Spring Hill High School will be an ALL Magnet School focused on 21st Century Skills

These skills are required for students to succeed in the workforce and halls of academia in the coming decades. We refer to these as future skills: timeless competencies that will serve the learner in a dynamic, ever changing world.

**Spring Hill High School will be a magnet
school with five focus programs.**

Why 5?

- Attracts a wide range of students
- Addresses the work force needs of the future
- Aligns curriculum with The Center
- Complements the curriculum of the other high schools
- Supports smaller learning communities
