EXTRAORDINARY

EXTRAORDINARY

Three Major Challenges:

1. The expectations for our students are greater than ever before.

2. The current economic recession is creating increased stress on many of our residents and businesses.

3. The district faces greater competition now than ever before.

Three Essential Questions:

1. Does this benefit students?
2. Is this fiscally prudent?
3. Will this enhance our competitiveness?

Our Goal:

Keep the “EXTRA” in “EXTRAORDINARY” in Lexington-Richland Five.
