State Accountability Model 2018-19 Report Card Results

OCTOBER 14, 2019

Background Information

- School report cards were released on October 1, 2019.
- The 2019 report card model changed slightly from the 2018 model.
- We anticipate more changes to the report card model with 2020 report cards.

Report Card Rating Components

Measurements in the Accountability Model

K-8	Achievement on SC READY & SC-Alt ELA and Math (35-40%)	Student Progress on SC READY & SC-Alt ELA and Math (35-40%)	Achievement on SCPASS & SC-Alt Science and Social Studies (10%)		Student Engagement Survey (10%)	English Learners' Proficiency Progress (10% if applicable)
9-12	Achievement on Algebra I and English I End-of-Course & SC-Alt Tests (25-30%)	Achievement on US History & Biology End-of-Course & SC-Alt Tests (10%)	Graduation Rate (25-30%)	College and Career Readiness Indicators (25%)	Student Engagement Survey (5%)	English Learners' Proficiency Progress (10% if applicable)

Ratings

- All schools received a rating in each of the measured areas as well as an overall rating.
  - Ratings:
    - Excellent
    - Good
    - Average
    - Below Average
    - Unsatisfactory

Findings

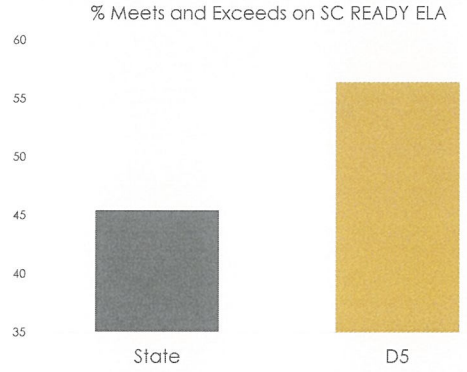

- District 5 **exceeded** the state average in the following areas:
  - The percent of students scoring **at or above the state standard** on SC READY **ELA**, SC READY **Mathematics**, SCPASS **Science**, and SCPASS **Social Studies**
  - **Algebra I**, **Biology**, **English I**, and **US History and the Constitution** EOCEP **pass rates**
  - The percent of students scoring **A or B** on **Algebra I**, **Biology**, **English I**, and **US History and the Constitution** EOCEP

Findings

- District 5 **exceeded** the state average in the following areas:
  - **Graduation Rate**
  - **SAT Participation** and **SAT Total Score**
  - **Advanced Placement Pass Rate**
  - **College** and **Career** Readiness

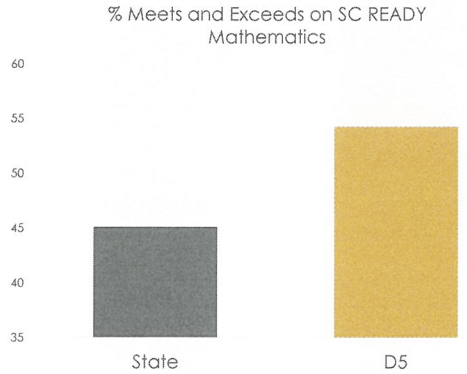

Findings

- The percent of District 5 students scoring **Meets or Exceeds** on SC READY **English Language Arts** was **11 points higher** than the state average.

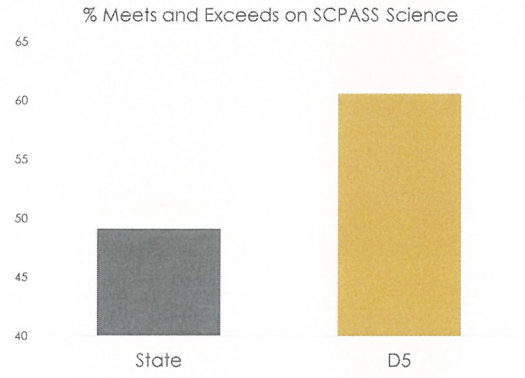

Findings

- The percent of District 5 students scoring **Meets or Exceeds** on SC READY **Mathematics** was **9.2 points higher** than the state average.

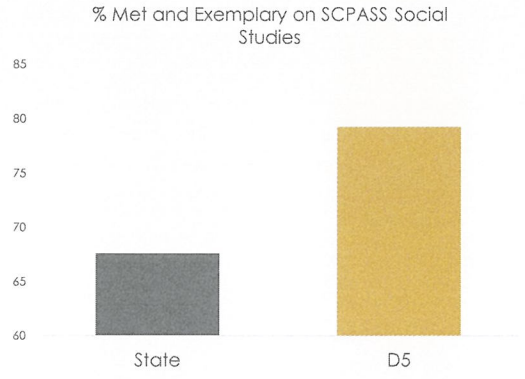

Findings

- The percent of District 5 students scoring **Meets or Exceeds** on SCPASS **Science** was **11.5 points higher** than the state average.

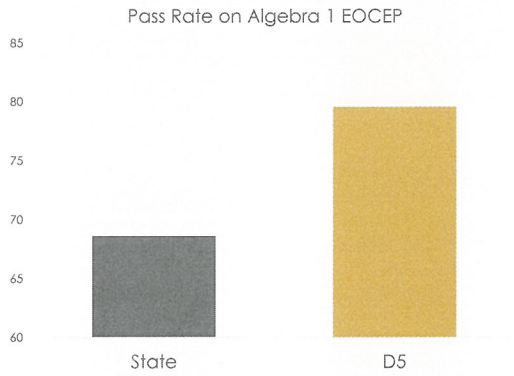

Findings

- The percent of District 5 students scoring **Met or Exemplary** on SCPASS **Social Studies** was **11.7 points higher** than the state average.

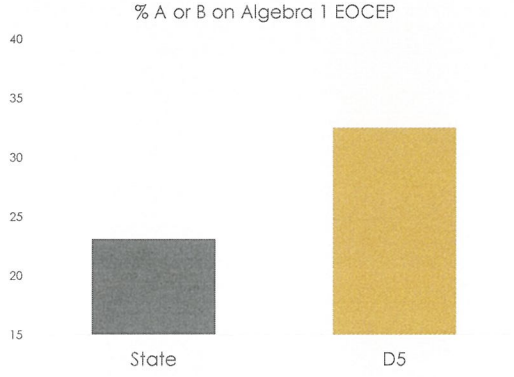

Findings

- The **Algebra I** EOCEP pass rate for D5 students was **11 points higher** than the state average.

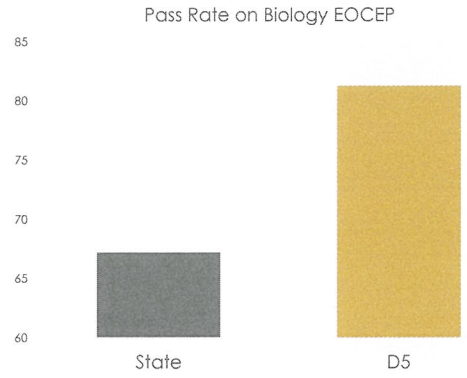

Findings

- The percent of D5 students scoring **A or B** on **Algebra I** EOCEP was **9.4 points higher** than the state average.

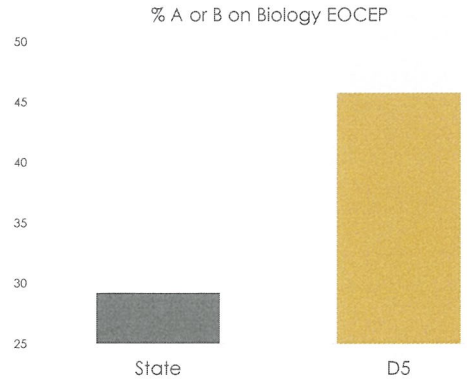

Findings

- The **Biology** EOCEP **pass rate** for D5 students was **14.1 points higher** than the state average.

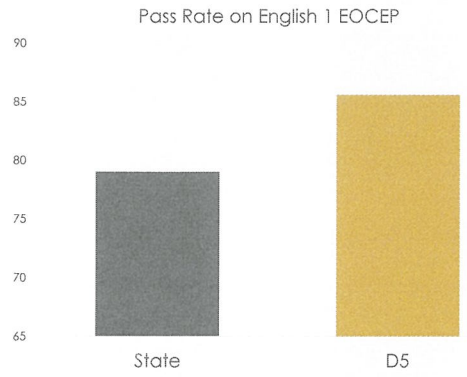

Findings

- The percent of D5 students scoring **A or B** on **Biology** EOCEP was **16.6 points higher** than the state average.

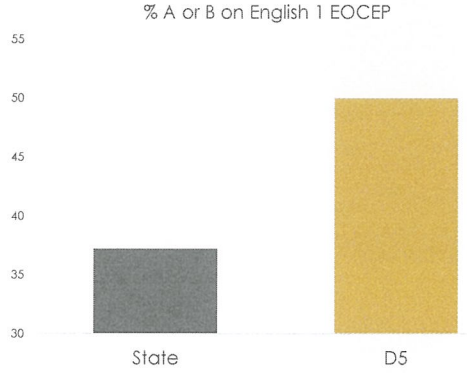

Findings

- The **English I** EOCEP **pass rate** for D5 students was **6.6 points higher** than the state average.

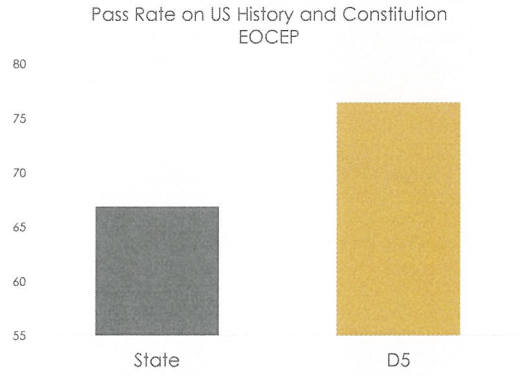

Findings

- The percent of D5 students scoring **A or B** on **English I** EOCEP was **12.8 points higher** than the state average.

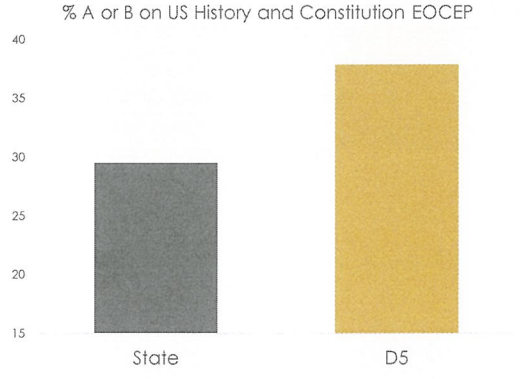

Findings

- The **US History and the Constitution** EOCEP **pass rate** for D5 students was **9.6 points higher** than the state average.

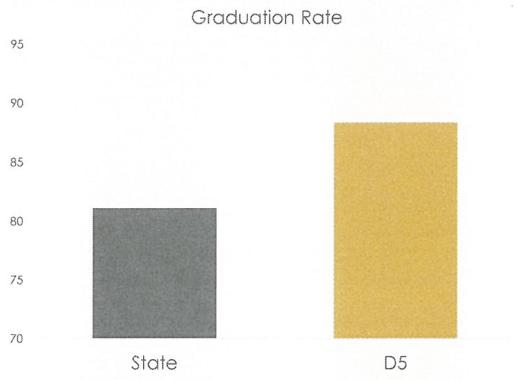

Findings

- The percent of D5 students scoring **A or B** on **US History and the Constitution** EOCEP was **8.4 points higher** than the state average.

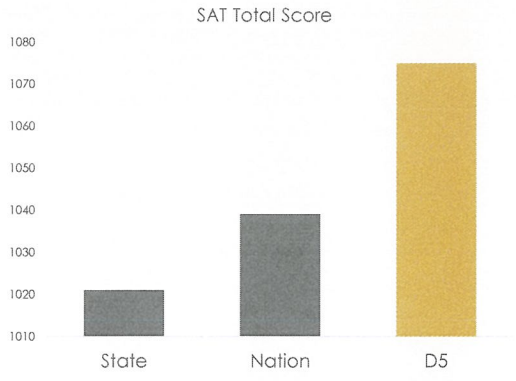

Findings

- The District 5 **graduation rate** was **7.3 points higher** than the state average.

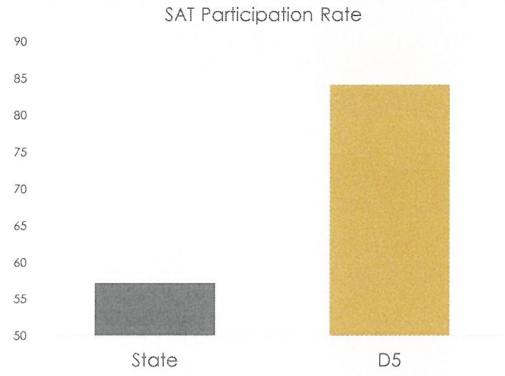

Findings

- The average total **SAT score** of District 5's **Class of 2019** was **54 points higher** than the **state** average and **36 points higher** than the **national** average.
  - The SAT is a college entrance examination taken by more than 2.2 million students in the class of 2019.

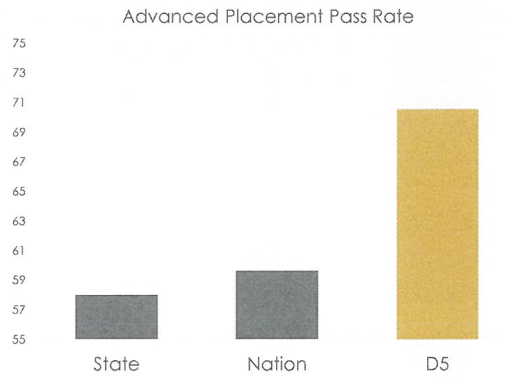

Findings

- The **SAT participation rate** for District 5's **Class of 2019** was **27 points higher** than the **state** participation rate.

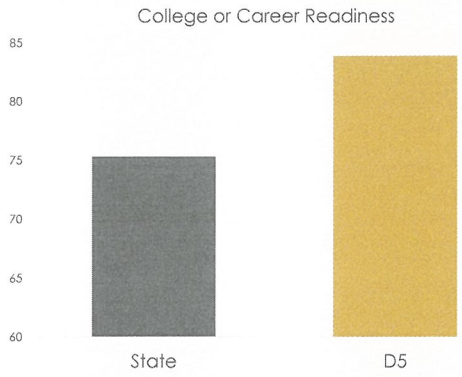

Findings

- The **Advanced Placement pass rate** for District 5 students was **12.6 points higher** than the **state** pass rate and **10.9 points higher** than the **national** pass rate.
  - Advanced Placement (AP) courses are college-level courses taken during high school.
  - Passing an AP exam can earn our students college credit or allow them to advance more quickly to higher-level courses in college.
  - 1,741 D5 students took 3,388 AP exams last year.

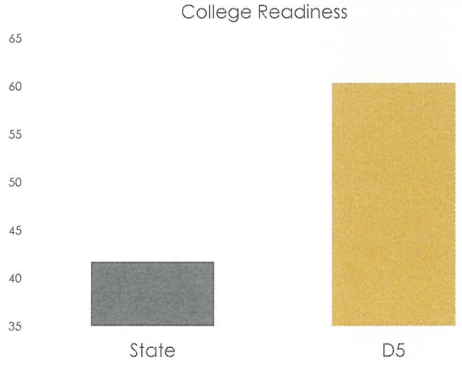

Findings

- The **percentage** of D5 students who were **college or career ready** was **8.6 points higher** than the statewide percentage.

Findings

- The **percentage** of D5 students who were **college ready** was **18.7 points higher** than the statewide percentage.

Ratings

- Key Findings:
  - **9** of our schools **improved** on their **report card rating** this year.
  - **19** of our 21 schools **improved** or **stayed** the same.

Changes to the Report Card Model

- This year, there were changes to two key areas of the report card model.
  - Student Progress (K-8)
  - Preparing for Success (9-12) – U.S. History and the Constitution

Changes to the Report Card Model

- We are anticipating what changes may occur with the report card model next year.
  - Preparing for Success (K-8) – Social Studies and Science testing changes
  - Academic Achievement (9-12) – English 2 EOCEP
  - School Quality (All) – Student Engagement Survey

Next Steps

- School and district leaders have been working with the state to find ways to improve the report card rating system.
- We hope that we will be able to work with state leaders over the course of the next year to refine the system and ensure that it reflects the high quality of work that our students and teachers do every day.

Essential Information

- District Five schools continue to **exceed state and national scores** on a variety of measures.
- Overall, District Five schools' **report card ratings improved** in 2019.
- We are working with the state on changes to the 2020 report card system.
