ACADEMIC AND GRADING INFORMATION

A+ SCHOOLS GRANT PROGRAM

The A+ Schools Program provides financial incentives to qualified A+ students to continue their education beyond high school. A+ students may be eligible to receive reimbursement for the cost of tuition while attending a Missouri public community college or vocational/technical school on a full-time basis for two years. The A+ financial incentive is dependent upon state appropriation from the Missouri General Assembly. This financial incentive will be for the unpaid balance after federal post-secondary financial assistance funds (that do not require repayment) have been applied to college expenses.

The A+ student meets ALL of the requirements below:

- Attend a designated A+ School for three consecutive years (grades 10-12) prior to high school graduation.
- Graduate from high school with unweighted cumulative GPA of 2.5 or higher on a 4.0 scale.
- Graduate with a 95% ADA (Average Daily Attendance) Record for grades 9-12.
- Perform and document 50 hours of unpaid district tutoring or mentoring coordinate through the LSWHS A+ Office.
- Maintain a record of good citizenship and avoid the unlawful use of drugs and alcohol.
- Perform all other duties and obligations required by law to be eligible for and receive the benefits of the A+ program.
- Students must achieve a qualifying score on the Algebra 1 EOC (proficient or advanced) or the math portion of the ACT or COMPASS.
- Misbehavior during tutoring/mentoring time will result in a meeting with the student, administrator and A+ Coordinator. The student may be placed on probation for the remainder of their years as an A+ student. If a second infraction occurs, the student may be removed from the A+ Program. In the case a serious infraction occurs during the tutoring/mentoring time, the student may immediately be deemed ineligible for further tutoring/mentoring.

This is a wonderful opportunity for all students. It is recommended that all students enroll in the A+ School Program and work toward graduating with A+ status. A+ graduates do not have to access the financial incentives immediately; they can use the benefits up to four years after graduation. Graduating with A+ status does not mean one is limited to attending a public community college or vocational/technical school as several colleges and universities offer scholarships to A+ graduates. This program is based upon the availability of state funding.

To sign up for the A+ Schools program, pick up an application from the A+ Office or print one from the A+ website.

ALTERNATIVE METHODS OF INSTRUCTION (AMI)

Beginning in the 2020-21 school year, a new state law allows schools to create a state-approved alternative methods of instruction (AMI) plan to fulfill up to 5 days of time lost in the classroom due to events outside of the district's control including inclement weather, a utility outage, or an out break of a contagious disease where school would otherwise be cancelled. In the event of a cancellation, the district may choose to hold instruction virtually.

Lee's Summit R-7 Schools remains committed to providing students instructional activities and connections to the learning environment during periods of school closures. We are fortunate to be a 1:1 district in which K-12 students have district-issued Chromebooks and R-7 staff have a platform in Schoology to reach students remotely. While virtual instruction cannot replace time in the classroom, Lee's Summit R-7 Schools believes it is critical that we stay connected to our students and continue to provide learning opportunities to the best of our ability. The district's technology department continues to work with families and staff if needs of connectivity and internet accessibility are not being met.

If the decision is made to hold school virtually:

- District communications will be sent to families announcing that school will take place virtually along with reminders regarding how to access instructional materials.
- Every teacher will use the Schoology platform to share lessons, assignments and resources with students.
- Teachers will post assignments and learning opportunities each day by 9 a.m. Teachers will hold daily office hours to guide and assist students. Teachers will communicate with students via email, Schoology Conferences, Schoology Messaging and voicemail which will be updated each day with assignments for students without Internet access.
- Students are expected to access and complete assignments, meet deadlines, engage in the work and communicate with their teachers, peers or parents if they are needing assistance.
- Work must be completed in order for student attendance for the day(s) to be counted.

ACADEMIC LETTER

Any student enrolled in and receiving credit for a minimum of 5 courses during a semester, who has attained at least a 4.0 weighted grade point average during any semester will receive an academic letter. Fall semester qualifiers will be recognized in the spring at the Academic Achievement Awards ceremony. Spring qualifiers will be recognized during the following year's ceremony.

FINAL CLASS RANKINGS AND GRADE POINT AVERAGE (GPA)

Final class rankings will be based on eight semesters of course work.

ACCREDITATION OF SCHOOLS

Schools in the district meet all requirements for Accreditation with Distinction by the Missouri State Department of Education. Lee's Summit West High School programs and facilities are subject to ongoing evaluation as part of the Missouri School Improvement Plan.

ADVANCED STUDIES AND RECOGNITION PROGRAM

The Advanced Studies and Recognition Program offered by Lee's Summit West High School is based on the premise that the school system has a responsibility (1) to challenge highly motivated and academically talented students, (2) to increase students' opportunity for admission to leading institutions of higher learning, (3) to enhance the students' possibilities for receiving placement and credit in college for advanced work completed in high school, and (4) to provide recognition for achievement which will increase the chances of consideration for financial aid toward college.

The Advanced Studies and Recognition Program encompasses the following:

Honors courses

College courses for credit

Advanced Placement (AP)

International Baccalaureate Program (IB)

Courses taken in the Advanced Studies and Recognition Program receive extra weightedness in the grading system. Students enrolled in the Advanced Studies courses receive a weighted value of .50 on a 4.0 scale. Students enrolled in the IB and AP courses will receive a weighted value of 1.0 on a 4.0 scale. Students enrolled in college credit or Honors courses receive a weighted value of .66 on a 4.0 scale. Students enrolled in IB and AP courses are required to take IB/AP exams to receive weightedness in the course.

GRADE REPORTING

Students are issued a six and twelve-week progress report each semester and a final semester grade at the end of each 18-week semester. Students and parents are reminded that the six and twelve-week progress reports indicate the progress of the student at the time the report is issued and that a cumulative grading system is utilized for the semester.

ASSESSMENTS

In order to achieve the purposes of the student assessment program, the district requires all enrolled students to participate in all applicable aspects of the assessment program.

The student will receive progress and semester grade reports on the following dates:

Six Weeks -October 4

Twelve Weeks - November 11

End First Semester - December 22

Six Weeks - February 12

Twelve Weeks - April 5

End Second Semester - May 24

Grade cards are distributed to students during the school day for the first five grading periods only. The final grade card is mailed to the home address.

Grade A - Excellent

Grade B - Superior, Above Average

Grade C - Average

LSW Consistent Grading Practice Policy

Missing Work:

In order to consistently and accurately reflect a student's individual grade in the grade book, all missing work will reflect the grade of "0" whether represented with a number or a code. There are no departmental differences as the grade in the grade book must reflect the current course work at any given point.

Extra Credit:

Extra credit may only be given for work done that pertains directly to the curriculum.

Extra credit should not raise a semester grade more than 4%.

Extra credit opportunities must be offered to the entire class.

Extra credit should not require the purchase of any materials.

Required Projects

Some courses have required projects. A required project is defined as one of such importance that it must be completed if credit for the course is to be given. Failure to complete a required project will result in a semester grade of F.

Honor Roll and Principal's Honor Roll

The honor rolls are figured at the end of each semester. The Honor Roll includes all students who have achieved at least a 3.0 grade point average. The Principal's Honor Roll includes all students achieving at least a 3.5 grade point average. Students should see their guidance counselor or the registrar in the guidance office to obtain an up-to-date grade point average.

LSW "OVERTIME" PROGRAM

The "Overtime" homework detention program is designed to be a student intervention. Students that miss deadlines on given coursework may be assigned detentions with the intent of completing assignments. Students will be given advance notice and will have the opportunity to complete the assignment for partial credit without serving the detention.

TRANSFER STUDENTS WITH CREDIT

It may be necessary to contact the sending school for clarification. The intent is to be fair without penalizing current or newly enrolled students.

For all incoming students, the counselor will evaluate transcripts. Courses that correspond with the LSR-7 high school's weighted courses will be granted the weight they would have received had the courses been taken here.

Because Honors courses are not offered at the 9th grade and 10th grade level, but Advanced Studies courses are offered, Honors 9th grade courses might be considered equivalent to our Advanced Studies courses; however, they must correspond with the Advanced Studies curriculum. This policy will affect any enrolled student and is retroactive for all students.

SCHEDULE CHANGE POLICY

Before the first meeting of a class, schedule changes will not be made unless one of the following criteria is met:

- The student does not meet the prerequisite shown in the course description.
- The student is approved to participate in a work program or to enroll in courses at some other school/college.
- Administrative reasons based on error, class imbalance, course additions, hour changes, vocational school schedule, graduation requirements, clerical assistant, etc.

After the semester begins, schedule changes will not be made unless one of the following criteria is met:

- Student does not meet the prerequisites as shown in the course description.
- Student class placement is inappropriate for ability level.
- Student is approved to participate in a work program or to enroll in courses at some other school/college.
- Administrative reasons based on error, class imbalance, course additions, hour changes, vocational school schedule or graduation requirements.
- If the student does not meet one of the criteria above and drops a class after the 10th school day of the semester, an "F" will be recorded on the transcript and included in the student's GPA calculation.

Students who want to change out of a year-long class at the end of the first semester must meet the following guidelines:

- The teacher, parent and administrator must confer and agree.
- Any student wishing to withdraw from an IB class must meet with the IB Coordinator, counselor, course instructor, and their parent.
- Students who plan to drop an IB course during the testing year must arrange to do so before November 1st to avoid exam fees.
- Student must get “Changing a Year-Long Class at Semester” form from the guidance office.
- Parent, teacher and administrator must sign the “Changing a Yearlong Class at Semester” form.
- Student must make an appointment with their counselor to make the change.

A teacher may request that a student be removed from year-long class at the end of the first semester, based on a conference between teacher and parent concerning student’s academic or behavioral difficulties under the following guidelines:

- Both the parent and teacher must agree to place the student in another class.
- If both parties are not in agreement, an administrator will review the situation.
- If a change is made to another section or subject in the department, the sending teacher is responsible for giving the student’s grade (at the time of transfer) to the new teacher

Change of Teacher

- The teacher and parent must confer about the problem.
- After working on the problem for at least two weeks, the teacher and the student must decide if they can work together.
- The student and parent must request a teacher change.
- There must be a meeting with the student, teacher, parent, counselor, and assistant principal to discuss the problem.
- If a decision is reached to make a change, the student will be placed into a section with available capacity.

ATTENDANCE AND CREDIT

Regular attendance is an important responsibility of the student's life. Poor attendance is the greatest contributing factor to school failure. State law requires attendance accounting. Attendance is recorded on an hourly basis. The school recognizes that there may be lengthy absences due to illness or unusual family circumstances. The administration will be glad to work with individual families to reach an equitable solution to the problem.

ATTENDANCE POLICY

A student shall be allowed no more than nine (9) absences, excused or unexcused, per semester in any one class.

When a student reaches 9 days, the school will send an informational letter to the parents, regardless of prior contact by phone or conference. The letter serves as notification of the number and type of absences by the student in each class.

On the tenth (10) absence in any one class, the student will not earn credit for that class.

Students will have the opportunity to work with their administrator to make up missed time prior to the end of the semester. If a student still has 10 or more absences at the conclusion of the semester, the student will be required to complete an attendance waiver appeal. A waiver to maintain full credit must be submitted by the end of the semester. This waiver should include documentation of illness, funeral, or family emergency from a medical doctor, dentist, minister, or other official source. The waiver should be turned into the attendance office.

The following absences are "examples" of (non-exempt) absences that will count toward the nine-day limit:

Oversleeping	Family vacations
Going "out of town"	Missing the bus
No ride to school	Needed at home
Personal business	Car trouble
Activity camps	Other absences excused by parents
School suspensions (in excess of five days)	
District/state contests or other school related activities in which student is <i>not</i> a participant.	

The following absences are (exempt) and will not count toward the nine-day limit with proper documentation:

Hospitalization	Death in the family
Mandatory court date	College visits
Religious observance	Documented Doctor's appointment
Medically documented illness	Documented Dental/Ortho. apt.
Verified school counseling/office appointment	
School-related activities in which the student is a participant	
School Suspensions (first five [5] days ISS of OSS)	
History of chronic health problems, provided that proper documentation is filed with the Attendance Office or in Health Room.	

APPEAL PROCESS

If the student or parent feels that justifiable or extraordinary circumstances have contributed to reaching the nine-day limit, the student and parent may appeal to the Attendance Review Committee. An appeal form must be completed and filed with the Attendance Office by the end of the semester in which the absences occurred. The review by the Attendance Review Committee shall be held within a reasonable time following the end of the semester. If no appeal request form is received by the end of the semester, then credit is denied. The Attendance Review Committee will consist of at least one administrator, counselor, and teacher. The Attendance Review Committee will consider reasons for all absences, not only those absences above the nine days allowed.

The committee will consider all relevant information including whether:
The appeal form was returned to the attendance office by the end of the semester in which the absences occurred.

- The student has supplied reasons for each absence with appropriate documentation.
- All semester course work was completed as determined by the teacher

The possible outcomes from an appeal include:

- Credit not awarded.
- Credit is awarded.
- Student is assigned make-up time for class time missed; once made up, credit will be awarded.
- Student is placed on probation for the next semester, with credit held pending satisfactory attendance during the probationary period.
- The outcome from the Attendance Review Committee will be communicated to the parents by phone and by written communication.

ABSENCE REPORTING

When a student is absent, the school requires that their parent call the attendance secretary between 7:00 a.m. and 10:00 p.m. at 986-4002 and state the student's name, grade and reason for absence.

- If a parent contact is not received, a phone call will be made to the parents in an attempt to clarify the absence.
- If parental contact has not been made by the next school day, the absence will be classified as undetermined.
- It is the responsibility of the student and the parent to provide information in a timely manner to the attendance secretary to have undetermined absences reclassified within three school days.
- Any undetermined absences not reclassified within three school days will be recorded as unexcused.

MAKE-UP WORK

- Make-up work for all absences is the responsibility of the student. Students are to make arrangements with their teachers for work missed upon return to school.
- One class day for make-up will be allowed for each class day absent.
- For extended absences, a parent can call the office before 9 a.m. on the second day and pick up homework after 3 p.m. the next school day. Make-up work requests need

to be picked up as arranged; unclaimed work will be promptly returned to teachers.

- For unexcused absences, students have the opportunity to make up missed work; however, at the end of the grading period, the student's cumulative grade will be reduced one-percent for each day of unexcused absence.
- Exceptions may be made for long-term assignments, tests scheduled in advance, and/or dual credit (college credit) courses.
- Cumulative absences of ten days or more during a semester could result in reduction or loss of credit.

ACTIVITY ATTENDANCE IF ABSENT

Students must be in attendance a minimum of the last four clock hours of the day to participate in any activity scheduled for that day. Exceptions are granted with administrative approval only. If students come to school and leave during the day for health reasons, they may not return or participate that day in activities without administrative approval. In the event that truancy or suspension of a student takes place, the student will not be eligible for participation until he has fulfilled the established disciplinary requirements.

TYPES OF ABSENCES

- **College Visits:** Juniors and seniors will be allowed verified college visits. These visits are excused absences, but are NOT classified as a school activity when calculating outstanding attendance eligibility.
- **Doctor and Dental Appointments:** Excused with proper documentation. Since dental and doctor's appointments are an important part of any health or hygiene program, LSWHS will honor appointments as follows:
 - Parental permission or appointment cards must be presented at the attendance office prior to leaving school to be classified excused. Failure to make prior arrangements will result in an unexcused absence until verification is received.
 - If the student must leave while class is in session, please notify the teacher prior to the beginning of class.
 - Notification should be made with the attendance office in case of an emergency.
 - Before leaving for a doctor or dental appointment, students must sign out in the attendance office.
- **Driver's Test:** Excused for no longer than three consecutive class periods.
- **Jobs:** Students who work after school have the responsibility to take care of their school obligations, including after-school detention, before being excused each day. Students seeking jobs or participating in job training must do so on their own time. Students will not be excused to look for jobs. Interviews scheduled at a specific time can be met by having a parent make advance arrangements with administration.
- **Trips and Educational Travel:** If any student must miss school for a trip, the following requirements must be met:
 - A parent must make arrangements with the administration of the school for the absence at least two days in advance. This time is necessary to notify teachers.
 - The student will receive one day for each approved day missed to turn in all the make-up work. Students are asked to arrange make-up work prior to the trip. Required projects are due before leaving if it falls due during the absence.
 - Refer to attendance procedures for effects on credits due to absence from school.
 - Parents are encouraged not to schedule vacations immediately following the end of the school year due to possible calendar adjustments from inclement weather.

LATE TO SCHOOL

Any student arriving beyond five minutes past the beginning of school will be assigned as follows per semester.

Five minutes past start of school through midpoint of first hour class:

1st time	Warning
2nd time	2-hour/Parent Contact
3rd time	2-hour/Parent Contact
4th time	4-hour/Parent Contact
5th time	4-hour/Parent Contact
6th time	2 x 4-hour/Parent Contact
7th time	2 x 4-hour/Parent Contact
8th time	3 Days ISS/Parent Contact
9th time	Consequences for 8+ at administration discretion

ATTENDANCE PROCEDURES

- Arrival at school
 - When entering the building in the morning, students should gather all necessary materials for the first period class.
 - Students may go to their first period classroom or to the Commons where they will be allowed to visit and/or study until class time.
 - Only students who wish to study may enter the Media Center before school. The Media Center is a quiet area at all times.
 - Standing in groups in the halls blocks the normal traffic flow and creates the problems of running, pushing, and loud unnecessary talking; therefore, students are to move into rooms and not stand in the hallways.
- Illness during the School Day
 - If a student becomes ill after arriving at school, they must report to the health room with a pass from the current hour's teacher.
 - If the student is too ill to remain in school, the health room personnel will contact the parents/guardian.
 - Communicable Disease Guidelines (see Health Services) will be followed.
 - If the student does not check out through the health room and attendance office, - they will be classified as unexcused. Any classroom work missed must be made up.
- Class Skips

Absence from all or part of a class without authorization from a parent or administrator is classified as a class skip.

 - A parent will be contacted for each incident.
 - The first one-hour class skip will result in assignment of two one-hour detentions.
 - The second one-hour class skip will result in a four-hour detention.
 - Subsequent class skips will result in suspension.

● **Closed Campus**

Students are not allowed to leave school grounds once they have arrived by any means of transportation without authorization from a school official.

- Any student who has scheduled authorization to leave school before dismissal must check out at the attendance office.
- Students in violation of this policy will be assigned an after-school detention and may have their parking permit revoked if they drive off campus.

● **Unexcused Absence from Lunch**

Students failing to be in lunch without authorization from the teacher and/or office will be assigned a four-hour detention. Parents will be contacted. Subsequent skips will result in additional four-hour detentions, in-school suspension, and/or loss of parking permit if the student left campus in their vehicle.

● **School check-in/out**

Students must check in to school at the attendance window if arriving after the tardy bell to first hour. Students must also check out of school at the attendance window if leaving before their regularly scheduled exit time.

● **Early Check-out Finals**

Students and parents are reminded that students are not to check out early at the end of the semester.

- In emergency situations a student may request early check out with administrative approval. Parent contact will be made by the administration.
- Students with approval will be given the opportunity to take their finals on two designated evenings after school during the week of finals.

● **Homebound Student's Attendance On Campus**

Homebound students are not permitted on campus without prior administrative approval. All homebound students, immediately upon entering the building, must check in at the office and receive a "visitor" badge.

● **Truancy**

Truancy is defined as being absent from school for two consecutive daily classes or one or more block classes without authorization from the parent and/or school administration. A parent will be contacted for each incident of truancy from school.

1st truancy	1 four-hour detention
2nd truancy	2 four-hour detentions
3rd truancy	3-day suspension

COLLEGE PREPARATORY CERTIFICATE

The District shall participate in the College Preparatory Studies Certificate Program sponsored by the Missouri State Department of Elementary and Secondary Education.

COMMUNITY SERVICE REQUIREMENT

The service-learning requirement is based on our goal to prepare young adults to become active and productive citizens. We learn by doing, and community service is one means of educating students to be good citizens. The service hours have proven to be beneficial in enhancing students' self-esteem while increasing growth in social awareness and social commitment.

The following community service guidelines were established by the Required Community Service Committee in October, 1991, and are to be utilized as a guide for required community service for graduation.

- Community service is volunteer work for which no other credit or monetary compensation is received.
- Ten hours of community service is a requirement for graduation from high school. A student will not participate in graduation ceremonies or receive a diploma who has not performed the ten hours of community service.
- The required community service for graduation should be completed by the end of the student's junior year.

General Service Guidelines

- Students are responsible for making the necessary contacts to schedule service hours.
- Project ideas are provided in the Habits of the Heart informational pamphlet, available in the guidance office or from the Community Service Coordinator in Room 2048.
- All projects that are not posted must be pre-approved by the Community Service Coordinator; there is no obligation to accept projects that have not been pre-approved.
- Community service cards must be signed by a supervisor present at the project location. All information on cards must be complete.
- Cards will not be accepted with a parent's signature as the supervisor.
- All community service cards must be turned in to the Community Service Coordinator in person for approval. Students will immediately receive a receipt for approved hours submitted for graduation.
- New students who enroll the second semester of their senior year must complete five hours of service if enrolled before the last six weeks of school.
- Projects may be performed in Lee's Summit or outside our city since our community extends to our world.
- Check with the A+ Program and IB Coordinators about specific community service requirements for those programs. Guidelines as to what is accepted differ between each program.

CORRESPONDENCE COURSES

Students interested in correspondence courses should see their counselor. A maximum of four courses (two units of credit) of correspondence work will be accepted toward graduation. Courses must be completed and grades received in the guidance office by May 1. Approved institutions normally ask for a two-week window for grading and posting grades. Students who complete correspondence courses after the May 1 deadline are not guaranteed grades posted before graduation. All requirements must be finished to participate in the graduation ceremony, including correspondence courses.

EARLY GRADUATION

Students who wish to graduate early will be required to meet with a guidance counselor and submit written notification to the principal. The guidance counselor will notify the student's parents or guardians of the student's decision if the student is dependent. The student will receive a diploma the student has met the Lee's Summit R-7 School District's graduation requirements. The student who chooses early graduation will be allowed to participate in the spring graduation ceremonies but will be considered an alumnus for all other activities.

STUDENT PROCEDURES & RESPONSIBILITIES

ASSEMBLY GUIDELINES

School assemblies require mature behavior on everyone's part. Each student assumes additional responsibility when becoming part of a large gathering. Manners are the outward expression of a person's character. Each student is responsible for the following:

- Report to the assigned area and the designated faculty member.
- Take an assigned seat immediately and remain seated until dismissed by the person in charge of the program. The bell is not a dismissal signal.
- All students and staff members are expected to attend all school assemblies unless excused by the administration.
- Students not sitting in their assigned area will receive an after school detention.
- Food or drinks are not permitted in the Performing Arts Center (PAC) or the Field House.

AFTER SCHOOL CAMPUS ACCESS

General supervision of students is not provided by the school after 3 p.m. As a result students not riding the bus home must make arrangements to leave campus by 3 p.m. Students on campus after 3 p.m. must be under the direct supervision of a staff member. Disciplinary consequences may result for unsupervised students found on campus after 3 p.m.

FINES

Students may receive fines for, but not limited to, the following:

- Library – overdue, damaged, lost, stolen materials
- Textbooks – lost, stolen, damages to textbooks
- Classroom materials and school property
- Athletics – uniforms, equipment, trainer supplies
- Extracurricular – fundraising monies, uniforms, other fees
- Cafeteria – food services charges and expenses

All fines must be cleared by the end of the school year in which they were incurred. A student may be prohibited from attending activities including Prom and/or receiving tickets to the school's graduation exercises.

COMMONS/CAFETERIA PROCEDURES

- Students are not allowed to leave the campus during their lunch period.
- Students are not allowed to leave cafeteria during lunch without permission.
- All students are required to go directly to the cafeteria for their lunch shift. Tardiness to the cafeteria will be classified the same as any other tardy.
- Unexcused absences from lunch will result in disciplinary action.
- Students are to remain in the cafeteria until dismissed by the cafeteria supervisor.
- Each student must return their tray, utensils and trash to the designated area.
- When dismissed, students should push chairs under the tables, leave tables clean for the next shift, and proceed to their next class. All trash must be disposed properly.
- Take-out food cannot be delivered to students. Prior approval from the administration must be received for any food brought from the outside.
- All students will be expected to act like young adults during their lunch period. Good manners should prevail at all times. Creating disturbances in the cafeteria or not leaving the table clean will result in a clean-up duty assignment or office referral.

DISTRIBUTION OF MATERIALS

Students may distribute, at reasonable times and places, unofficial material, including but not limited to petitions, buttons, badges, or other insignia. If the district allows students to use its technology resources for non-curricular purposes, any exchange of unofficial material that is delivered or accessed using district technology resources is also subject to this policy.

Students cannot distribute expressions which:

- Are obscene to minors;
- Are libelous;
- Are pervasively indecent or vulgar or contain any indecent or vulgar language
- Advertise any product or service not permitted to minors by law;
- Constitute insulting or fighting words, the very expression of which injures or harasses other people (e.g., threats of violence, defamation of character or of a person's race, religion or ethnic origin);
- Present a clear and present likelihood that, either because of their content or their manner of distribution, will cause a material and substantial disruption of the proper and orderly operation and discipline of the school or school activities, or will cause the commission of unlawful acts or the violation of lawful school procedures.

Anyone wishing to distribute unofficial material must first submit for approval a copy of the material to the principal or designee 24 hours in advance of desired distribution time, together with the following information:

- Name and phone number of the person submitting request.
- Date(s) and time(s) of day of intended distribution.
- Location where material will be distributed.

The grade(s) of students to whom the distribution is intended. Within 24 hours of submission, the principal (or designee) will render a decision.

In the event that permission to distribute the material is denied, the person submitting the request should be informed in writing of the reasons for the denial. Permission to distribute material does not imply approval of its contents by the school, the administration, the Board, or the individual reviewing the material submitted.

OFFICE CONDUCT

Any student in the office for disciplinary reasons is to sit quietly until approached by an administrator or secretary. Failure to behave in a mature fashion while in the office will result in additional disciplinary action.

STUDENT IDENTIFICATION CARD

The school issues a picture ID card to each student for security, identification, library checkout, and activity purposes.

- The picture ID is required to be in the student's possession at all times during the regular school day and at all school sponsored activities.
- Students will be expected to produce it for an employee when requested.
- If lost, a new card must be purchased for \$10 by the student.

TELEPHONE USE

Students should NOT use the telephone during class time. All students involved in after-school activities should make necessary arrangements in advance. In case of emergency, the activity sponsor will provide a phone for the student's use.

CLASSROOM PARTICIPATION

Students are expected to have all materials necessary to participate in class daily.

The following will occur if the student is not prepared to participate:

- 1st Verbal Warning;
- 2nd Teacher Commitment Conference
- 3rd 25-min. Detention and Teacher/Parent Contact
- Subsequent Offenses—Office referral, parent contact and detention assignment.

DISASTER AND FIRE ALERTS

General Student and Staff Instructions for Building Evacuation Plans

- Leave everything on or under desk in classrooms except purses and valuable items.
- Remain seated until dismissed by teacher one row at a time.
- Leave the classroom and building in single file.
- Maintain silence. No talking or visiting during any type of emergency movement. This will make it possible for staff and leaders to give verbal instructions if needed.
- NEVER RUN—move rapidly, but do not run, push or shove.
- Take rosters for roll check.
- Leave the classroom door unlocked but closed.
- Assemble in the designated areas and remain together as a class.
- Remain in the assembly area until called to return to the building, and then return directly to the assigned classroom. Stopping at restrooms, water fountains, etc., is not permitted.

In addition to the above directives:

- Each teacher shall post emergency procedures in the room.
- Each classroom will have a diagram of the evacuation route for fire and tornado emergencies. Students should follow the directions given by the staff and administration, moving quickly and quietly to the assigned areas.
- Every student and staff member must recognize the safety factor and seriousness of drills and situations. Failure to act at the proper moment could mean the difference between life and death. Cooperation and maturity is needed at all times.

LOCKERS

- Each freshmen will be assigned a hall locker with a built-in-combinatoin lock. All other students can request one by contacting the main office
- Students must always keep this locker locked.
- Students are not to reveal the combination to any other student. Items of extraordinary value should not be left in lockers or brought to school.
- Students must use only their assigned locker. School lockers and storage lockers are the property of the school district and are provided for the convenience of students, and as such, are subject to periodic inspection without notice.
- Personal locks may not be maintained on lockers.
- Students should report to the office immediately any locker not properly working.
- Each physical education student will be issued a combination lock for a physical education

locker. The lock must be locked at all times and is to be returned at the end of each semester. All items of value, including calculators, MUST be locked in the PE locker to be secure.

- Consistent with the community's expectations that school officials sustain a safe school environment, the Lee's Summit Schools will cooperate with local law enforcement agencies in conducting periodic unannounced locker inspections, including canine searches.

LOST AND FOUND

Students who find lost articles are asked to take them to the office where the owner can claim them.

PERSONAL PROPERTY

Personal belongings of the student are the sole responsibility of the student. The school and the R-7 School District are not responsible for reimbursement for the loss of personal items. Responsible use of all lockers and personal property, appropriate to the school environment, minimizes risk of loss. Those students who have gym classes should lock their valuables in their gym locker and not leave them in bags on the floor in the locker room. Students should not bring large sums of money or expensive electronic devices to school. Students who have large bags containing sports equipment should not carry them in the hallways during school. A designated location for storage of the bags needs to be set up with the coaches of those sports.

RESTROOM ACCESS

- A student may use the restrooms before, after school and between class periods.
- Everyone using the restrooms is expected to keep them clean. No loitering permitted.
- If a student is feeling ill, they should report to the health room immediately.
- Students must NOT remain in the restroom.

RECORDING OF CLASSES

Creating a video or audio in the school setting is prohibited unless being done so for specific curricular reasons as determined by school officials.

RETURNED CHECK FEE

The District utilizes a recovery service, Re\$ubmitt, to attempt collection of a returned check, when applicable. Re\$ubmitt will represent the check two times to your bank, plus any applicable fees permitted by state law. The Lee's Summit School District will charge a \$25.00 fee if the check remains uncollectible.

SCHOOL VISITORS

- Parents may visit classes under specific circumstances as determined by and with prior administrative notification.
- All visitors, other than parents, will not be permitted unless approved by school administration.
- Anyone other than enrolled students must report to the office immediately upon entering the building.
- Visitors must sign in and receive a "visitor" badge to be worn while in the building. The district discourages parents/guardians or others from using district property or events as places for visiting students and may refuse the use of district property for that purpose.

DISCIPLINE POLICIES & SCHOOL SAFETY

The law provides teachers with considerable authority over the control and education of the child, once the parent sends his or her child to the public schools.

Authority of the teacher is given by law and is not delegated by the parent.

Authority is granted to the teacher by the state as an essential part of teaching responsibility.

The teacher stands in place of the parent when the child is under the teacher's supervision and care.

Student safety and wellness is of paramount importance at Lee's Summit West High School. The staff has been trained in safety crisis management, and the District and building have an established crisis management plan. In addition, LSWHS employs a School Resource Officer and a Campus Supervisor. Any concerns with safety should be reported immediately to an administrator, counselor, or school resource officer.

MISSOURI "SAFE SCHOOLS" ACT

In accordance with Missouri House Bills 1301 and 1298, the "Safe School" legislation provides the following safeguards for the local school district. The act establishes the crime of "assault while on school property" if the person:

- Knowingly causes physical injury to another person; or
- With criminal negligence, causes physical injury to another person by means of a deadly weapon; or
- Recklessly engages in conduct which creates a grave risk or serious physical injury to another person, and the act occurred on school or school district property or in a vehicle at the time of service to the district, or arose as part of a school district sponsored activity. *Assault while on school property is a class D felony.*

Additionally, school administrators are required to report crimes to the proper authorities. When a student allegedly commits a crime, the incident must immediately be reported

to the police and the school superintendent.

A school board is authorized to immediately remove through suspension or expulsion a student upon finding by a principal, superintendent, or the board that such student poses a threat of harm to self or others, based upon the child's prior conduct.

No school board is permitted to readmit or enroll a student who has been suspended or expelled for having committed certain felonies.

School officials have a duty to maintain a proper educational environment that is conducive to learning. Consistent with the community's expectation that school officials sustain a safe school environment, the Lee's Summit R-7 schools will cooperate with the appropriate law enforcement agencies conducting periodic, unannounced searches of lockers and vehicles.

Common Sense Statement

No handbook can contain policies for every possible eventuality. Any action that would create an environment contrary to the District's and school's missions will not be acceptable. If the action creates an environment in which learning is not the primary focus, disciplinary action will result. Students are expected to use "common sense" in making decisions about their behavior choices. Discipline is progressive based on the number of infractions.

DETENTION PERIODS

If a student is scheduled by a member of the high school staff to report for detention before or after school, they must report to that teacher at the prearranged time within three days. If the detention cannot be arranged with the teacher, they must make arrangements with administration.

- Failure to serve a teacher detention will result in assignment of a one-hour after-school detention.
- Failure to serve a one-hour detention will result in assignment of a two-hour detention.
- Failure to serve a two-hour detention will result in assignment of a four-hour detention.
- Failure to serve a four-hour detention will result in three days of In-School Suspension (ISS).
- Missing three four hour detentions will result in the student being placed on disciplinary probation.
- Students are allowed to reschedule one one-hour after school detention and one Four-Hour detention per semester. An administrator must approve all others.

SUSPENSION RULES

The following is a summary of Board of Education policy JGD regarding suspension:

● Authority of Principals

Principals are charged with the basic responsibility for development of regulations regarding student conduct, dress, and appearance as may be needed to maintain proper decorum in schools under their supervision and shall have the authority to suspend pupils from school in accordance with regulations and guidelines established by the Board of Education.

● Suspension or Expulsion

The authority of the Principal, Superintendent of Schools, and Board of Education to suspend or expel students, as provided for in sections 167.161 and 167.171, Revised Statutes of Missouri, shall be exercised only in conformity with the provisions of said statutes and of the rules of the Board governing method and procedure, specification of charges, right of appeal, right to counsel, and of hearing.

Students who violate this provision will be required to leave the activity and may face further discipline, including an additional period of suspension or expulsion. For any suspension ten days or less, the superintendent's or designee's review and determination shall be final.

TYPES OF INFRACTIONS

- **Academic integrity** is defined as the conscious intent on the part of students and staff to honestly and responsibly use original, unique yet informed thoughts, ideas, opinions, and products toward the achievement of personal or professional academic goals. A violation against the Academic Code of Ethics is an act which could deceive, cheat, or defraud so as to promote or enhance one's academic standing. Academic dishonesty also includes knowingly or actively assisting any person in the commission of a viola-

tion of the Code. Students in IB courses are expected to follow the Lee's Summit West International Baccalaureate Academic Honesty Policy. A violation of the Academic Code of Ethics may result in disciplinary action.

Violations could include, but are not limited to:

- Plagiarism—Failure to use original, unique yet informed ideas, thoughts, works, images, or products, with the intent to represent the work of others as one's own.
- Cheating—The willful intent to use sources improperly for personal gain.
- Forgery/Falsifying documents—Counterfeiting documents for personal unwarranted advantage in terms of grades, standardized testing, academic standing, recognition, post-secondary placement, eligibility, and privileges.

Consequences for academic integrity infraction:

- First offense — Zero on the assignment, teacher-parent contact, and administrator-student conference.
- Second cheating offense — Zero on the work, 3-day in-school suspension.
- Subsequent incidents of cheating — Five to ten-day suspension and loss of credit in that course for the semester.
- A student may be ineligible for National Honor Society (NHS).

Acts of plagiarism will be held to those same standards. A student's responsible use of computer hardware and software materials and the academic integrity of school work completed using these resources will be held to the same standard as that for conventional assignments. Students taking IB courses should also reference the IB Academic Honesty policy.

Students involved in such actions will be subject to a 10-day suspension with a possible disciplinary referral to the superintendent. Local law enforcement agencies will be contacted in accordance with Safe Schools Act guidelines.

● **Bullying**

In accordance with state law, bullying is defined as intimidation, unwanted aggressive behavior, or harassment that is repetitive or is substantially likely to be repeated and causes a reasonable student to fear for his or her physical safety or property; that substantially interferes with the educational performance, opportunities or benefits of any student without exception; or that substantially disrupts the orderly operation of the school. The district has jurisdiction over cyberbullying that uses the district's technology resources or that originates on district property, at a district

activity or on district transportation. Even when cyberbullying does not involve district property activities or technology resources, the district will impose consequences and discipline for those who engage in cyberbullying if there is a sufficient nexus to the educational environment, the behavior materially and substantially disrupts the educational environment, the communication involves a threat as defined by law, or the district is otherwise allowed by law to address the behavior.

● **Dress Code/Apparel Expectations**

Lee's Summit West High School expects that all students will dress in a way that is appropriate for the school day or for any school sponsored event. Student dress choices should respect the District's intent to sustain a community that is inclusive of a diverse range of identities. The primary responsibility for a student's attire resides with the student and their parent(s) or guardian(s). The school district is responsible for seeing that student attire does not interfere with the health or safety of any student, that student attire does not contribute to a hostile or intimidating atmosphere for any student, and that dress code enforcement does not reinforce or increase marginalization or oppression of any group based on race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income, or body type/size. Any restrictions to the way a student dresses must be necessary to support the overall educational goals of the school and must be explained within this dress code.

Basic Principle: Appropriate body parts must be covered for all students at all times.

Students Must Wear*, while following the basic principle of Section 1 above:

- A Shirt (with fabric in the front, back, and on the sides under the arms), AND
- Pants/jeans or the equivalent (for example, a skirt, sweatpants, leggings, a dress or shorts), AND
- Shoes.

*Courses that include attire as part of the curriculum (for example, professionalism, public speaking, and job readiness) may include assignment-specific dress, but should not focus on covering bodies in a particular way or promoting culturally-specific attire. Activity-specific shoes requirements are permitted (for example, athletic shoes for PE).

Students May Wear, as long as these items do not violate Section 1 above:

- Hats must allow the face to be visible to staff, and not interfere with the line of sight of any student or staff.
- Religious headwear
- Hooded items of clothing sweatshirts (wearing the hood overhead is allowed, but the face and ears must be visible to school staff).
- Fitted pants, including opaque leggings, yoga pants and “skinny jeans”
- Ripped jeans, as long as underwear and buttocks are not exposed.
- Tank tops, including spaghetti straps; halter tops
- Athletic attire
- Visible waistbands on undergarments or visible straps on undergarments worn under other clothing (as long as this is done in a way that does not violate Section 1 above).

Students Cannot Wear:

- Violent language or images.
- Images or language depicting/suggesting drugs, alcohol, vaping or paraphernalia (or any illegal item or activity).
- Bullet proof vest, body armour, tactical gear, or facsimile.
- Hate speech, profanity, pornography.

- Any clothing that reveals visible undergarments (visible waistbands and visible straps are allowed)
- Swimsuits (except as required in class or athletic practice).
- Accessories that could be considered dangerous or could be used as a weapon.
- Any item that obscures the face or ears (except as a religious observance).

To ensure effective and equitable enforcement of this dress code, school staff shall enforce the dress code consistently. Students who violate the policy will be given opportunities to comply with the dress code. Students who do not adhere to outlined dress code expectations may be subject to disciplinary consequences.

The verbal or written agreement to sell or transfer intoxicants, alcohol, and/or physical or mind-altering chemicals (illegal drugs) or any substance a student represents as a controlled substance on a school property or at school-sponsored activities will result in up to a ten-day suspension and a referral to the superintendent, which could result in a suspension of up to 180 days or expulsion.

School discipline shall be imposed independent of court action. Local law enforcement agencies will be contacted in accordance with Safe Schools Act guidelines. Consistent with the community's expectation that school officials sustain a safe school environment, the Lee's Summit Schools will cooperate with appropriate law enforcement agencies in conducting periodic, unannounced searches requiring the utilization of canine units.

STUDENT TRANSPORTATION SERVICES

The safety of all students riding the bus to and from school is a responsibility we all share. It takes all of us working together to ensure safety: students, parents, bus drivers and school officials. The District has established the student conduct expectations listed below to ensure that all students are transported in the safest environment possible. Students who fail to observe these expectations will be subject to disciplinary action. Their failure to do so may affect the safety of others. Failure to follow bus expectations and regulations may result in suspension of bus riding privileges as well as school consequences depending on the seriousness of the violation.

If you should have any issues or concerns and need to talk with your child's driver, it is best to call the Transportation Office at (816) 986 2400 to schedule a time. If you need to approach the bus please do not step into the bus but instead signal to the driver you would like to talk and proceed to the driver's side window. For the safety of all bus riders, our drivers are instructed to close the entrance door when approached and direct you to their side window. Keep in mind the bus has other stops and a schedule which limits the driver's available time at individual stops. Under Missouri Law, unauthorized entrance on a school bus is trespassing. For the safety of the students we transport, the Lee's Summit School District supports this law and has posted warnings on all buses.

- Must not create a distraction for the driver.

Note: The above only applies to the school bus, each building has their own expectations for usage of mobile electronics. Please contact your school for their specific practice.

No handbook can contain policies for every possible eventuality. Any action that would create an environment contrary to the district's, schools' and transportation department's missions will not be acceptable. If the action creates an environment in which learning, safety, and caring for others is not the primary focus, disciplinary action will result. Students are expected to use "common sense" in making decisions about their behavior choice.

ACTIVITY AND ATHLETIC INFORMATION

ACTIVITY/ATHLETIC PROGRAMS

Clubs are an important part of student life and the school's educational program. Clubs stimulate interest in different fields; provide friendships with others who have the same interest and help promote a feeling of belonging to the school. To keep enthusiasm within the club, the student should support the organization to which they belong. The athletic program provides activities for many different interests and talents. Please contact the Activities Office for further information and eligibility requirements. All students must have a completed physical on file in the Athletic/Activity Director's office in order to participate in any sport. Physicals must be dated on or after February 1st of the previous school year to be current.

MSHSAA ACTIVITY/ATHLETIC PARTICIPATION FEES

The R-7 athletic/activity program goal reflects that student activities and athletics are an integral part of the total secondary educational program because they provide experiences that will help students to acquire additional knowledge and skills, plus they help students gain the attributes of good citizenship.

Students wishing to participate in any high school MSHSAA sponsored activity will be charged **\$50 for yearly participation**. **A maximum participation fee of \$100/family** will be charged for participating in high school activities. Please consult your assistant principal / activities director for any questions or concerns regarding the high school participation fee.

Fee Implementation Guidelines

- The student will not be allowed to participate in an activity/athletics at the high school until the fee is paid in full. It is the intent that all participation fees will be collected at registration. If a student decides to participate in a high school activity later in the school year, students must pay fees in the activities office.
- If a student is cut from a team but has already paid the fee, they will be reimbursed.
- If a student quits or is suspended from a team or performing group after the first scheduled event, no refund will be granted.
- If a student is injured during or after the first scheduled game so that they can no longer compete, the fee will not be refunded.
- Other extenuating circumstances, such as a student transferring to another district prior to the first activity or season or a student being placed on homebound, may be considered by the building administrator for reimbursement.
- Students qualifying for the free lunch program will be exempt from the activity participation fee. Students qualifying for the reduced lunch program will pay 50% of the participation fee. Student/parent should contact the building principal to verify their free or reduced lunch status. Each case will be evaluated independently.

The following standards are for the purpose of assuring fairness to all students:

- Upon promotion from the 8th grade or the highest grade of a junior high school administered as a separate unit within a school system, a student may be eligible only at the public high school located in the public geographical attendance district in which the student's parents/guardians reside, or any nonpublic high school located in the nonpublic geographical attendance district in which the student's parents/guardians reside.
- Any student who chooses to attend a school other than those specified above shall be eligible only at the sub-varsity level in all sports for 365 days from the date of promotion from the eighth grade or the highest grade of a junior high school administered as a separate school system.

Hazing can occur even when all students involved are willing participants. Hazing does not occur when a student is required to audition or tryout for an organization when the criteria are reasonable, approved by the district and legitimately related to the organization purpose.

SCHOOL PRIDE

Every student knows the symbolism of their school colors and the school mascot. Students have heard from graduates and others that Lee's Summit West High School has pride.

What is school pride?

School pride is an intangible phenomenon that is felt, not seen or heard. It is that which makes a building into a school and a crowd into a student body. It is the common bond based on individual pride and mutual respect. It allows everyone to share in the touch down being scored, in the song being sung or in the lines being said. It is felt in the classrooms, in the halls, and in the neatness of and the respect paid to the school. It is what makes this Lee's Summit West High School!

School pride is an outgrowth of participation. Lee's Summit students can develop school pride by supporting all programs of the school, by working activities, by doing a little more than the assigned work, by helping their fellow student, and by setting an example in the community for all to follow. Students get from school what they put into it. Pride is found only in one's heart. When each student has this feeling of pride — of supporting school activities and what the school stands for — Lee's Summit West High School will continue to be an outstanding school.

Everyone can look forward to establishing many new traditions at LSWHS. With each student's efforts and serious purpose, this will be an enjoyable and meaningful school year together.

SCHOOL SERVICES

ACCIDENT INSURANCE AVAILABILITY

The R-7 School District does not have accident insurance on students in the school district. The cost of providing this insurance would be prohibitive. With this in mind, as a supplement to the family's own health insurance, the Board of Education is making available a nominally priced student accident insurance plan. This plan has been offered in the R-7 School District for a number of years and is a contract between the family and the insurance company.

MEDICAID

Annual Notification to Parents

Our School Agency receives funding from the Medicaid Direct Service Claiming (DSC) program for IEP covered services to eligible children through the State's Medicaid agency. This is a state-approved program that allows our School Agency to receive reimbursement from federal funds for providing some health-related covered services to eligible children in our school system. Examples of covered services include speech therapy, assistance with daily living skills, physical therapy, and nursing services. We are required to notify you of our participation and the IDEA regulations stated below.

The School Agency, working with the State Medicaid agency, will need to determine if your child is eligible or should become eligible in the school-based Medicaid program. Your written consent indicates that you understand and agree that the District will submit your child's information to the State Medicaid agency and their authorized agencies to verify eligibility and submit claims for the DSC program. The school may use Medicaid benefits in which a child participates to provide or pay for services documented in the Individualized Education Program (IEP). Parents are not required to sign up for or enroll in Medicaid to receive IEP services or a free appropriate public education, nor are they responsible for any out of pocket expenses for these IEP services. Also, the School Agency's access to these benefits is not allowed if it would have a negative impact on your public insurance.

We will provide the required services to your child at no cost to you whether or not you grant your written consent. Your consent is voluntary and may be revoked at any time. The School Agency's use of this reimbursement program does not in any way affect or impact other Medicaid benefits to which the child is entitled, including any otherwise eligible services out of the school.

HEALTH SERVICES

● Health Room

The school attempts to maintain a safe and healthy environment. A health clerk, trained in CPR and first aid, works under the supervision of the LSR7 registered professional nurses. First aid care will be administered to sick and injured students. In the case of serious illness or accidents, parents will be notified immediately.

- Students who become ill at school should report to the health room with a pass from the current hour's teacher. Any student leaving school early because of illness should check out through the health room.
- Student use of personal cell phones to contact parents during the school day regarding personal illness is discouraged.
- Students will not be allowed to go to vehicles to get medication or go home for medication without permission from an administrator.

47 • Student's prescription medication(s) that are needed during the school day should not be kept in vehicles. (*See prescription medication section.)

- Any medical documentation, including activity restrictions and releases, must be filed with the health room. Any activity restrictions should include the physician's contact information and an end date.

● **Student Allergy Prevention and Response**

Each school will attempt to identify students with allergies, including food allergies. At enrollment, the person enrolling the student will be asked to provide information on any allergies the student may have. For prevention, prepackaged items used in concessions, fundraisers, and classroom activities must include a list of ingredients and nutritional information on the package. If the package does not contain a list of ingredients, the list of ingredients must be available at the location where the package is sold or provided.

● **Latex Balloons**

All Lee's Summit R-7 Schools are a latex-reduced environment. Latex balloons are not allowed in the school buildings.

● **Communicable Disease Guidelines**

It is very important that we prevent the spread of communicable disease. LSR7 follows Missouri State Statute 167.191 – Children with contagious diseases not to attend school. By Board policy, we use the CDC, DHSS, and Jackson County Health Department for guidance of exclusion for communicable diseases and outbreak of a contagious disease. Students must be fever free (<100.4) without the influence of fever reducing medicine for 24 hours before returning to school.

- Students must be free of continuous coughing.
- Students must remain at home until 24 hours after the last episode of vomiting or diarrhea.
- Students must remain at home for 24 hours after taking the first dose of antibiotic for an infection.
- Parents should report communicable illness when reporting the student absent from school.
- Students may be excluded from school if one or more of the following exists: Diarrhea, fever of 100.4 degrees or greater, nursing recommendation based upon physical condition, rash undiagnosed, or unvaccinated students in times of disease outbreaks.

In case of an accident or illness at school, parents will be contacted. Current phone numbers for home and work for both parents are very important. Names and telephone numbers of relatives and/or friends who can assume temporary responsibility for your child until a parent can be reached need to be provided to the school. No seriously ill or injured child will be sent home alone. The telephone number of your child's doctor and dentist are necessary in case of an emergency when a family member cannot be reached and immediate instructions are needed.

- Parents will be notified to pick up their child in the event of illness or serious injury. The general criteria for sending an ill child home will be a temperature of 100.4 degrees, vomiting, diarrhea, severe coughing, and suspicion of a communicable disease or the inability to participate in the normal classroom activity.
- Students must be symptom-free (no fever, no diarrhea, no vomiting) for at least 24 hours without the use of fever-reducing medications, or anti-diarrheal medications before returning to school.

The school nurse cannot assume responsibility for any emergency treatment beyond first aid.

The nurse is not permitted to diagnose and cannot be expected to treat an illness or injury that occurred away from school. A child who is ill (ex: fever, severe cold, vomiting, diarrhea) should be kept home.

● **Required Immunization of Students** (Reference Board Policy JHCB)

- All immunizations must be up to date before any student will be permitted to enroll, pick up a schedule, or attend school.
- It shall be the duty of the parents or guardians of every student entering the school district to furnish the school satisfactory evidence of immunization or exemption from immunization against disease as mandated by Missouri law (Section 167.181.1).
- Satisfactory evidence of immunization shall be a statement, certificate of record from a physician or other recognized health facility, or appropriate personnel stating that the required immunizations have been given to the student and verifying the type of vaccine and the day, month, and year of administration. Sports physicals are not acceptable documentation as a current immunization record.

Medical Exemption

A student shall be exempted from the immunization requirements upon signed certification by a licensed doctor of medicine (MD), doctor of osteopathy (DO), or his or her designee indicating that either the immunization would seriously endanger the student’s health or life or the student has documentation of disease or laboratory evidence of immunity to the disease. The Department of Health and Senior Services form Imm.P.12 shall be placed on file with the school immunization health record for each student with a medical exemption. This need not be renewed annually. The original Medical Exemption Card from DHSS, Imm.P.12 must be on file in the health room.

Religious Exemption

A student shall be exempted from the immunization requirements if a parent or guardian objects in writing to the school administrator that immunization of that student violates their religious beliefs. Religious (Imm.P.11A) and Medical (Imm.P.12) exemptions are allowed. The original appropriate exemption card must be on file. Unimmunized children are subject to exclusion from school when outbreaks of vaccine-preventable diseases occur. This need not be renewed annually; however, if a new immunization becomes required, the original card must be updated.

- **Immunizations in Progress** — Students may continue to attend school as long as they have started an immunization series and provide satisfactory evidence indicating progress is being accomplished within the state-mandated requirements and timelines. An original department of Health and Senior Services form (Imm.P.14) must be completed and placed on file with the school immunization health record of each student with immunizations in progress. Failure to meet the next scheduled appointment constitutes noncompliance with the school immunization law and exclusion shall be initiated immediately.

Administration of Medications to Students (Reference Board Policy JHCD)

The Lee’s Summit R-7 School District is not legally obligated to administer medication to students unless specifically included in a Section 504 Accommodation Plan or an Individualized Education Program (IEP). However the Board recognizes that some students may require medication for

chronic or short-term illness to enable them to remain in school and participate in the district's educational services. Further, the district prohibits students from possessing or self-administering medications while on district grounds, on district transportation or during district activities unless explicitly authorized in accordance with this policy. Therefore, the superintendent, in collaboration with the district nursing staff, will establish administrative procedures for storing and administering medications in compliance with this policy and pursuant to state and federal law. Medications will only be administered at school when it is not possible or not effective for the student to receive the medication at home. The administration of medications is a nursing activity that must be performed by or under the supervision of a registered professional nurse. A registered professional nurse may delegate the administration of medication to a licensed practical nurse or unlicensed personnel who are trained by the nurse to administer medications. The registered professional nurse is responsible for developing written procedures for training unlicensed personnel in the administration of medications and for supervising the administration of medication to students. Nurses must use reasonable and prudent judgment to determine whether to administer particular medications to students while also working in collaboration with parents/guardians and school administration. In carrying out their legal duty to protect the health, welfare, and safety of students, nurses will, when necessary, clarify authorized prescriber orders and respond in accordance with such clarifications.

Medication not within recommended dosage on the package insert or manufacturer's direction shall not be given without consultation/verification by the school nurse with the prescriber, upon which a decision shall be made on the administration of medication. The district should not administer the first dose of any medication. Parents/Guardians are encouraged to arrange to administer prescription medications themselves when possible.

Over-the-Counter Medications

High school students may carry and self-administer legal non-prescription medications that have been listed on the STUDENT MEDICAL INFORMATION FORM and signed by the student and parent/guardian. Over-the-counter medications must be in the original container, taken per label directions, and are not to be shared with other students.

Prescription Medications

The parent/guardian must provide the district with written permission to administer the medication before the district will administer the prescription medication to the student. The prescription label will be considered the equivalent of a prescriber written directions, and a separate document is not needed. Parents/Guardians need to bring the medication to the Health Room according to board policy.

Self-Administered Medications

An authorized prescriber or a student's IEP or 504 team including district nursing staff may recommend that students with a chronic health condition assume responsibility for their own medication as part of learning self-care. The district will allow students to self-administer medication for the treatment of asthma and anaphylaxis in accordance with this policy and law. The district may allow students to self-administer other medications in accordance with law. The district will not allow any student to self-administer medications unless.

- The medication was prescribed or ordered by the student's physician.
- The physician has provided a written treatment plan for the condition for which the medication was prescribed or authorized that includes a certification that the student is capable of and has been instructed in the correct and responsible use of the medication and has demonstrated to the physician or the physician's designee the

skill level necessary to use the medication.

- The student has demonstrated proper self-administration technique to the school nurse.
- The student's parents/guardians have signed a statement authorizing self-administration and acknowledging that the district and its employees or agents will incur no liability as a result of any injury arising from the self-administration of such medication unless such injury is a result of negligence on the part of the district or its employees or agents.

Emergency Medication

All student-occupied buildings in this district are equipped with epinephrine premeasured auto-injection devices that can be administered in the event of severe allergic reactions causing anaphylaxis, and Narcan that can be administered in the event of suspected opioid overdose. These medications will only be administered in accordance with written protocols provided by an authorized prescriber. The school principal or designee will maintain a list of students who cannot, according to their parents/guardians, receive epinephrine. A current copy of the list will be kept with the devices at all times.

Consequences

Students who possess or consume medications in violation of this policy while on district grounds, on district transportation or during a district activity may be disciplined up to and including suspension or expulsion. Employees who violate this policy may be disciplined up to and including termination. District administrators will notify law enforcement when they believe a crime had occurred.

GUIDANCE AND COUNSELING SERVICES

Guidance and counseling is an integral part of the LSWHS total educational program. The Missouri Comprehensive Guidance Plan is followed as a model for implementing this program.

- **Support Services:** Management activities that establish, maintain, and enhance the total guidance program

The student-counselor relationship at LSWHS is one in which a student has freedom to express ideas and feelings in order to gain a more meaningful understanding of their self and their environment. LSWHS counselors are available to assist students and parents in seeking information and examining alternate possibilities in a variety of situations.

LSWHS Registrar's Office is open all summer. Counselors will be available from 8:00 a.m. to 4:00 p.m. prior to the first day of school. During the school year counselors are

The district delivers special education services to students with a variety of disabilities whose needs can range from mild to severe. Services can be delivered in special education classes with specialized instruction, modified curriculum, and small student-teacher ratios. Services are also delivered in the regular classroom through a variety of methods such as CWC classes, paraprofessional support, monitoring, and/or consultation. Students' educational programs are determined by an Individual Education Plan (I.E.P.) and reviewed on an annual basis. Evaluation is provided by the staff to determine if students are eligible for services. Parents/Guardians and students are encouraged to speak with their counselor, administrator, school psychologist, or Instructional Evaluation Specialist for further information.

TEXTBOOKS, EQUIPMENT AND MATERIALS

- All high school textbooks, workbooks and instructional materials are issued by the school on a loan basis and are to be returned at the end of the school year in good condition.
- Each student is responsible for everything in their locker. It is everyone's responsibility to keep their locker locked.
- Any book, equipment or material loaned to a student will be charged to the student's account at replacement cost if it is not properly returned.
- Students requiring financial assistance in paying of fees or costs should see an administrator.

TUTORING

Tutoring is offered for all students before or after school. Students should consult each 52

department's scheduled times. Students may also make other arrangements when needing assistance with coursework based on teacher availability.

LIBRARY MEDIA CENTER

Hours posted in the LMC.

The library media center is an integral part of the evolving school curriculum that is designed to stimulate, encourage, and develop the learning of each student. Since each student is unique, a large and diverse collection is available in the media center to meet their needs. The materials and services encompass all subject areas, ability levels, and the varied recreational interests of faculty and students.

Print and electronic books, periodicals, and magazines form the nucleus for research and recreational reading.

Media Center Access/ Checking Out Material(s)

Students need their pass and picture ID to come to the media center during the school day and to check out library materials. Students are responsible for signing in and out of the media center. The signed log and pass verify the student's presence in the media center. Failure to sign the log may result in disciplinary action.

Media Center Equipment

Any student may use a wide variety of equipment available in the media center. Some equipment will require the student be instructed in its use by the media center staff prior to use.

- Copy machines and windows computers are also available for student use.
 - Students have access to their chromebook at all times, but can use the library computers as needed (when their chromebook needs repair, special printing needs, etc.)

Electronic Device Policy

The possession and use of Electronic Devices (E-Devices) is a privilege, not a right. The school may revoke the privilege of possessing and using E-Devices at any time at its sole discretion. E-Devices include devices used to communicate, receive, send, store, record or listen to voice, text, digital, audio, video, photo, electronic or internet/cyberspace data, images and/or information which shall include, but not be limited to, pagers, cellular phones, iPods, Personal Digital Assistants (PDAs), MP3 players, laptops, portable music players, CD players, game players, cameras, video cameras, GPS, etc. The school is not responsible for lost or stolen E-Devices or any damage to the E-Device, its programs or its contents.

ment or district electronic networks at any time. E-Devices may be used as follows:

- Students may use E-devices for listening purposes in the classroom at teacher discretion, however, any other use will be prohibited in the classroom.
- No camera or video-cable electronic device may be used in the locker rooms or re-

strooms at any time. Students violating the E-Device policy may subject their electronic device to the possibility of confiscation and search by administration in accordance with the law.

- During an emergency situation, it is recommended that all two-way communication devices only be used for emergency communication as instructed by District Administration and/or Emergency Responders. Silencing such devices is also suggested as to not hinder emergency communications that are occurring.
- Publishing or sharing images or recordings of inappropriate conduct (i.e. fighting, harassment) taken in the school environment is not acceptable and subject to disciplinary action up to 10 days OSS.

Special Accommodations/Restricted Access:

Parent/Guardian-Initiated Accommodations: It is the belief of Lee's Summit R-7 School District that every student should be granted equal access to the resources provided by the school district for learning. It is not the districts recommendation that a student be restricted access to any learning resource granted to all other students. If circumstances outside of school call for a student to have limited or restricted access to the districts provided resources, a written request by the student's parent/guardian, in collaboration with a school administrator, must be placed on file with the particular school from which the parent/guardian is requesting the special accommodation. If the request is initiated by parent/guardian, approved by a school administrator, and placed on file with the school's technology department, a student may be granted "as needed only" or "by teacher request only" access to their Chromebook, rather than having it issued permanently to the student.

Administrator-Initiated Restrictions: Noncompliance with the expectations of the Connect2Learn Student/parent/ Guardian Handbook or violation of the District Technology Usage Policy EHB & EHB-AP1 can result in the loss of privilege to use, or restricted access to, district-provided technology as a consequence for misuse or a safety measure with a particular student. If this is the case, a school administrator will collaborate with the student and parent/guardian to make arrangements that may deny or restrict access to the resource in question. The use of technology is a privilege that will continue to be afforded to students who abide by the District's Acceptable Use policy. Other disciplinary actions defined in Board Policy may be applicable.

Students with Disabilities: Lee's Summit R-7 School District is committed that all students will have the tools needed to access the curriculum. The devices that students with disabilities use will be determined individually by their individualized education program (IEP) or other appropriate plan. For some students this may be a Chromebook, and for others it may be a specialized device that allows for access and meets the unique needs of the student. Devices will not be removed and replaced without consideration given to each individual situation. In the case where a Chromebook is not the appropriate electronic device, another type of device will be considered to assist the student in accessing the curriculum.

- Students are responsible for the Chromebook, as well as all media, Internet usage, downloads, file creation, file deletion, file sharing, file storage, and other actions that involve all applications accessed via the Chromebook.

- Students should be aware of what they post online. What they contribute leaves a digital footprint for all to see. Students should not post anything they wouldn't want others familiar and unfamiliar) to see and share.
- It is acceptable to disagree with someone else's opinions; however, it should be done in a respectful way. Students should make sure that criticism is constructive, not hurtful. What is inappropriate in the classroom is inappropriate online.
- Students should be safe online. Students should never give out personal information, including but not limited to last names, phone numbers, addresses, exact birthdates, and pictures, and passwords.
- Students should not respond to any cyber bullying message, should block the person sending the message, and should tell a trusted adult. Stop, Block, and Tell!
- It is recommended students link to websites to support their thoughts and ideas. However, students should be sure to read the entire article prior to linking to ensure that all information is appropriate for a school setting.
- Students should do their own work! Students should not use other people's intellectual property without their permission and be aware that it is a violation of copyright law to copy and paste other's thoughts. It is good practice for students to hyperlink to sources of which they might refer.
- Students should be aware that pictures may also be protected under copyright laws and verify they have permission to use images.
- How students represent themselves online is an extension of themselves. Students should not misrepresent themselves by using someone else's identity.
- If students see inappropriate material that makes them feel uncomfortable or is not respectful, they should report it to a guardian or teacher right away.

- LSR7 Chromebooks will connect to home wireless networks if the wireless network is open or only requires a network key, or passcode, to connect.
- Do not attempt to reconfigure any device settings or operating system defaults, even if home network calls for it.
- Many public destinations now offer free public Wi-Fi to its patrons that can provide the device Internet access away from school. For a current map of free public Wi-Fi in the city of Lee's Summit, please visit connect2learn.lsr7.org.
- LSR7 devices cannot be used with Wi-Fi networks that require installation of networking software, reconfiguration of security settings, or manually assigning an IP address.

Content Filtering:

The district will monitor the online activities of minors and operate a technology protection measure (“content filter”) on the network and all district technology with Internet access, as required by law.

In accordance with law, the content filter will be used to protect against access to visual depictions that are obscene or harmful to minors or are child pornography. Content filters are not foolproof, and the district cannot guarantee that users will never be able to access The district’s content filter will also filter content on student Chromebooks when they not connected to the district’s network and connected to the internet. Because of the nature of the Internet, no content filter is foolproof. Although the contentfilter will provide a degree of protection to the user and the device, the user assumes responsibility for accessing content that is not school-related, whether blocked by the filter at that particular time or not. Disciplinary consequences in accordance with Board policy may occur for attempting to access unauthorized or inappropriate Internet sites. Attempts to disable, reconfigure, or circumvent the content filter is a violation of the Acceptable Use Policy and aforementioned device usage practices as defined above and can result in disciplinary action.

- If a student encounters content which is questionable, a report should be directly made to a LS R-7 LSR7teacher for immediate investigation.
- Parents/guardians Guardians have the ability to monitor the internet activity when the device is at home using the Securly Home App.

Common Sense Statement

No handbook can contain policies for every possible eventualty. Any action that would create an environment contrary to the District's and school's missions will not be acceptable. If the action creates an environment in which learning is not the primary focus, disciplinary action will result. Students are expected to use "common sense" in making decisions about their behavior choices. Discipline is progressive based on the number of infractions.

FOOD SERVICE MANAGEMENT

Meal Charges

All students that attend Lee's Summit R-7 are provided the opportunity to purchase meals at each school cafeteria in accordance with the National School Lunch/Breakfast Program. The following guidelines shall be followed in the instance that a student finds it necessary to charge their meal due to a lack of funds in their-account.

- Parents/guardians are solely responsible for providing their children with meals, either through money to purchase meals at school or by packing a meal from home
- If for any reason a parent/guardian cannot afford to provide a meal for their child, they can apply for Free and Reduced meal benefits. A hard copy application may be printed from our district website at: www.leessummitschoolnutrition.com. Applications (in most languages) are available. A household may also apply for free and reduced meals online at: www.heartlandapps.com.
- Parents/guardians are encouraged to deposit money in their student's meal account by accessing our nutrition online payment portal at: www.myschoolbucks.com to make sure adequate money is readily available to purchase school meals. This will eliminate the need for parents/guardians to send money with the child each day. Parents/guardians can also deposit money by sending a check or cash directly to the school or with their student in an envelope with the student's ID number, name and amount of deposit.

Notice

At the beginning of each school year, a copy of this procedure will be provided to every parent/guardian in the district as required by law. In addition, a copy of this procedure, along with information about free and reduced price school meals, will be provided to the parents/guardians of all students who enroll after the beginning of the school year. A copy of this procedure will also be provided to all building administrators, staff responsible for collecting payment for meals at the point of service, staff involved with notifying parents/guardians about account balances, school social workers, nurses, counselors, the district liaison for homeless children and youths, and any other staff who regularly assist students in need. A copy of this procedure will also be posted on the School and Nutrition Services website, and information about charging meals will be included in the student handbook.

Employees: Employees will not be allowed to charge meals.

Students

- Students may not charge à la carte items. Students are expected to pay for à la carte items prior to or at the time of receipt.
- A student with money in hand will not be denied a meal even if the student has past due charges. Cash may be used to purchase a meal or ala carte items.
- Students will not be identified, singled out, shamed or punished by the district for the failure of their parents/guardians to pay for or provide meals, and the district will not withhold student records in violation of law.

Interventions

The district will provide the following notifications when a student/employee reaches specific unpaid meal charges:

- After a student accumulates five dollars (\$5.00) of unpaid meal charges, School Messenger will notify household of negative account balances not more than two times per week.
- Nutrition Services will provide administration a list of student charges on a weekly basis.

District employees are mandated by the state of Missouri to report any instances of suspected abuse or neglect to the Children’s Division (CD) of the Department of Social Services. District personnel will report to the CD any instance where a student’s arrival at school with no provision for food leads to a reasonable cause to suspect neglect.

Additionally, the district will provide the following interventions via the principal and/or counselor:

- Meet with the student to assess to the extent possible whether the student or the student’s family is experiencing hardships, barriers or other circumstances with which the principal or counselor could assist.
- Make repeated attempts to contact the parents/guardians to inquire about any assistance that might be needed to complete the free and reduced price meals application, discuss the situation and any other concerns the principal or counselor may have after meeting with the student, provide other resources as applicable and resolve the situation.
- Provide other resources as applicable.

Notifications to Parents/Guardians

The district will provide timely notification to parents/guardians when account balances run low (when applicable) and when account balances include unpaid charges. Parents can sign up for free at www.myschoolbucks.com to receive email alerts for low balances.

Debt Collection

• Delinquent Debt

Unpaid meal charges will be considered a delinquent debt 90 days after notice that charges are due when no payment or payment plan agreement has been made. Unpaid charges will be considered delinquent as long as the district determines the debt is collectible and efforts to collect the debt are ongoing. The district will make reasonable efforts to collect delinquent debt, including turning over unpaid meal charge balances to a collection agency when the superintendent or designee determines such action is in the best interest of the district. The district’s Nonprofit School Food Services Account (NSFSA) funds may be used to cover the costs of reasonable efforts to collect delinquent debt, including costs associated with using a collection agency.

- **Bad Debt**

When the district determines that collection of delinquent debt is impossible or too costly, the debt will be reclassified as bad debt. Bad debt is debt that will be written off as an operating cost. These costs must be restored using nonfederal funds. NSFSA resources may not be used to cover any costs related to bad debt. Instead, local funds will be used to cover the costs.

- **End of Year Negative Balances**

By law, Nutrition Services is not allowed to pay for bad debt. Therefore, each school will pay for their student's outstanding meal charges at the end of each year. Parents/Guardians will be required to repay the school when the following year enrollment is conducted

- **Donations**

The district accepts donations from individuals or groups to help students and their families clear delinquent meal debt. Except as provided in Policy KH, donations for delinquent meal debt can be made to the Nutrition Services Angel Fund or to individual schools. Donations are accepted at Nutrition Services (702 SE 291 Highway, Lee's Summit, MO 64063) or at the school's cafeteria.

- **Refunds**

Any student accounts with positive balances at the end of the school year will be automatically carried over to the next school year. If requested, the balances will be refunded to the account owner. Students who will be graduating or have left the district will have account balances refunded to the account owner or transferred to another student account at the request of the account owner. Requests for refunds should be submitted to NutritionServices, 702 SE 291 Highway, Lee's Summit, MO 64063, Telephone: 816-986-2200.

Unclaimed Funds

All refunds must be requested within 90 calendar days of the last day of the current school year. Unclaimed funds (under \$5.00) for graduated seniors will be refunded at each school's cafeteria prior to the last day of the regular school year. After 90 calendar days from the last day of the current school year, unclaimed funds of students no longer enrolled, will become the property of the Lee's Summit R-7 Nutrition Services Angel Fund.

- **Records**

The district will maintain detailed records pertaining to delinquent and bad debt, including:

- Evidence of efforts to collect unpaid meal charges.
- Evidence that collection efforts fell within the time frame and methods established by this procedure.
- Financial records showing when delinquent debt became bad debt.
- Evidence that funds written off as bad debt were restored to the NSFSA from nonfederal sources.
