

# EVERY DAY; EVERY MONTH

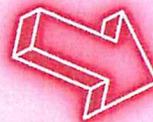

## 95% ATTENDANCE IS OUR GOAL

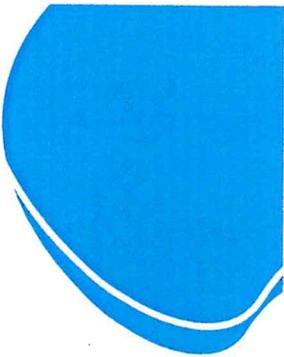

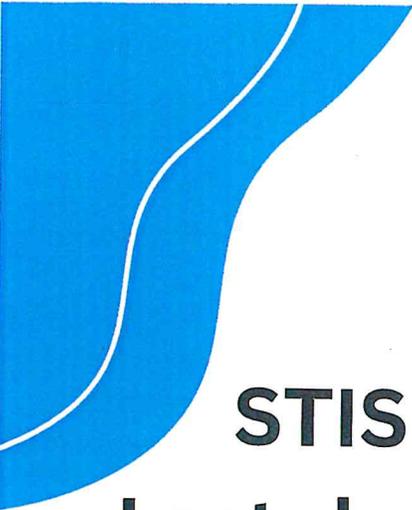

### How can you help?

*You are an important part of your child's education.*

- Have a backup plan for getting your student to school
- Let the school know if you need support with your child or other factors that may be making attending school difficult
- Plan vacations when school is **NOT** in session (especially during the holidays)
- Call and verify absences, or verify on Parent Square
- Schedule appointments after school when possible
- Check your child's attendance
- Communication is KEY
