges and agrees that: (a) 100% of the QSCB must be used for qualified construction, rehabilitation, or repair of a public school facility or for the acquisition of land on which such a facility is to be constructed with part of the proceeds of such QSCB issue, or such other purposes as allowed by guidance from the U.S. Department of Treasury, Internal Revenue Service; (b) the maximum maturity and the credit rate of the QSCB, as well as the yields of any sinking fund, will comply with requirements of the U.S. Department of Treasurer, Bureau of Public Debt;

(c) the School District will comply with applicable provisions of the ARRA, including labor standards in section 1601 and 1606 (i.e. Davis Bacon prevailing wage requirements); (d) the QSCB will be issued within the extension granted by the State Superintendent of Education (the "State Superintendent"). If not, then the State Superintendent may redirect the allocation to another school district and project; and (e) the QSCB must comply with the provisions of the Code, which require in part (and subject to other provisions of that Code) that within six (6) months of issuance at least ten percent (10%) of the QSCB proceeds be under a binding spending commitment with a third party; that 100% be spent on a qualifying project within three (3) years; and (f) that the School District will comply with the reporting, arbitrage and conflict of interest rules in Code Section 54A(d) and/or such other provisions of the Code as shall apply.

Section 5. Registration, Transfer and Exchange of Bonds. The School District shall cause books (herein referred to as the "registry books") to be kept at the offices of the Registrar/Paying Agent, for the registration and transfer of the Bonds. Upon presentation at its office for such purpose the Registrar/Paying Agent shall register or transfer, or cause to be registered or transferred, on such registry books, the Bonds under such reasonable regulations as the Registrar/Paying Agent may prescribe.

Each Bond shall be transferable only upon the registry books of the School District, which shall be kept for such purpose at the principal office of the Registrar/Paying Agent, by the registered owner thereof in person or by his duly authorized attorney upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar/Paying Agent duly executed by the registered owner or his duly authorized attorney. Upon the transfer of any such Bond, the Registrar/Paying Agent on behalf of the School District shall issue in the name of the transferee a new fully-registered Bond or Bonds of the same aggregate principal amount, interest rate and maturity as the surrendered Bond. Any Bond surrendered in exchange for a new registered Bond pursuant to this Section shall be canceled by the Registrar/Paying Agent.

The School District and the Registrar/Paying Agent may deem or treat the person in whose name any fully-registered Bond shall be registered upon the registry books as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of the principal of and interest on such Bond and for all other purposes and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the School District nor the Registrar/Paying Agent shall be affected by any notice to the contrary. In all cases in which the privilege of transferring Bonds is exercised, the School District shall execute and the Registrar/Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. Neither the School District nor the Registrar/Paying Agent shall be obliged to make any such transfer of Bonds during the fifteen (15) days preceding an interest payment date on such Bonds.

Section 6. Record Date. The School District hereby establishes a record date for the payment of interest or for the giving of notice of any proposed redemption of Bonds, and such record date shall be the fifteenth (15th) day (whether or not a business day) preceding an interest payment date on such Bond or, in the case of any proposed redemption of Bonds, such record date shall be the fifteenth (15th) day (whether or not a business day) prior to the mailing of notice of redemption of Bonds.

Section 7. Mutilation, Loss, Theft or Destruction of Bonds. In case any Bond shall at any time become mutilated in whole or in part, or be lost, stolen or destroyed, or be so defaced as to impair the value thereof to the owner, the School District shall execute and the Registrar shall authenticate and deliver at the principal office of the Registrar, or send by registered mail to the owner thereof at his

request, risk and expense a new Bond of the same series, interest rate and maturity and of like tenor and effect in exchange or substitution for and upon the surrender for cancellation of such defaced, mutilated or partly destroyed Bond, or in lieu of or in substitution for such lost, stolen or destroyed Bond. In any such event the applicant for the issuance of a substitute Bond shall furnish the School District and the Registrar evidence or proof satisfactory to the School District and the Registrar of the loss, destruction, mutilation, defacement or theft of the original Bond, and of the ownership thereof, and also such security and indemnity as may be required by the laws of the State of South Carolina or such greater amount as may be required by the School District and the Registrar. Any duplicate Bond issued under the provisions of this Section in exchange and substitution for any defaced, mutilated or partly destroyed Bond or in substitution for any allegedly lost, stolen or wholly-destroyed Bond shall be entitled to the identical benefits under this Resolution as was the original Bond in lieu of which such duplicate Bond is issued, and shall be entitled to equal and proportionate benefits with all the other Bonds of the same series issued hereunder.

All expenses necessary for the providing of any duplicate Bond shall be borne by the applicant therefor.

Section 8. Execution of Bonds. The Bonds shall be executed in the name of the School District with the manual or facsimile signature of the Chair of the Board attested by the manual or facsimile signature of the Secretary of the Board under the seal of the School District which shall be impressed, imprinted or reproduced thereon. The Bonds shall not be valid or become obligatory for any purpose unless there shall have been endorsed thereon a certificate of authentication. The Bonds shall bear a certificate of authentication manually executed by the Registrar in the substantially the form set forth herein.

Section 9. Form of Bonds. The Bonds shall be in the appropriate form required for the type of bonds to be issued as determined by the Superintendent.

Section 10. Eligible Securities. The Bonds initially issued (the "Initial Bonds") may be eligible securities for the purposes of the book-entry system of transfer maintained by The Depository Trust Company, New York, New York ("DTC"), and if issued in book-entry form (the "Book-Entry Bonds"), transfers of beneficial ownership of the Book-Entry Bonds shall be made only through DTC and its participants in accordance with rules specified by DTC. Such beneficial ownership must be of \$5,000 principal amount of Bonds of the same maturity or any integral multiple of \$5,000.

The Book-Entry Bonds shall be issued in fully-registered form, one Bond for each of the maturities of the Bonds, in the name of Cede & Co., as the nominee of DTC. When any principal or interest on the Book-Entry Bonds becomes due, the School District shall transmit to DTC an amount equal to such installment of principal and interest. DTC shall remit such payments to the beneficial owners of the Bonds or their nominees in accordance with its rules and regulations.

Notices of redemption of the Book-Entry Bonds or any portion thereof shall be sent to DTC in accordance with the provisions of the Resolution.

If (a) DTC determines not to continue to act as securities depository for the Bonds, or (b) the School District has advised DTC of its determination that DTC is incapable of discharging its duties, the School District shall attempt to retain another qualified securities depository to replace DTC. Upon receipt by the School District of the Book-Entry Bonds together with an assignment duly executed by DTC, the School District shall execute and deliver to the successor securities depository Bonds of the same principal amount, interest rate and maturity registered in the name of such successor.

If the School District is unable to retain a qualified successor to DTC or the School District has determined that it is in its best interest not to continue the book-entry system of transfer or that interests of the beneficial owners of the Bonds might be adversely affected if the book-entry system of transfer is continued (the School District undertakes no obligation to make any investigation to determine the occurrence of any events that would permit it to make any such determination), and has made provision to so notify beneficial owners of the Bonds by mailing an appropriate notice to DTC, upon receipt by the School District of the Book-Entry Bonds, together with an assignment duly executed by DTC, the School District shall execute, authenticate and deliver to the DTC participants Bonds in fully-registered form in the denomination of \$5,000 or any integral multiple thereof.

Notwithstanding the foregoing, at the request of the purchaser, the Bonds will be issued as one single fully-registered bond and not issued through the book-entry system.

Section 11. Security for the Bonds. The full faith, credit, resources and taxing power of the School District are hereby irrevocably pledged for the payment of the principal and interest on the Bonds as they respectively mature and to create such sinking fund as may be necessary therefor. There shall be levied annually by the Auditors of Lexington County and Richland County (the "County Auditors") and collected by the Treasurers of Lexington County and Richland County (the "County Treasurers") in the same manner as county taxes are levied and collected, a tax, without limit, on all taxable property in the School District sufficient to pay the principal and interest of the Bonds as they respectively mature and to create such sinking fund as may be necessary therefor.

The County Auditors and County Treasurers shall be notified as to the delivery of and payment for the Bonds and are hereby directed to levy and collect, respectively, on all taxable property in the School District, a tax, without limit, on all taxable property in the School District sufficient to pay the principal and interest of the Bonds as they respectively mature and to create such sinking fund as may be necessary therefor.

To the extent allowed by law, the County Auditors and County Treasurers, may consider the amounts available as an annual direct payment to the School District under Section 6431 (or other relevant section) of the Code when levying and collecting the taxes provide for herein, for the Bonds.

Section 12. Defeasance. The obligations of the School District under this Resolution and the pledges, covenants and agreements of the School District therein made or provided for, shall be fully discharged and satisfied as to any portion of the Bonds, and such Bond or Bonds shall no longer be deemed to be outstanding when:

(a) such Bonds shall have been purchased by the School District and surrendered to the School District for cancellation or otherwise surrendered to the School District or the Paying Agent and is canceled or subject to cancellation by the School District or the Paying Agent; or

(b) payment of the principal of and interest on such Bonds either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by irrevocably depositing with a corporate trustee in trust and irrevocably set aside exclusively for such payment (1) moneys sufficient to make such payment, or (2) Government Obligations (as defined below) maturing as to principal and interest in such amounts and at such times as will ensure the availability of sufficient moneys to make such payment and all necessary and proper fees, compensation and expenses of the corporate trustee. At such time as the Bonds shall no longer be deemed to be outstanding

thereunder, such Bonds shall cease to draw interest from the due date thereof and, except for the purposes of any such payment from such moneys or Government obligations as set forth in (ii) above, shall no longer be secured by or entitled to the benefits of the Resolution.

“Government Obligations” means any of the following:

- (a) direct obligations of the United States of America or agencies thereof or obligations, the payment of principal or interest on which, in the opinion of the Attorney General of the United States, is fully and unconditionally guaranteed by the United States of America;
- (b) non-callable, U. S. Treasury Securities - State and Local Government Series (“SLGS”); and
- (c) general obligation bonds of the State, its institutions, agencies, school districts and political subdivisions.

Section 13. Exemption from State Taxes. Both the principal of and interest on the Bonds shall be exempt, in accordance with the provisions of Section 12-2-50 of the Code of Laws of South Carolina, 1976, as amended, from all State, county, municipal, school district and all other taxes or assessments, except estate or other transfer taxes, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise.

Section 14. Sale of Bonds; Form of Notice of Sale. The Bonds shall be sold at public sale. A Notice of Sale in appropriate format for the type of bonds determined by the Superintendent to be issued shall be distributed to prospective bidders and a summary of such Notice of Sale may be published in a newspaper having general circulation in the State, not less than seven (7) days prior to the date set for such sale.

Section 15. Preliminary and Official Statement. The Board hereby authorizes the Superintendent or his lawfully authorized designee to prepare, or cause to be prepared, a Preliminary Official Statement to be distributed to prospective purchasers of the Bonds together with the Notice of Sale. The Board authorizes the Superintendent or his lawfully authorized designee to designate the Preliminary Official Statement as “final” for purposes of Rule 15c2-12 of the Securities Exchange Commission. The Superintendent or his lawfully authorized designee is further authorized to see to the completion of the final form of the Official Statement upon the sale of the Bonds so that it may be provided to the purchaser of the Bonds.

Section 16. Filings with Central Repository. In compliance with Section 11-1-85 of the Code of Laws of South Carolina, 1976, as amended, the School District covenants that it will file or cause to be filed with a central repository for availability in the secondary bond market when requested: (a) a copy of the annual audit of the School District within thirty (30) days of the School District's receipt thereof; and (b) within thirty (30) days of the occurrence thereof, relevant information of an event which adversely affects more than five (5%) percent of the revenues of the School District or the School District's tax base.

Section 17. Continuing Disclosure. In compliance with the Securities and Exchange Commission Rule 15c2-12 (the “Rule”) the School District covenants and agrees for the benefit of the holders from time to time of the Bonds to execute and deliver prior to closing, and to thereafter comply

with the terms of, a Disclosure Dissemination Agent Agreement in an appropriate format for the type of bonds to be determined by the Superintendent to be issued. In the event of a failure of the School District to comply with any of the provisions of the Continuing Disclosure Certificate, an event of default under this Resolution shall not be deemed to have occurred. In such event, the sole remedy of any bondholder or beneficial owner shall be an action to compel performance by the School District.

Section 18. Deposit and Use of Proceeds. The proceeds shall be deposited with the Treasurer of Lexington County in a special fund to the credit of the School District and shall be applied solely to the purposes for which the Bonds have been issued, including payment of costs of issuance.

Section 19. Tax Covenants. The School District hereby covenants and agrees with the Holders of the Bonds that it will not take any action which will, or fail to take any action which failure will, cause interest on the Bonds to become includable in the gross income of the Bondholders for federal income tax purposes pursuant to the provisions of the Code and regulations promulgated thereunder in effect on the date of original issuance of the Bonds; provided, however, that for purposes of this covenant only, the School District shall not be in violation of this covenant solely because it makes an irrevocable election as provided in the Code with respect to the Bonds. The School District further covenants and agrees with the holders of the Bonds that no use of the proceeds of the Bonds shall be made which, if such use had been reasonably expected on the date of issue of the Bonds would have caused the Bonds to be "arbitrage bonds," as defined in Section 148 of the Code, and to that end the School District hereby shall:

- (a) comply with the applicable provisions of Sections 54AA, 103 and 141 through 150 of the Code and any regulations promulgated thereunder so long as the Bonds are outstanding;
- (b) establish such funds, make such calculations and pay such amounts, in the manner and at the times required in order to comply with the requirements of the Code relating to required rebates of certain amounts to the United States; and
- (c) make such reports of such information at the time and places required by the Code.

Section 22. Miscellaneous. The Board hereby authorizes the Chair, the Secretary of the Board, the Superintendent, the Chief Financial Services Officers to execute such documents and instruments as may be necessary to effect the issuance of the Bonds. The Board hereby retains the law firm of McNair Law Firm, P.A. as bond counsel and Ross, Sinclair & Associates, LLC as financial advisor in connection with the issuance of the Bonds. The Superintendent is authorized to execute such contracts, documents or engagement letters as may be necessary and appropriate.

All rules, regulations, resolutions and parts thereof, procedural or otherwise, in conflict herewith or the proceedings authorizing the issuance of the Bonds are, to the extent of such conflict, hereby repealed and this Resolution shall take effect and be in full force from and after its adoption.

RE: Proposed 2010-2011 Capital Budget

Attached is the proposed 2010-2011 Capital Budget for your review. In order to better coordinate the Capital Budget with the district's bond referendum for facilities, we have divided the budget into four categories: On-Going Maintenance; New Initiatives; Equipment; and Alternates.

As we continue our coordination of On-Going Maintenance and New Initiatives with the district's bond referendum for facilities, a five-year plan will be developed that aligns these programs.

CODE OF CONDUCT

Code **JICDA-R** Issued **7/09**

In order to maintain an appropriate educational climate, it may be necessary to apply disciplinary sanctions to students, including their removal from the learning environment. These sanctions will occur only for good cause and in accordance with applicable state and federal law.

The following regulations are designed to protect all members of the educational community in the exercising of their rights and responsibilities.

These regulations are effective during the following times and places.

- on school grounds before, during or after school hours
- on school grounds at any other time when the school is being used by a school group
- off the school grounds at any school and/or school-related activity, function or event
- on a school bus or other school vehicle
- at any time or in any place (including off school grounds and during non-school hours) where student conduct has a direct effect on the school's ability to maintain an orderly and safe learning environment including participation in a district-approved technology-delivered course.

Students and parents/legal guardians are encouraged to become familiar with the rules and regulations contained in this booklet. If there any questions, please talk with the building level administrator or call the district hearing officer.

In determining whether a student has violated the discipline code, the principal or his/her designee will consider all the facts and circumstances of the particular situation and may consider, but will not be limited to, verbal and/or written statements of admission; witness statements from others; video surveillance, et al.

The board of trustees has the authority to approve a one-year pilot plan for any school that alters any consequences for categories 3 and 4. The results of the one-year pilot plan would be reported to the board for consideration of incorporation into the district wide plan.

Harassment, intimidation or bullying

School District Five of Lexington and Richland Counties prohibits any acts of harassment, intimidation or bullying of a student by students, staff and third parties which interferes with or disrupts a student's ability to learn and the school's responsibility to educate its students in a safe and orderly environment, whether such acts occur in a classroom, on school premises, on a school bus or other school-related vehicle, at an official school bus stop, at a school-sponsored activity or event whether or not it is held on school premises or at another program or function where the school is responsible for the student.

For purposes of this policy, harassment, intimidation or bullying is defined by the district as a gesture, electronic communication or a written, verbal, physical or sexual act reasonably perceived to have the effect of either of the following.

- Harming a student physically or emotionally or damaging a student's property or placing a student in reasonable fear of personal harm or property damage.
- Insulting or demeaning a student or group of students causing substantial disruption in or substantial interference with, the orderly operation of the school.

PAGE 2 - JICDA-R - CODE OF CONDUCT

Any student who believes that he/she has been subjected to harassment, intimidation or bullying in violation of this policy is encouraged to file a complaint in accordance with procedures established by the district. Complaints will be investigated promptly, thoroughly and confidentially. All school employees are required to report alleged violations of this policy to the principal or his/her designee. Reports by students or employees may be made anonymously, although disciplinary action will not be taken against any person solely on the basis of an anonymous report.

The district prohibits retaliation or reprisal in any form against a student or employee who has filed a complaint or report of harassment, intimidation or bullying. The district also prohibits any person from falsely accusing another of misconduct as a means of harassment, intimidation or bullying.

The board expects students to conduct themselves in an orderly, courteous, dignified and respectful manner. Students and employees have a responsibility to know and respect the policies, rules and regulations of the school and district. Any student who is found to have engaged in the prohibited actions as outlined in this policy will be subject to disciplinary action in accordance with the district's student behavior code. Any employee who violates this policy will be subject to disciplinary action. The district also may refer any individual who has violated this policy to law enforcement officials. The district will take any other appropriate steps to correct or rectify the situation.

The superintendent or his/her designee will be responsible for ensuring notice of this policy is provided to students, staff, parents/legal guardians, volunteers and members of the community, including its applicability to all areas of the school environment as outlined in this policy. The superintendent or his/her designee will also ensure that a process is established for discussing the contents of this policy with students.

The district's procedures for responding to incidents of bullying/harassment/intimidation are as follows.

- Any student or parent/legal guardian of a student who believes that the student has been bullied, harassed or intimidated in violation of district policy should immediately report such conduct to a teacher, administrator or other school official. The report may be oral or in writing.
- Any school employee who observes an incident of bullying, harassment or intimidation of a student will immediately report the incident to the appropriate building administrator (principal or assistant principal).
- Any school employee who receives a report of bullying, harassment or intimidation should immediately forward the report to the appropriate building administrator (principal, assistant principal).
- An administrator will promptly and thoroughly investigate all such reports and upon completion of that investigation, will notify the parents/legal guardians of all affected students *{of his/her conclusions and of the}* **that** corrective action *{to be}* **has been** taken by the school. *{This notification will be in writing.}*
- Corrective action may include the student perpetrator being disciplined in accordance with the student code of conduct, as well as being required to complete program(s) regarding conflict resolution, anger management and/or social interaction skills.

PAGE 3 - JICDA-R - CODE OF CONDUCT

- In any disciplinary incident in which safety is a concern, a student may be temporarily suspended from the bus pending the result of a full investigation. Investigations will normally be completed within three school days. No student will be removed from the bus until a transportation supervisor has made direct contact with the student's parent/legal guardian. Students will have the right to appeal bus suspensions to the transportation coordinator in the same manner as suspensions from school.
- When an out-of-school suspension and bus suspension are adjudicated for an incident, the suspension from riding the bus will begin after the completion of the out-of school suspension

ASSAULT OF A STAFF MEMBER: Any deliberate inappropriate physical contact with a staff member. Any adult who has been authorized by the school to supervise students is considered a staff member in case of an assault. CELL PHONE POLICY (JICJ): The board of trustees of School District Five of Lexington and Richland Counties believes that the use of communication devices by students during the school day may have an adverse effect on classroom instruction. Therefore, students may not use cellular phones, electronic pagers or any other communications devices while on school property during school hours. (Start and end of school will be denoted by the start and end bell.) These items will be seized in accordance with South Carolina Code of Laws Section 59-63-280 and board policy. Students who are determined to be in use of these items will be subject to disciplinary actions as defined by the student code of conduct. Use is defined, for the purpose of this policy and accompanying administrative rule, as any visible or audible presence.

For the first incident in each case, devices will be returned to parents/legal guardians who must sign a contract outlining the conditions of return. Subsequent violations will result in confiscation of the item. Devices that are confiscated as a result of subsequent violations will be returned to parents/legal guardians on the first Monday following the last school day of the year. All confiscated items will be secured at the school site until they are returned. Neither the school nor the district will be responsible for any lost or stolen items as a result of confiscation.

LYNCHING: Section 16-3-220. Any act of violence inflicted by a mob upon the body of another person and from which death does not result.

PAGE 5 - JICDA-R - CODE OF CONDUCT

MOB: Section 16-3-230. A "mob" is defined for the purpose of this article as the assemblage of two or more persons, without color or authority of law, for the purpose and with the intent of committing an act of violence upon the person of another.

PERSONAL PROPERTY: For the purposes of this policy, all property that is not owned by the district/school is considered personal property.

PHYSICAL ASSAULT: Intentionally, knowingly or recklessly causing bodily injury to another person. This does not include in the elementary school a temper tantrum by a child or incidental bodily contact. The principal or his/her designee at the elementary school will make a determination as to whether physical assault has occurred.

POSSESSION: Being in a student's locker, purse, gym bag, backpack or other item carried by or belonging to the student, on the student's person or in a car driven by or occupied by the student or items found in a car parked on school property or at a school sponsored activity. In determining whether a student intentionally or knowingly possessed an item, the principal or his/her designee will consider all the facts and circumstances of the particular incident.

PROHIBITED WEAPON: Knife with a blade over two inches long, a blackjack, a dirk (a stabbing knife such as a switchblade), a metal pipe or pole, metal knuckles, razor, razor blade, martial arts throwing star, BB gun, air soft pistols, pellet gun or any other deadly weapon usually used to inflict personal injury. To determine the length of a knife blade, it will be measured from the tip to where the blade and handle (casing) meet. Box cutters and utility knives containing blades are also prohibited on school/district property.

When a weapon is found in a student's possession, it is up to the school principal to determine if the student's possession was knowing or intentional. If the student maintains that he/she did not knowingly have possession and the explanation is credible to the principal, the student will not be suspended. If the student's explanation is not deemed credible by the principal, policy requires secondary students to be suspended with a recommendation for expulsion. First offense elementary students may receive a suspension depending on the circumstances.

Students who realize they have accidentally brought a weapon such as a knife to school should go immediately to a teacher or administrator and turn it in. If it is clear the student turned the item in immediately upon discovery, the student will not be suspended. Students who delay turning in such an item or who turn in the item only after having been discovered, may be suspended with a recommendation for expulsion.

South Carolina law requires the school to notify local law enforcement officials when a gun or knife with a blade in excess of two inches is found in the possession of a student. Law enforcement officials determine if a student is to be charged and taken into custody.

REPLICA GUN: A device which appears to be an operable firearm and is presented as being a real gun, but which lacks the ability to expel a projectile. Replica guns do not include obvious toy guns.

SEARCHES: School administrators have the right to search a student's purse, gym bag, backpack and any other item carried or possessed by a student, as well as the student's person, pockets or car upon reasonable suspicion. Metal detectors may be used in accordance with board policy. Searches of school property, including lockers and desks, may be conducted in accordance with board policy. Canine searches are also routinely conducted in accordance with board policy.

SEXTING: The act of sending sexually explicit messages or photos electronically, primarily between cell phones or internet.

PAGE 6 - JICDA-R - CODE OF CONDUCT

SEXUAL ASSAULT: Any sexual act directed against another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent. This definition includes forcible rape, forcible sodomy or forcible rape with an object.

SEXUAL HARASSMENT: Unwelcome sexual advances, sexual gestures, for sexual favors and other verbal or physical conduct of a sexual nature where there is a pattern of harassing behavior or a single significant incident. Such conduct interferes with the student's education or creates an intimidating, hostile or offensive school environment. Sexual harassment may include, but is not limited to: verbal harassment, including sexually offensive comments or slurs; physical harassment, physical interference with movement or work; or visual harassment such as sexually offensive cartoons, drawings or posters. Sexual harassment is prohibited against members of the same sex as well as against members of the opposite sex.

SIMPLE ASSAULT: The intentional injury of another person that does not result in the level of injury of a physical assault. In considering whether a simple assault has occurred, the principal or his/her designee will determine the level of injury and the facts and circumstances of the incident.

TRESPASSING: Being on any district property or school campus at an unreasonable hour when not involved in a school activity or present on the campus of a school not enrolled in without authorization. Unreasonable hours in this context include after 11:00 p.m. when the school facility is not in use for an approved activity. Students who are on suspended or expelled status may also be considered as trespassers if they do not have prior express authorization to be on school grounds.

UNDER THE INFLUENCE: In determining whether a student is under the influence of alcohol, inhalants or controlled substances, the student's appearance/manner, their behavior and/or the presence of an alcohol/drug odor or statements made by the student as to consumption may be considered. Because any consumption of alcohol or drugs by a minor is illegal, any consumption, without regard to amount, of alcohol or drugs/controlled substances/inhalants will constitute under the influence for the purpose of this policy. Law enforcement and/or the school nurse, depending upon availability, will assist building administrators in making the determination of whether a student is under the influence.

VANDALISM: Intentionally or recklessly causing damage to or defacing school or personal property or such action causing disruption to the educational process and/or school activities. comment.

Suspension from school or transportation and appeals

Suspension in- or out-of-school will be assigned by the school principal/director or his/her designee according to the procedures specified in board policy JKD (Suspension).

Suspension from riding in a school bus or in other school vehicles will be assigned by the Office of Transportation. Inappropriate behavior (Category 1, 2, 3) on a bus will also involve school assigned consequences.

After a parent/legal guardian is notified in writing of a suspension, the parent/legal guardian has three school days to request an appeal of the suspension. The request for appeal must be in writing and should state the specific basis for the appeal. Suspensions may be appealed as follows.

- To the principal/director if the decision to suspend was made by a school-level designee.
- To the district hearing officer if the decision to suspend was made by the principal/director.
- Bus suspensions may be appealed to the coordinator of transportation.

PAGE 7 - JICDA-R - CODE OF CONDUCT

- In the event that the principal/director determines that he/she has been too involved in the decision to suspend to conduct an impartial hearing, the principal/director may request that the district hearing officer conduct the appeal hearing.
- In cases of eight to 10 day suspensions, if the principal/director holds the appeal hearing and subsequently decides to uphold the suspension, the parent/legal guardian may petition the district hearing officer for a further appeal, provided that such petition is made in writing within three school days of the date of the signed receipt of the decision letter from the principal/director. The petition will state on what basis the parent/legal guardian believes that the suspension was unfair or unwarranted. The district hearing officer will have discretion whether to grant a further appeal and that decision will be final.
- All in-school suspensions and out-of-school suspensions under eight days may not be appealed beyond the school level unless the suspension was initially assigned by the principal. There is no appeal for detentions or lesser consequences beyond the school level.

Whenever a student is suspended, the administrator will schedule a conference with the student's parent/legal guardian within three school days of the suspension. The conference date will be extended beyond the three days only if the parent/legal guardian requests an extension in writing.

After the second in or out of school suspension, the parent/legal guardian may be called in for a student assistance intervention meeting before the student can return to school/class. These meetings may also be held for each student that has accumulated at least one category 2 level offense, two category 3 level offenses and anytime during five to 10 category 4 level offenses. The purpose of the meetings will be to discuss individual student school behavior plans, academic progress and achievement and social awareness. These meetings may be held with the following members present: parents/legal guardians, students, school administration and school counselor/social worker. Although the school counselor and social worker will serve as an advocate for the parent/legal guardian and student, parents/legal guardians are free to have additional support personnel present. A behavior contract also will be signed by a parent/legal guardian and child after the second out of school suspension.

For high schools, suspension days are recorded as unexcused absences. Unexcused absences are counted towards the denial of credit. An attendance make-up program will be offered in the high schools for unexcused absences. No student will be denied credit due to excessive absence solely on the basis of his/her suspensions.

Expulsion from school

Expulsion will be recommended only by the principal/director of the school to which the student is assigned. Procedures to be followed regarding expulsion are specified in board policy JKE (Expulsion). Expelled students may not attend any event in which a District Five school is participating nor be on any district property during the period of expulsion.

Any expelled student who is on district property after school hours for church services, recreational league sports or court ordered, monitored community service hours would have to have the prior written permission of the superintendent or his/her designee.

Law enforcement involvement

All Category 1 Offenses will result in law enforcement involvement. Some offenses in Categories 2 and 3 will also involve law enforcement.

PAGE 8 - JICDA-R - CODE OF CONDUCT

Dismissal of expelled students from the alternative school

Each expelled student accepted at the alternative school will be placed on a behavior contract. The director of the alternative school will have the authority to dismiss any expelled student from the alternative school based upon the student's behavior violations while enrolled at the alternative school.

The student and parent/legal guardian will be notified of the dismissal and the reason for the dismissal in writing and may appeal the dismissal to the district hearing officer, provided that any such appeal is made in writing within three school days of receipt of the notice of dismissal. All dismissals from the alternative school will be reported to the superintendent.

Category 1 Offenses

Acts considered to be Category 1 Offenses include, but are not limited to, the following:

101. Possession, transfer or use of a firearm.
102. Possession, transfer or use of a prohibited weapon other than a firearm including a knife with a blade over two inches, BB gun, paint ball gun, pellet gun, air-soft pistol, razor, razor blade, martial arts throwing star, metal knuckles, blackjack, adir, and a metal pipe or pole. Box cutters and utility/X-Acto knives containing any size blades are also considered a violation of this section. (*K-2)
103. Possession, transfer, distribution, use in any amount or being under the influence of alcohol, marijuana (including marijuana seeds), hallucinogenic drugs, inhalants or any other controlled or illegal substance. Since alcohol consumption is illegal by minors, consumption of any amount of alcohol will constitute a violation of this section. This includes being present on district/school property or at any school-sponsored event after using any amount of these substances (see note 2).

Note 1: In determining whether a student is under the influence of drugs or alcohol, the student's appearance/manner, his/her behavior and/or the presence of an alcohol odor, as well as statements made by the student and others as to consumption of alcohol or drugs, will be considered.

During the investigative period, high school students may be suspended from school for up to three school days pending a possible recommendation for expulsion. Once the investigation has been completed, the principal will meet with the student and his/her parent/legal guardian to discuss the results of the principal's investigation and to provide the student the opportunity to present his/her defense to the matter. At the conclusion of that meeting, the principal will inform the student whether he/she intends to proceed forward with the recommendation for expulsion.
- Whenever these offenses are committed, law enforcement will be called and charges (juvenile petition or warrant) will be filed against the perpetrator. Although in some cases, law enforcement's decision whether to press criminal charges for weapons or drugs may require possession of that item on the person, in all such cases the school administrator will still contact law enforcement and file an incident report.
- When these offenses are committed on a school bus or other school vehicle, office of transportation personnel will conduct a preliminary investigation and report their findings to the appropriate school administrator for action. Students who are suspended out-of-school immediately forfeit the opportunity to ride the school buses or other vehicle for the duration of the suspension or until a decision is made otherwise by the principal or the hearing officer.

Discipline of students with disabilities

Suspension and expulsion of students with disabilities under the Individuals with Disabilities Education Improvement Act (IDEA 04) or Section 504 of the Rehabilitation Act will be handled in accordance with the district's procedures to ensure compliance with those regulations.

For students whose behavioral violations are determined by the IEP/IAP committee to be directly related to the student's disability, any suspension or combination of suspensions which exceeds 10 days is considered a change in placement and may not occur.

In such cases, the IEP/IAP committee will determine appropriate behavioral interventions and/or consider the appropriateness of the student's educational placement and need for a change in placement.

Administrators dealing with suspension offenses by students with disabilities will consult the office of special services regarding the suspension of students with disabilities.

Expulsions will be recommended only by the principal/director of the school to which the student is assigned. Procedures to be followed regarding expulsions are specified in board policy, JKE (Expulsion). Expelled students may not attend any event in which a District Five school is participating nor be on any district property during the period of expulsion. Any expelled student who is on district property after school hours for church services, recreational league sports or if it is court ordered (monitored) community service hours must have the prior written permission of the superintendent or his/her designee.

JKD (Suspension) - When suspension of a student is contemplated, the administrator will have a conference with the student. At this conference, the administrator will notify the student of the charges against him/her and if he/she denies them, will explain the evidence the authorities have and offer the student an opportunity to present his/her side of the story. Suspension from school will be construed to prohibit a student from attending any day or night school functions or riding a school bus and from entering the school or school grounds, except for a prearranged conference with an administrator. Notice of the suspension will be sent home with the student, parent/legal guardian will be called and a letter will be mailed to the home address on file with the school.

CODE OF CONDUCT

Code **JICDA-R** Issued **7/09**

In order to maintain an appropriate educational climate, it may be necessary to apply disciplinary sanctions to students, including their removal from the learning environment. These sanctions will occur only for good cause and in accordance with applicable state and federal law.

The following regulations are designed to protect all members of the educational community in the exercising of their rights and responsibilities.

These regulations are effective during the following times and places.

- on school grounds before, during or after school hours
- on school grounds at any other time when the school is being used by a school group
- off the school grounds at any school and/or school-related activity, function or event
- on a school bus or other school vehicle
- at any time or in any place (including off school grounds and during non-school hours) where student conduct has a direct effect on the school's ability to maintain an orderly and safe learning environment including participation in a district-approved technology-delivered course.

Students and parents/legal guardians are encouraged to become familiar with the rules and regulations contained in this booklet. If there are any questions, please talk with the building level administrator or call the district hearing officer.

In determining whether a student has violated the discipline code, the principal or his/her designee will consider all the facts and circumstances of the particular situation and may consider, but will not be limited to, verbal and/or written statements of admission; witness statements from others; video surveillance, et al.

The board of trustees has the authority to approve a one-year pilot plan for any school that alters any consequences for categories 3 and 4. The results of the one-year pilot plan would be reported to the board for consideration of incorporation into the district wide plan.

Harassment, intimidation or bullying

School District Five of Lexington and Richland Counties prohibits any acts of harassment, intimidation or bullying of a student by students, staff and third parties which interferes with or disrupts a student's ability to learn and the school's responsibility to educate its students in a safe and orderly environment, whether such acts occur in a classroom, on school premises, on a school bus or other school-related vehicle, at an official school bus stop, at a school-sponsored activity or event whether or not it is held on school premises or at another program or function where the school is responsible for the student.

For purposes of this policy, harassment, intimidation or bullying is defined by the district as a gesture, electronic communication or a written, verbal, physical or sexual act reasonably perceived to have the effect of either of the following.

- Harming a student physically or emotionally or damaging a student's property or placing a student in reasonable fear of personal harm or property damage.
- Insulting or demeaning a student or group of students causing substantial disruption in or substantial interference with, the orderly operation of the school.

Any student who believes that he/she has been subjected to harassment, intimidation or bullying in violation of this policy is encouraged to file a complaint in accordance with procedures established by the district. Complaints will be investigated promptly, thoroughly and confidentially. All school employees are required to report alleged violations of this policy to the principal or his/her designee. Reports by students or employees may be made anonymously, although disciplinary action will not be taken against any person solely on the basis of an anonymous report.

The district prohibits retaliation or reprisal in any form against a student or employee who has filed a complaint or report of harassment, intimidation or bullying. The district also prohibits any person from falsely accusing another of misconduct as a means of harassment, intimidation or bullying.

The board expects students to conduct themselves in an orderly, courteous, dignified and respectful manner. Students and employees have a responsibility to know and respect the policies, rules and regulations of the school and district. Any student who is found to have engaged in the prohibited actions as outlined in this policy will be subject to disciplinary action in accordance with the district's student behavior code. Any employee who violates this policy will be subject to disciplinary action. The district also may refer any individual who has violated this policy to law enforcement officials. The district will take any other appropriate steps to correct or rectify the situation.

The superintendent or his/her designee will be responsible for ensuring notice of this policy is provided to students, staff, parents/legal guardians, volunteers and members of the community, including its applicability to all areas of the school environment as outlined in this policy. The superintendent or his/her designee will also ensure that a process is established for discussing the contents of this policy with students.

The district's procedures for responding to incidents of bullying/harassment/intimidation are as follows.

- Any student or parent/legal guardian of a student who believes that the student has been bullied, harassed or intimidated in violation of district policy should immediately report such conduct to a teacher, administrator or other school official. The report may be oral or in writing.
- Any school employee who observes an incident of bullying, harassment or intimidation of a student will immediately report the incident to the appropriate building administrator (principal or assistant principal).
- Any school employee who receives a report of bullying, harassment or intimidation should immediately forward the report to the appropriate building administrator (principal, assistant principal).
- An administrator will promptly and thoroughly investigate all such reports and upon completion of that investigation, will notify the parents/legal guardians of all affected students of his/her conclusions and of the corrective action to be taken by the school. This notification will be in writing.
- Corrective action may include the student perpetrator being disciplined in accordance with the student code of conduct, as well as being required to complete program(s) regarding conflict resolution, anger management and/or social interaction skills.

PAGE 3 - JICDA-R - CODE OF CONDUCT

- In any disciplinary incident in which safety is a concern, a student may be temporarily suspended from the bus pending the result of a full investigation. Investigations will normally be completed within three school days. No student will be removed from the bus until a transportation supervisor has made direct contact with the student's parent/legal guardian. Students will have the right to appeal bus suspensions to the transportation coordinator in the same manner as suspensions from school.
- When an out-of-school suspension and bus suspension are adjudicated for an incident, the suspension from riding the bus will begin after the completion of the out-of school suspension

Therefore, students may not use cellular phones, electronic pagers or any other communications devices while on school property during school hours. (Start and end of school will be denoted by the start and end bell.) These items will be seized in accordance with South Carolina Code of Laws Section 59-63-280 and board policy. Students who are determined to be in use of these items will be subject to disciplinary actions as defined by the student code of conduct. PAGE 5 - JICDA-R - CODE OF CONDUCT

PERSONAL PROPERTY: For the purposes of this policy, all property that is not owned by the district/school is considered personal property.

PHYSICAL ASSAULT: Intentionally, knowingly or recklessly causing bodily injury to another person. This does not include in the elementary school a temper tantrum by a child or incidental bodily contact. The principal or his/her designee at the elementary school will make a determination as to whether physical assault has occurred.

POSSESSION: Being in a student's locker, purse, gym bag, backpack or other item carried by or belonging to the student, on the student's person or in a car driven by or occupied by the student or items found in a car parked on school property or at a school sponsored activity. In determining whether a student intentionally or knowingly possessed an item, the principal or his/her designee will consider all the facts and circumstances of the particular incident.

PROHIBITED WEAPON: Knife with a blade over two inches long, a blackjack, a dirk (a stabbing knife such as a switchblade), a metal pipe or pole, metal knuckles, razor, razor blade, martial arts throwing star, BB gun, air soft pistols, pellet gun or any other deadly weapon usually used to inflict personal injury. To determine the length of a knife blade, it will be measured from the tip to where the blade and handle (casing) meet. Box cutters and utility knives containing blades are also prohibited on school/district property.

When a weapon is found in a student's possession, it is up to the school principal to determine if the student's possession was knowing or intentional. If the student maintains that he/she did not knowingly have possession and the explanation is credible to the principal, the student will not be suspended. If the student's explanation is not deemed credible by the principal, policy requires secondary students to be suspended with a recommendation for expulsion. First offense elementary students may receive a suspension depending on the circumstances.

Students who realize they have accidentally brought a weapon such as a knife to school should go immediately to a teacher or administrator and turn it in. If it is clear the student turned the item in immediately upon discovery, the student will not be suspended. Students who delay turning in such an item or who turn in the item only after having been discovered, may be suspended with a recommendation for expulsion.

South Carolina law requires the school to notify local law enforcement officials when a gun or knife with a blade in excess of two inches is found in the possession of a student. Law enforcement officials determine if a student is to be charged and taken into custody.

REPLICA GUN: A device which appears to be an operable firearm and is presented as being a real gun, but which lacks the ability to expel a projectile. Replica guns do not include obvious toy guns.

SEARCHES: School administrators have the right to search a student's purse, gym bag, backpack and any other item carried or possessed by a student, as well as the student's person, pockets or car upon reasonable suspicion. Metal detectors may be used in accordance with board policy. Searches of school property, including lockers and desks, may be conducted in accordance with board policy. Canine searches are also routinely conducted in accordance with board policy.

SEXTING: The act of sending sexually explicit messages or photos electronically, primarily between cell phones or internet.

SEXUAL ASSAULT: Any sexual act directed against another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent. This definition includes forcible rape, forcible sodomy or forcible rape with an object.

PAGE 6 - JICDA-R - CODE OF CONDUCT

SEXUAL HARASSMENT: Unwelcome sexual advances, sexual gestures, for sexual favors and other verbal or physical conduct of a sexual nature where there is a pattern of harassing behavior or a single significant incident. Such conduct interferes with the student's education or creates an intimidating, hostile or offensive school environment. Sexual harassment may include, but is not limited to: verbal harassment, including sexually offensive comments or slurs; physical harassment, physical interference with movement or work; or visual harassment such as sexually offensive cartoons, drawings or posters. Sexual harassment is prohibited against members of the same sex as well as against members of the opposite sex.

SIMPLE ASSAULT: The intentional injury of another person that does not result in the level of injury of a physical assault. In considering whether a simple assault has occurred, the principal or his/her designee will determine the level of injury and the facts and circumstances of the incident.

TRESPASSING: Being on any district property or school campus at an unreasonable hour when not involved in a school activity or present on the campus of a school not enrolled in without authorization. Unreasonable hours in this context include after 11:00 p.m. when the school facility is not in use for an approved activity. Students who are on suspended or expelled status may also be considered as trespassers if they do not have prior express authorization to be on school grounds.

UNDER THE INFLUENCE: In determining whether a student is under the influence of alcohol, inhalants or controlled substances, the student's appearance/manner, their behavior and/or the presence of an alcohol/drug odor or statements made by the student as to consumption may be considered. Because any consumption of alcohol or drugs by a minor is illegal, any consumption, without regard to amount, of alcohol or drugs/controlled substances/inhalants will constitute under the influence for the purpose of this policy. Law enforcement and/or the school nurse, depending upon availability, will assist building administrators in making the determination of whether a student is under the influence.

VANDALISM: Intentionally or recklessly causing damage to or defacing school or personal property or such action causing disruption to the educational process and/or school activities. comment.

Suspension from school or transportation and appeals

Suspension in- or out-of-school will be assigned by the school principal/director or his/her designee according to the procedures specified in board policy JKD (Suspension).

Suspension from riding in a school bus or in other school vehicles will be assigned by the office of transportation. Inappropriate behavior (category 1, 2, 3) on a bus will also involve school assigned consequences.

After a parent/legal guardian is notified in writing of a suspension, the parent/legal guardian has three school days to request an appeal of the suspension. The request for appeal must be in writing and should state the specific basis for the appeal. Suspensions may be appealed as follows.

- To the principal/director if the decision to suspend was made by a school-level designee.
- To the district hearing officer if the decision to suspend was made by the principal/director.
- Bus suspensions may be appealed to the coordinator of transportation.
- In the event that the principal/director determines that he/she has been too involved in the decision to suspend to conduct an impartial hearing, the principal/director may request that the district hearing officer conduct the appeal hearing.

PAGE 7 - JICDA-R - CODE OF CONDUCT

- In cases of eight to 10 day suspensions, if the principal/director holds the appeal hearing and subsequently decides to uphold the suspension, the parent/legal guardian may petition the district hearing officer for a further appeal, provided that such petition is made in writing within three school days of the date of the signed receipt of the decision letter from the principal/director. The petition will state on what basis the parent/legal guardian believes that the suspension was unfair or unwarranted. The district hearing officer will have discretion whether to grant a further appeal and that decision will be final.
- All in-school suspensions and out-of-school suspensions under eight days may not be appealed beyond the school level unless the suspension was initially assigned by the principal. There is no appeal for detentions or lesser consequences beyond the school level.

Whenever a student is suspended, the administrator will schedule a conference with the student's parent/legal guardian within three school days of the suspension. The conference date will be extended beyond the three days only if the parent/legal guardian requests an extension in writing.

After the second in or out of school suspension, the parent/legal guardian may be called in for a student assistance intervention meeting before the student can return to school/class. These meetings may also be held for each student that has accumulated at least one category 2 level offense, two category 3 level offenses and anytime during five to 10 category 4 level offenses. The purpose of the meetings will be to discuss individual student school behavior plans, academic progress and achievement and social awareness. These meetings may be held with the following members present: parents/legal guardians, students, school administration and school counselor/social worker. Although the school counselor and social worker will serve as an advocate for the parent/legal guardian and student, parents/legal guardians are free to have additional support personnel present. A behavior contract also will be signed by a parent/legal guardian and child after the second out of school suspension.

For high schools, suspension days are recorded as unexcused absences. Unexcused absences are counted towards the denial of credit. An attendance make-up program will be offered in the high schools for unexcused absences. No student will be denied credit due to excessive absence solely on the basis of his/her suspensions.

Expulsion from school

Expulsion will be recommended only by the principal/director of the school to which the student is assigned. Procedures to be followed regarding expulsion are specified in board policy JKE (Expulsion). Expelled students may not attend any event in which a District Five school is participating nor be on any district property during the period of expulsion.

Any expelled student who is on district property after school hours for church services, recreational league sports or court ordered, monitored community service hours would have to have the prior written permission of the superintendent or his/her designee.

Law enforcement involvement

All category 1 offenses will result in law enforcement involvement. Some offenses in categories 2 and 3 will also involve law enforcement.

Dismissal of expelled students from the alternative school

Each expelled student accepted at the alternative school will be placed on a behavior contract. The director of the alternative school will have the authority to dismiss any expelled student from the alternative school based upon the student's behavior violations while enrolled at the alternative school. The student and parent/legal guardian will be notified of the dismissal and the reason for the dismissal in writing and may appeal the dismissal to the district hearing officer,

School District Five of Lexington and Richland Counties (see next page)

PAGE 8 - JICDA-R - CODE OF CONDUCT

provided that any such appeal is made in writing within three school days of receipt of the notice of dismissal. All dismissals from the alternative school will be reported to the superintendent.

103. Possession, transfer, distribution, use in any amount or being under the influence of alcohol, marijuana (including marijuana seeds), hallucinogenic drugs, inhalants or any other controlled or illegal substance. Since alcohol consumption is illegal by minors, consumption of any amount of alcohol will constitute a violation of this section. This includes being present on district/school property or at any school-sponsored event after using any amount of these substances (see note 2).

Note 1: In determining whether a student is under the influence of drugs or alcohol, the student's appearance/manner, his/her behavior and/or the presence of an alcohol odor, as well as statements made by the student and others as to consumption of alcohol or drugs, will be considered.

Once the investigation has been completed, the principal will meet with the student and his/her parent/legal guardian to discuss the results of the principal's investigation and to provide the student the opportunity to present his/her defense to the matter. At the conclusion of that meeting, the principal will inform the student whether he/she intends to proceed forward with the recommendation for expulsion.
- Whenever these offenses are committed, law enforcement will be called and charges (juvenile petition or warrant) will be filed against the perpetrator. Although in some cases, law enforcement's decision whether to press criminal charges for weapons or drugs may require possession of that item on the person, in all such cases the school administrator will still contact law enforcement and file an incident report.
- When these offenses are committed on a school bus or other school vehicle, office of transportation personnel will conduct a preliminary investigation and report their findings to the appropriate school administrator for action. The district also reserves the right to prohibit any student from wearing/displaying any article of clothing or accessory which the district has determined to be a gang indicator.

JICFA (Hazing) - For purposes of this policy, state law defines hazing as "the wrongful striking, laying open hand upon, threatening with violence or offering to do bodily harm by a superior student to a subordinate student with intent to punish or injure the subordinate student, or other unauthorized treatment by the superior student of a subordinate student of a tyrannical, abusive, shameful, insulting or humiliating nature."

At this conference, the administrator will notify the student of the charges against him/her and if he/she denies them, will explain the evidence the authorities have and offer the student an opportunity to present his/her side of the story. Suspension from school will be construed to prohibit a student from attending any day or night school functions or riding a school bus and from entering the school or school grounds, except for a prearranged conference with an administrator. Notice of the suspension will be sent home with the student, parent/legal guardian will be called and a letter will be mailed to the home address on file with the school.

JKE (Expulsion) - Expulsion means that the student cannot attend school or be on the school grounds of any school in the district, cannot attend any program at any school in the daytime or at night and cannot ride a school bus.
