

IT'S ALL ABOUT THE Program Data

The IB Middle Years Program has a long history of high academic achievement and rigor. So, who joins the program? How many students apply? How many enroll?

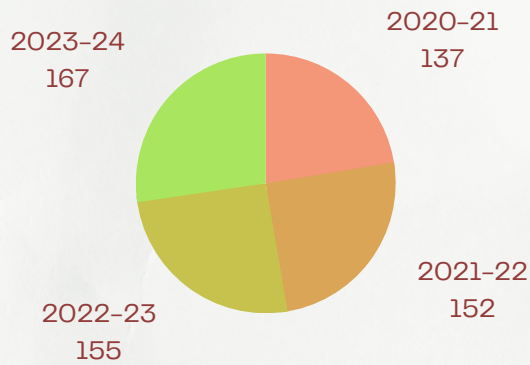

TRANSFERS

Our program is not just for students who have MLHS as their neighborhood school. About 12-18% of our students come from outside SJUSD annually.

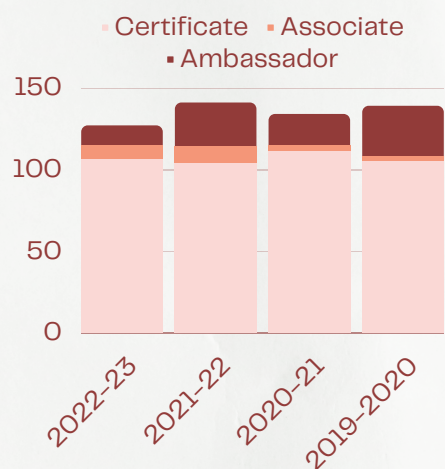

PERSONAL PROJECT COMPLETION RATE

Our pass rate is exceptional for those who complete the project! Students completing and passing their Personal Projects on average...

Applications for the IB Middle Years Program

This includes incoming 9th graders, and 10th grade transfers to MLHS

Certificate students

Students earning the full IBMYP Certificate

Have you ever wondered?

Did you know that some students complete the Personal project, despite to being a certificate or associate certificate student? Pretty awesome!

WCMS RATE:

The number of students that chose to continue their IB experience froming from Winston churchill Middle School varies annually, but on average they occupy 68-79% of the students in the 9th grade program.
