Any voluntary contract extensions must be specified within awarded contract and must be of a specified number and duration. Contracts with automatic or evergreen contract extension terms will not be considered. Applicant may consider contracts with flexible terms to allow for growth/reduction in services to accommodate an increase/decrease in number of sites, users, and/or bandwidth. The District will not respond to phone inquiries. All questions must be submitted in writing to bagron7@outlook.com. Questions and responses and any clarifications will be posted on E-rate EPC portal site via an Addendum. It is prospective Respondents responsibility to check USAC website or District website for Form 470 updates and/or any Addenda or Bidder questions and answers. A new Form 470 and bidding process is not required. All details how to respond to Form 470/RFP are specified in attached RFP. District reserves the right to reject all proposals. Service Providers submitting proposals in response to this FCC Form 470 must be in compliance with rules and orders governed by Federal Communications Commission. Failure to be in compliance and remain in compliance may result in denial of discount funding, and/or cancellation of funding commitments, and/or could result in civil or criminal prosecution by law enforcement authorities. Service Providers submitting proposals must be in full compliance with USACs Free Services Advisory www.usac.org/sl. Any offering of free services must be clearly identified in service providers bids. Service Provider invoicing to USAC must be completed within 120 days from last day of service. Should Service Provider fail to invoice USAC timely, Applicant will only be responsible for paying its non-discounted share.
