

A board member wishing to resign his or her board position will submit a written resignation to the board chairman at least 30 days in advance of the effective date. The board chairman will submit the notice of resignation to the board at the next regular board meeting.

All vacancies in the membership of the board of education caused by death, resignation or otherwise, will be filled by a person appointed by the remaining members of the board. The person appointed to fill a vacancy will be a resident of the same district as the member causing the vacancy. Such person will serve until the next election of board members, at which time the remaining unexpired term of the office in which the vacancy occurs will be filled by election.

The board may use any method it chooses, consistent with statute, for nominating persons to fill any unexpired term so long as the selection of the new member is accomplished by a majority vote of the board in open session. The new member will be administered the oath of office at the next meeting of the board.
