# **Policy KBE ("Relations With Parent Organizations")**

---

January 19, 2016

## **Policy KBE**

Purpose –

To establish the basic structure for Board and District relations with parent organizations.

“The Board has final authority over money raised for school operations. Equipment donated to the school becomes the property of the district. Money raised by non-profit parent organizations for non operational/support activities and items will be managed by the parent organization in accordance with the South Carolina Solicitation of Charitable Funds Act, SC Title 33, Chapter 56.”

## **Proposing to add Administrative Rule – KBE-R**

- To strengthen the Board's ability to document continued compliance with Title IX and other statutory requirements
- To provide for the fiscal and legal accountability of all entities for which the District has legal responsibility
- To provide consistency in financial record keeping and reporting

## **Administrative Rule will specify requirements for:**

- Fundraising
- Managing funds
- Reporting all financial matters to the organization's membership and the District
