month. If the date falls on a weekend or a holiday, the pay day will be the first available business day prior to the holiday or the weekend.

C. Each year of full time military service by a Certificated Employee up to a maximum of four (4) years shall be given credit as the equivalent of one (1) year of teaching experience. If full time service is less than one (1) year, a minimum of six (6) months military service is necessary to qualify for the equivalent of a year of service. The period of probationary successive years of service under a Certificated Employee's Contract, which is a condition precedent to becoming an established Teacher under IC 20-29, is considered uninterrupted for that Certificated Employee; however, this probationary period may not include the time spent in defense service. The above shall apply to all veterans who took the Oath of Allegiance, wore the uniform, served in either combat or non-combat units of a branch of the United States Armed Services and were honorably discharged. No credit previously given in this system for military service shall be reduced as a result of this Contract.

It is understood that sick leave days required to be donated by all participants to the sick leave bank do not cause a Certificated Employee to forfeit this sick leave incentive pay. In addition, Certificated Employees shall receive Twenty Dollars (\$20.00) for all remaining one hundred sixty (160) days deposited onto the last pay upon retirement.

G. Certificated Employees who are employed part-time under a regular Certificated Employee's Contract shall be entitled to all benefits extended under this Contract, provided however, that the Board's contribution towards payment for such benefits shall be prorated based upon the proportion of time the Certificated Employee works as compared to a Certificated Employee working full time. Said Certificated Employee's salary shall be prorated in the same manner. Nothing herein, however, shall cause the reduction of any benefits now received by any Certificated Employee without a corresponding reduction in responsibilities under that Certificated Employee's individual Contract.

H. The Board will pay the cost for a Certificated Employee to have any and all expanded criminal history checks and expanded child protection index checks that are required by the School Corporation or per IC 20-26-5-10. New hires will have to pay for a background check to become an employee of Northeast Dubois.
