***Budget Hearing***

***and***

***Annual Meeting***

***7:00 p.m., Monday, August 7, 2023  
Wisconsin Dells High School LMC***

*August 7, 2023*

*Good Evening,*

*Welcome to the School District of Wisconsin Dells Budget Hearing and Annual Meeting. Your interest, presence, input and support for our District are appreciated.*

*Wisconsin Statutes 65.90(4) requires common school districts to hold a Budget Hearing in conjunction with the Annual Meeting. The purpose of the Budget Hearing is to provide an overview of the proposed budget and allow eligible electors an opportunity to ask questions.*

*Common school districts are directed by Wisconsin Statute 120.08 to conduct an Annual Meeting in a school building on the 4<sup>th</sup> Monday in August at 8:00 p.m., unless otherwise directed by the electors of the district, but not before May 15<sup>th</sup> or after October 30<sup>th</sup>. The powers of the Annual Meeting are limited to those specified in Wisconsin Statute 120.10.*

*Eligible electors (voters) are residents of the School District of Wisconsin Dells who are 18 years of age or older and who have lived in the District for a minimum of 28 consecutive days, immediately prior to the Annual Meeting. If any person's qualifications as an elector are challenged, the meeting chairperson shall administer the required oath of affirmation. Any challenged person who refuses to take such oath of affirmation may not vote.*

*Robert's Rules of Order will be observed during the Budget Hearing and Annual Meeting to facilitate orderly conduct of business. We ask that electors of the District wait to be recognized by the chair before speaking, and give their name when they wish to address those in attendance. The chair reserves the right to limit debates and limit speakers to given time limits as deemed appropriate. The chair will call for voice votes on motions, and may at the chair's discretion, call for a show of hands. Secret ballots may be requested from the floor.*

*Thank you for attending.*

*Sincerely,*

*Terrance Slack  
District Administrator*

## TREASURER'S REPORT

The revenues, expenditures and ending fund balances depicted in the chart below are un-audited. The District's entire financial operation is audited annually, by an external auditing firm, in August and one of the auditor responsibilities is to finalize revenues, expenditures and ending fund balances in all funds.

The following chart shows the starting fund balance, revenues, expenditures and ending fund balances for each fund in which the District had transactions during the 2021-22 fiscal year:

FUND		07-01-22 (Starting) Fund Balance	2022-23 Revenues	2022-23 Expenditures	06-30-23 (Ending) Fund Balance

## POST-EMPLOYMENT BENEFIT TRUST (73) FUND REPORT

The District established an irrevocable trust in Fund 73, where funds could be deposited, invested and disbursed to cover its current and future contractual obligations to provide post-employment benefits to retired employees. Funds deposited into the trust are designated to cover the "current" or "future" cost of post-employment benefits. As required by Wisconsin Statutes, the Board must invest funds deposited into the trust to cover the future cost of post-employment benefits, on a fee for services basis, with a licensed firm, MidAmerica Administrative & Retirement Solutions, Inc. The District's investment advisor is registered under 15 USC 80b-3, is knowledgeable of school finance regulations, and adheres to the Board's overriding goal of protecting the trust principal.

Wisconsin Statutes require the Board to report the status of the trust to District electors at the Annual Meeting, and include the following data:

<b>Amount in Trust: 06-30-2023</b>	<b>\$3,131,077.26</b>
<b>Return on Investment: 07-01-2022 to 06-30-2023</b>	<b>\$36,562.16</b>
<b>Total Disbursements: 07-01-2022 to 06-30-2023</b>	<b>\$551,092.00</b>

## 2023-24 BUDGET HEARING MESSAGE

---

Each January, the District begins a budget building process that continues through the summer and culminates with the Board of Education approving the tax levy in late October. District employees present budget requests to their respective supervisor or administrator. Requests are prioritized, some requests are eliminated and eventually a budget is established that complies with the statutory revenue limit and meets the educational needs of our students. The Board tentatively approved the proposed budget in July for presentation at this Annual Meeting, but revisions will continue until it receives final approval in late October.

Wisconsin Act 16 established "Revenue Limits" for Wisconsin school districts, beginning with the 1993-94 school year. This legislation established a format for determining the maximum additional revenue a district may receive in state equalization aid, business computer aid and property taxes, with a few permissible exceptions, for Funds 10, 38, 41 and 80.

The 2001-03 State Budget removed Fund 80 from the revenue limit calculation. The proposed budget and tax levy under consideration by the electorate this evening was developed using a revenue limit calculation that was prepared in June. A district's revenue limit is influenced by three primary factors:

1. A three-year average of Third Friday in September Enrollments, plus 40 percent of the FTE summer school membership.
2. The statutory allowable increase in per pupil revenue.
3. The District's prior-year controlled revenue.

### **Revenue Limits = Historical Perspective:**

Since 1993, "revenue limit" statutes have restricted a school board's ability to establish a tax levy that met the local district's program needs. Historically, statutory "revenue limit increases" did not keep pace with wage, benefit and other inflation-driven operational cost increases. In the early years of revenue limits, districts made cuts that did not impinge the educational program, but that has changed over time. For many years now, newspapers have regularly documented school budget cuts, layoffs and revenue limit referendums necessitated by state-imposed revenue limits. The level of cuts needed to create balanced expenditure and revenue budgets has increased annually in most districts and is further exacerbated in districts with declining enrollment.

Numerous factors impact the revenue limit and many are still projections at this point. The calculation can be finalized after the Third Friday Count that occurs in September and general equalization aid is certified in October. The District projects a increase of 29 FTE in its three-year membership average at this time. In addition, the State approved a \$325 increase in the Per Member Change for 2023-24. At this time, following the July 1 Aid Estimate, the District expects a \$34,581 decrease in its General Equalization Aid, but an increase of \$1,882,809 in its allowable revenue limit.

## 2023-24 REVENUE LIMIT CALCULATION - SIMPLIFIED

The following chart reflects the District's projected 2023-24 Revenue Limit calculation. The District anticipates steady enrollment this year, but the official 2023 Third Friday in September Enrollment Count will not be taken until September 15. There could also be additional exemptions applied in the final worksheet. The District's final Revenue Limit will be calculated in October, once all of the final numbers are received from the October 15 Certification of General Aid.

## 2023-24 GENERAL FUND (10) REVENUE BUDGET

The proposed **2023-24 General Fund Revenue Budget** is **\$27,184,141**. This represents a **\$2,046,096 or 8.14 percent increase**. This increase is primarily due to an increase in Local Sources and Federal Sources, due to using ESSER III funds this fiscal year. The chart below compares 2022-23 revenues to anticipated 2023-24 revenues:

**Operating Transfers-In:** This revenue source was formerly used to transfer categorical aid received for 66.30 Special Education Programs operated in Fund 94 to the General Fund. Under current DPI procedures, all special education transactions are now handled within Fund 27.

**Local Sources:** This revenue source includes property taxes, chargeback of property taxes, mobile home taxes, payments for services, building or equipment rental fees, school activity income, student fees and interest on investments. Local sources are budgeted to provide 65.98 percent of the 2023-24 general fund revenue, which is an increase of \$1,789,310 or 11.08 percent. The July 1 preliminary Aid Estimate indicated that our school district is expected to receive a similar amount of Equalization Aid from the state as last year. In addition, the District is also anticipating a decrease in interest received from last year.

**Inter-District Payments:** This revenue source consists primarily of the open enrollment aid transfer. It will provide 3.86 percent of the total 2023-24 general fund revenue, which is a small decrease of \$6,920 or 0.65 percent. The open enrollment revenue is based on applications received from students who live outside of the District to attend SDWD. Also included in this category is tuition revenue received for non-residents attending in the district through tuition agreements.

**Intermediate Sources:** This revenue source includes the transit of grant monies from intermediate sources, such as CESA 5 grant reimbursements. It will provide \$30,837 or 0.11 percent of the total 2023-24 general fund revenue, which is a decrease of \$1,876 or 5.73 percent. The district anticipates receiving CTE grant funds again this year as part of this total.

**State Sources:** This revenue source includes state equalization aid, SAGE/AGR aid, transportation aid, library aid, bilingual aid and per pupil adjustment aid. State sources will provide 21.00 percent of the total 2023-24 general fund revenue, with a decrease of \$408,186 or -6.67 percent. The July 1 Aid Estimate indicates that the District will be eligible for slightly less state equalization aid this year (-\$34,581).

**Federal Sources:** This budget category includes federal grant sources such as IDEA Coordinated Early Intervention Services, Title I A, Title II A, Title III A and Title IV A. It will consume 8.08 percent of the total 2023-24 general budget and is \$ 2,195,976 or 71.24 percent higher than the federal sources revenues in 2022-23. The proposed budget increase is due to using additional funds from its ESSER III funding.

**Other Financing Sources:** This revenue source includes capital leases, revenue generated from the sale of school property, or insurance proceeds for property losses. This revenue category is very small, budgeted to be \$220,257 and provide 0.81 percent of the total general fund revenue in 2023-24. This represents a \$253,640 decrease or -53.52 percent in revenues compared to last year.

**Other Revenues:** This revenue source includes refunds from prior year disbursements. This revenue category will provide 0.16 percent of the total general fund revenue in 2023-24, which is an decrease of \$7,076 or -14.09 percent. These miscellaneous revenues received are a very small portion of the budget and can vary from year to year, and this proposed budget reflects that.

### 2023-24 Fund 10 (General Fund) Revenue Budget

## 2023-24 GENERAL FUND (10) EXPENDITURE BUDGET

The proposed **2023-24 General Fund Expenditure Budget** for the School District of Wisconsin Dells is **\$27,184,141**. This represents a **\$3,251,323 or 13.59%** increase in General Fund expenditures, primarily due to using ESSER III funds, capital projects and transfers to other funds. The 2022-23 General Fund expenditures are compared to the proposed 2023-24 General Fund Expenditure Budget in the chart below:

<i>General (10) Fund Expenditures</i>	<i>2022-23 (unaudited)</i>	<i>2023-24 Budget</i>	<i>Percent of Budget</i>	<i>Dollar Change</i>	<i>Percent Change</i>
<b>Salaries (100)</b>	10,721,046	11,265,698	41.44%	544,652	5.08%

<b>Dues &amp; Fees (900)</b>	76,038	88,647	0.33%	12,609	16.58%
<b>Total</b>	<b>23,988,548</b>	<b>27,184,141</b>	<b>100.00%</b>	<b>3,195,593</b>	<b>13.32%</b>

**Salaries:** This budget category includes wages and salaries paid to all non-special education personnel, including board members, administrators, teachers and support staff. It will consume 41.44 percent of the total 2023-24 general budget and is budgeted \$544,652 or 5.08 percent higher than the salary and benefits expenditures in 2022-23. The proposed budget includes increases for all regular employees and is compliant with Wis. Stat. 111.70 that limits, without a referendum, increases in base wages for municipal employees, which includes school district employees. This budget includes another increase in projected supplemental pay increases for Professional Development unit increases based on criteria in the District's alternative compensation model.

**Fringe Benefits:** This budget category includes employer social security, employer contributions to the Wisconsin Retirement System, life insurance, health insurance, dental insurance, disability insurance, and retirement benefits for non-special education personnel. Fringe benefits for these non-special education employees will consume 18.27 percent of the total 2023-24 budget. It is \$351,429 or 7.61 percent higher than the actual 2022-23 fringe benefit expenditures.

The District's health insurance plan renewal with Dean Health resulted in an increase of premiums for 2023-24 of 7%/9%, depending on the plan. Premiums will be \$635.98 per month for a single HMO plan and \$1,653.55 per month for a family HMO plan. Employees may also opt for a POS plan and the premiums will be \$721.25 per month for a single plan and \$1,875.25 per month for a family plan.

There was a slight (1.1%) increase in the amount of the monthly dental insurance premiums for 2023-24 and a slight increase in the Wisconsin Retirement rate, from 6.80 percent in 2023 to 6.90 percent for 2024, has been announced by the state. Social security, life, disability insurance and Employer contributions to the Wisconsin Retirement System are driven by employee wages. The

recommended budget also includes the benefits associated with the additional projected wage increases and the additional staff positions added.

**Purchased Services:** This budget category includes repairs, service agreements, telephone, fuel for heat and transportation, electricity, water and sewer, postage, printing, maintenance and construction projects and registration fees. Purchased services will consume 14.91 percent of the total 2023-24 budget. This expenditure category will be \$233,811 or 6.12 percent higher than the 2022-23 purchased services expenditures. With the opening of the high school in 2020, there were additional utilities budgeted. Another major area of this budget is open enrollment applications out. The District spends more than \$1,200,000 for resident students attending school in another district, but also receives money back for students who open enroll into the district.

**Non-Capital Objects:** This budget category includes tangible items, such as library books and textbooks, workbooks, audio-visual teaching aids, computer software, paper and instructional supplies. Non-capital objects will consume 4.49 percent of the total 2023-24 budget. It is \$46,656 or 3.98 percent higher than actual 2022-23 non-capital object expenditures. This area of the budget contains increases and reductions based on initial grant budget submissions. This part of the budget also includes custodial supplies, resource adoption materials and non-capital technology hardware.

**Capital Objects:** This budget category includes all equipment that costs more than \$500 and will consume 4.07 percent of the total 2023-24 budget. It is \$551,289 or 99.54% percent higher than the 2022-23 capital object expenditures, due to scheduled or anticipated projects going on this fiscal year. Most of the technology department budget falls into non-capital purchases.

**Debt Retirement:** This budget category includes principal and interest on operational debt and equipment leases. It will consume 0.29 percent of the total 2023-24 budget and is a \$2,899 decrease from 2022-23 expenditures. The proposed budget was developed with the assumption that no short-term borrowing would be necessary and includes lease payments for the District's Chromebook initiative, though the Chromebooks have been purchased outright the past two years, rather than leased.

**Insurance and Judgments:** This budget category includes liability, property, and worker compensation insurance premiums and unemployment compensation. It will consume 1.21 percent of the total budget in 2023-24 and is \$23,349 or 7.66 percent higher than the 2022-23 insurance and judgment expenditures. Insurance costs continue to rise and that is evident in this year's budget.

**Operating Transfers-Out:** This budget category is used to transfer monies from Fund-10 to Fund-27 to cover special education salaries, benefits, open enrollment transfers, out-of-district tuition payments, transportation and the non-salary and benefit expenditures that support special education programs. It is used to transfer monies from Fund-10 to Fund-50 to cover any operational deficits or negative student accounts in the Food Service Program, if one occurs (though this year that will not be necessary). And, the District has a Fund-46 Long Term Capital Improvement Fund, and this is the category used to record the transactions to transfer funds from the operating budget to that fund.

This area of the budget will consume 15.00 percent of the total in 2023-24 and is \$1,180,412 or 40.74 percent higher than the 2022-23 actual expenditures in this area. Both salary and health insurance benefits associated with special education staff are expected to increase. When local expenditures increase in Fund 27 and any local and state revenue increase is not expected to offset those increases, the result is a higher operating transfer out of Fund 10 to cover the remaining deficit. The end of year transfer budgeted to go to Fund 46 for long term capital improvements is also expected to increase.

**Dues and Fees:** This budget category includes dues, entry fees, registration fees, and membership fees and will consume 0.33 percent of the total 2023-24 budget. It is \$12,609 or 16.58 percent higher than the 2022-23 dues and fees.

### 2023-24 SPECIAL EDUCATION (27) FUND BUDGETS

The proposed **2023-24 Special Education (Fund 27) Revenue and Expenditure Budgets** for the School District of Wisconsin Dells are **\$3,570,252**. This represents a **\$ 14,003 or 0.39 percent increase** from the 2022-23 Special Education Budgets. Revenues and expenditures are required to be equal in this fund. Any deficit in operations is offset by an operating transfer from the General Fund (Fund 10). The 2023-24 Special Education revenues and expenditures are expected to be very similar to last year's numbers.

They are compared to the proposed 2023-24 Special Education Budget in the charts below:

<i>Special Education (27) Revenues</i>	<i>Actual 2022-23</i>	<i>Proposed 2023-24</i>	<i>Percent of Budget</i>	<i>Dollar Change</i>	<i>Percent Change</i>

## 2023-24 CAPITAL PROJECTS (40) FUND BUDGETS

Fund 40 includes Fund 46 (Long Term Capital Improvements) and Fund 49 (Other Capital Projects). This year revenues and expenses will be down in this fund, primarily due to the Performing Arts Center nearing completion and most of the activity being accounted for in last year's budget. The proposed total **2023-24 Capital Projects Fund (Fund 40) Revenue Budget** is **\$4,370,196**. This represents a **\$6,991,454** or **61.54** percent decrease from the past year. In addition, at the end of the fiscal year, we are anticipating making a transfer be placed in Fund 46 for Long Term Capital Projects. The proposed **2023-24 Capital Projects Fund (Fund 40) Expenditure Budget** is **\$2,514,937**. This represents an **\$8,057,563** or **76.21** percent decrease. The Performing Arts Center will be completed this fiscal year and is being paid for with a very generous gift from the Nelson Family Foundation.

The charts below compare 2022-23 revenues and expenditures to the anticipated 2023-24 revenues and expenditures:

## 2023-24 FOOD SERVICE (50) FUND BUDGETS

The proposed **2023-24 Food Service Fund (Fund 50) Revenue Budget** is **\$1,242,300**. This represents a **\$21,362 or 1.75 percent increase**. The proposed **2023-24 Food Service Fund (Fund 50) Expenditure Budget** is higher than revenues at **\$1,419,367**. This represents a **\$190,596 or 15.51 percent increase**. All students will continue to receive free breakfast this year through a generous donation from the Wisconsin Dells Education Foundation (WDEF). Since the federal government discontinued paying for student meals last year, more of our revenues have come from local sources (family payments), as opposed to federal sources (government reimbursements). In addition, with food prices expected to stay high for the foreseeable future, overall food expenses are expected to increase. We are also planning to buy several pieces of needed food service equipment this year. Overall, we are projecting a deficit this year in Fund 50 in an attempt to reduce our Fund Balance for food service, as directed by DPI. The charts below compare 2022-23 revenues and expenditures to the anticipated 2023-24 revenues and expenditures:

## STATE AID AND PROPERTY TAXES

The funding formula in Wisconsin was created to give the greatest amount of state aid to those districts with the lowest equalized property value per pupil and the least state aid to those districts with the highest equalized property value per pupil. Wisconsin Dells has a high equalized property value per pupil and receives very little in state equalization aid.

This following chart depicts the non-categorical state aids, Equalization and Special Adjustment Aid, received by the School District of Wisconsin Dells in the last ten years and the aid projection for 2023-24.

## MAJOR FUND DEFINITIONS

---

A fund is an independent account entity that has a self-balancing set of asset accounts, liability accounts and equity accounts. Funds are established to segregate financial accounting of specific activities, in accordance with laws, regulations, restrictions, or limitations.

**General (10) Fund:** The General Fund is used to account for District financial activities for current operations, except those that must be accounted for in separate funds.

**Special Project (20) Fund:** This fund is used to account for activities that are funded, in whole or in part, by federal or state programs that are designed for specific purposes and which require accounting in a segregated fund.

**Debt Service (30) Fund:** Wisconsin Statute 67.11 requires districts to use this fund to account for the debt service tax levy, related revenues and all expenditures for long-term debt retirement. Districts must maintain a separate checking and/or investment account for this fund.

**Capital Projects (40) Fund:** This fund is used to account for financial resources involved in the acquisition of capital objects, construction of major capital facilities or major maintenance projects. Capital projects financed through long-term borrowing or a sinking fund (sec. 120.10 {10}) must be accounted for in this fund. Capital projects funded through other sources of revenue such as gifts, grants, sale of capital objects, etc., may be accounted for in this fund, depending on the circumstances.

**Food Service (50) Fund:** Federal regulations require that the Food Service Fund be accounted for separately. All revenues and expenditures related to Food Service are recorded in this fund. The Food Service Fund may not transfer money to any other fund. Any fund deficit at the end of the year must be eliminated through an operating transfer from the General Fund. Any fund balance must be retained for future use for Food Services.

**Agency (60) Fund:** The Agency Fund (Pupil Activity Fund) is used to account for assets held by the District for pupil organizations. This fund is treated only as balance sheet accounts in the District's accounting system. Separate records of revenues and expenditures are maintained in administering the accounts. This District moved all of its Student Activity accounts out of this fund last year and into Fund 21, as required by GASB 84. As a result, there is no balance in this fund.

**Trust (70) Fund:** This fund includes Fund 72 – Private Purpose Trust Fund, which is comprised of both expendable and non-expendable scholarship monies. It also includes the District's Fund 73 – Employee Benefit Trust Fund, from which all resources, including principal and interest, may only be expended to pay for employee post-employment benefits.

**Community Service (80) Fund:** Wisconsin Statutes 120.13 and 120.61 allow districts to permit use of the District's property for civic purposes and provide community services, such as adult education, community recreation and day care. This fund must be used to account for such activities.

**Package and Cooperative Program (90) Fund:** This fund is used to provide accounting for multi-district projects in which it is necessary to maintain a separate record of revenues and expenditures so that each participating district's share will be determined accurately. Such projects must be covered by a written agreement approved by the school board of each participating district.

## MAJOR FUNCTION DEFINITIONS

---

Function is the purpose for which an object is used or for which a person acts. Function includes the activities or actions that are performed to accomplish specific objectives.

**110 000 Undifferentiated Curriculum:** An instructional situation in which one teacher is responsible for providing instruction in two or more curriculum areas to the same group of pupils, such as a K-5 teacher.

**120 000 Regular Curriculum:** An instructional situation in which a teacher is responsible to instruct a group of pupils in only one curricular area, i.e., a departmentalized approach (grades 6-12).

**130 000 Vocational Curriculum:** A vocational curriculum consists of occupationally related subject matter and related experiences designed to develop the knowledge, skills, attitudes and appreciations that relate to the world of work.

**140 000 Physical Curriculum:** The body of related subject matter and activities in health and daily living such as health education and physical education.

**150 000 Special Curriculum:** A special curriculum consists of courses and other provisions which are different from or in addition to those provided in the usual school program and are provided for exceptional pupils by specially qualified personnel. A subdivision of this sub-function is used to record transactions associated with special educational provisions made for the special type of pupil indicated. Special curriculum provides for special needs children who are gifted and talented and children who are limited as a result of physical, social, cultural, mental or emotional conditions.

**160 000 Co-Curricular Activities:** Co-curricular activities are comprised of the group of school-sponsored activities designed to provide opportunities for pupils to participate in such experiences as athletic events, forensics, etc.

**170 000 Other Special Needs:** Activities to meet the needs of students who are culturally/socially disadvantaged, gifted & talented, non-special education homebound and school age parent.

**210 000 Pupil Services:** Activities designed to assess and improve the well-being of students and to supplement the teaching process such as guidance, nursing and psychologist services.

**220 000 Instructional Staff Services:** Activities associated with assisting the instructional staff in providing learning experiences for students such as library services, instructional staff training and curriculum development. Activities involving supervision and coordination of the special education and athletic/activities programs are also recorded in this area.

**230 000 General Administration:** Activities concerned with establishing and administering policy in connection with operating the school district such as the School Board and Office of the Superintendent.

**240 000 School Building Administration:** Activities of Principals concerned with overall responsibility for a school building.

**250 000 Business Administration:** Activities concerned with paying, transporting, exchanging and maintaining goods and services for the school district, including fiscal and internal services necessary for operating the school. Transactions made for auxiliary services, such as maintenance and operations, food service and pupil transportation, are also recorded within this budget area.

**260 000 Central Services:** This area includes activities that support instructional and support services and are district-wide in nature.

**270 000 Insurance and Judgments:** This function includes liability, property, fidelity and other insurance premiums and judgments.

**280 000 Debt Services:** This area includes payment of principal, interest and processing costs for short-term and long-term loans and capital leases.

**290 000 Other Support Services:** Included in this function are CESA general administration charges and benefits paid to or on behalf of former employees of the District as a part of their early retirement program.

**400 000 Non-Program Transactions:** Non-program transactions include operating transfers from one fund to another to pay obligations of the receiving fund. Payments made to other school districts and CESAs for general tuition and instructional services, for both open enrollment and non-open enrollment students, are also non-program transactions.

### REFERENDUM APPROVED INDEBTEDNESS

This chart depicts outstanding electorate-approved debt incurred by the District for facilities. The dollar amounts represent annual interest and principal payments the District will pay toward each project-obligation in the identified school year. The District makes two payments per year toward each obligation, in March and September. The Fund 39 tax levy amount in this budget will cover the interest and principal payments that will be made in September of 2023 and March 2024.

## DISTRICT ENROLLMENT HISTORY

The District is required to take official enrollment counts on the 3<sup>rd</sup> Friday in September and the 2<sup>nd</sup> Friday in January. Enrollment counts are converted to a full-time equivalency (FTE) count.

The 3<sup>rd</sup> Friday in September count is used in the calculation of a district's revenue limit and both counts are part of the calculation used in determining the amount of state equalization aid a district will receive in the following school year.

## PUBLIC SCHOOL OPEN ENROLLMENT & TUITION WAIVERS

Since the beginning of the 1998-99 school year, students have been able to attend any school district in the state, where space is available, under Wisconsin's public school open enrollment program. In order for students to participate, parents must submit application forms to the non-resident school district between the first Monday in February and the last weekday in April. An alternative application procedure also allows pupils to apply for open enrollment at any other time during the school year, if certain criteria are met.

Wisconsin law also permits a student who moves to another district after the open enrollment application window to continue to attend school in their previous district under what is called a tuition waiver. In some cases, students are able to attend the remainder of a school year and an additional year before having to apply under open enrollment to remain in the non-resident district.

The Department of Public Instruction (DPI) establishes an open enrollment basic transfer amount and transfers that amount of money from the student's district of residence to the district where the student is attending by adjusting the districts' state aid payments. A school district's equalization aid is increased or reduced by the net number of transfers times the basic transfer amount. For the 2022-23 school year, the amount was **\$8,224** per student. The budget presented tonight is based on a **\$8,618** regular transfer amount for the 2023-24 school year.

For 2022-23, the amount of the open enrollment transfer amount for special education students was **\$13,076**. The budget is based on a **\$13,470** transfer amount for pupils with disabilities for the 2023-24 school year. The entire amount is a Fund 10 expenditure, and non-resident districts are not able to recoup additional costs beyond the transfer amount.

The following table shows the "actual" number of students who have participated in the public school open enrollment program and its impact on the District's budget since implementation in 1998-99 and a preliminary estimate for the upcoming school year.

# SCHOOL DISTRICT OF WISCONSIN DELLS

CONNECT ♦ INSPIRE ♦ ACHIEVE  
*Everyone. Every day.*

## Our Vision:

Academic and individual excellence  
for a stronger community.

## Our Beliefs:

- We set high academic standards and expect each student to reach his/her full potential.
- We are committed to the whole child: healthy, safe, engaged, supported, and challenged.
- We embrace our diversity, integrate equitable practices, and believe all students will be successful regardless of race, income, gender, sexual identity and learning differences.
- We partner with families and community to develop informed and responsible citizens.
- We collaborate to support individuals and families.
- We deliver a consistent and rigorous curriculum in every classroom.
- We value adult learning as a key to student learning.
- We pursue innovative ideas, evidence-based practices, and modern technologies.
- We seek to provide physical environments that facilitate high levels of learning and serve the needs of our community.

## MULTI-YEAR STRATEGIC PLAN June 2020

### Core Strategies:

The following four core strategies organize our continuous improvement work at the system and at the school level over the long-term. Our core strategies are further defined and supported by our strategic objectives. We will focus on key performance objectives each year within these identified areas in order to meet our system's mission, vision, and belief statements.

- **STUDENT GROWTH AND ACHIEVEMENT**
- **PROFESSIONAL GROWTH AND LEADERSHIP**
- **DISTRICT AND COMMUNITY ENGAGEMENT**
- **FACILITIES, FINANCE, AND OPERATIONS**

### Strategic Objectives:

#### **STUDENT GROWTH AND ACHIEVEMENT**

Embed *equitable practices*; improve *K-12 literacy*, and graduate students *ready for post-high school success*.

#### **PROFESSIONAL GROWTH AND LEADERSHIP**

Provide *targeted professional development* that reflects our student growth and achievement priorities, and deepen the implementation and consistency of our *professional learning communities*.

#### **DISTRICT AND COMMUNITY ENGAGEMENT**

Initiate an ongoing *stakeholder feedback process* and develop *district communication practices* that promote our community as a great place to live, work and raise families.

#### **FACILITIES, FINANCE, AND OPERATIONS**

Implement a *long-term plan* that ensures *safe, clean, and healthy facilities* and *deliver student-focused services* while maintaining *fiscal responsibility*.

*We live our mission  
and strive for our vision.*
