The Superintendent did not cause or allow jeopardy to financial integrity or to public image. Financial Perceptions are near or at all time highs based on our latest scientific random sample survey: a. 74% of our community shares positive feedback about the district's fiscal management b. 85% of our community shares that we are spending effectively/efficiently c. 96% of our community shares that Eden Prairie Schools is a good value/investment. In addition, the board heard incredible strong support for the financial position and status within the community by Morris Leatherman in the Spring 2023 survey. Statement of Assertion: EL 2.8 is reasonable and in compliance. 2.8.1 Furthermore, the Superintendent shall not: Promise or imply permanent or guaranteed employment. Operational Interpretation: I interpret this policy to mean the District shall not hire or retain any employee or promise a potential employee employment with the District whose term and condition of service is not controlled by the Public Employee Labor Relations Act (PELRA), Minnesota State Statute, a Collective Bargaining Agreement (CBA), an At-Will Work Agreement, a contract for services. Justification: 1. No person can be considered an employee and receive compensation for services rendered without Board action. 2. The District maintains the following employer/employee employment agreements that define the terms and conditions of employment for employees: a. Certified Staff (i.e. must hold a license) are subject to PELRA MN Rule 3.855, Minnesota Statute 122A.40 (Continuing Contract Language), and the locally negotiated CBA. b. Classified Staff (i.e. do not generally hold a license) are subject to PELRA, Minnesota Statute, and the locally negotiated CBA. c. Meet & Confer Agreements (non-licensed employees subject to PELRA and not represented by collective bargaining units)

| d. | Meet & Confer Agreements (licensed employees working in positions that do not require a MDE license, subject to PELRA, and not represented by collective bargaining units) | |

| 1. | The District routinely competes for employees with local, regional, and national employers. Therefore, | |
| | it is important that our employee compensation and benefit package remain competitive and yet | |
| | function within available resources. | |
| 2. | The District routinely enters into employment agreements with organized groups or at-will individuals | |
| | via negotiations. Typically, the Administration leads the negotiations process with School Board | |
| | support. The School Board has retained the authority to determine the level of compensation and | |
| | benefits offered to employees, which is referred to in this policy as "board-established parameters." | |
| 3. | The District conducts market place comparisons annually. | |
