"EVERY KID, EVERY DAY"

We aim to create the best possible learning environment for "Every Kid, Every Day" by:

- Building Healthy Relationships
- Emphasizing School Safety
- Fostering a Culture of Engagement

WHAT WE BELIEVE

Monticello Public Schools believe in the power of whole child education. We know the value of textbooks and in-class learning, but we also know the power of relationships, service learning and 21st Century skills.

Monticello is THE place to be

In 2014, Nerd Wallet named Monticello the No. 1 city in Minnesota for young families! The ranking cited the parks, Mississippi River, great business community, and excellent school district. And in 2017-18, Niche named Monticello School District a top-30 district in the state!
