ABOUT GRAND CANYON UNIVERSITY

Grand Canyon University is Arizona's premier, private Christian university. We help students find their purpose by offering next-generation education with 292 academic programs across nine distinct colleges. In Fall 2020, GCU had over 22,000 ground students* on our vibrant campus in the heart of Phoenix and over 90,000** online students join our innovative and collaborative virtual learning community.

Spanning 275 acres, GCU's campus continues to grow with new residence halls, academic buildings, popular eateries, student support resources and amenities, as well as state-of-the-art athletic facilities like GCU Stadium, the Canyon Activity Complex and more. GCU offers generous scholarship opportunities to make a private education affordable and invests in revitalizing the community with a commitment to making a difference.

* Includes all students who attend ground campus classes (traditional and cohort) who have a last date of attendance of three weeks after the start of the Fall 2020 semester for traditional students, or in the last two months of Q1 for cohort students.

** Includes students who have participated in an online class in August or September 2020 and does not include students in a cohort program.

CAMPUS SCHOLARSHIPS

At Grand Canyon University, we offer generous scholarship opportunities to help make a private Christian education affordable. The average campus student pays \$8,900* in annual tuition, which reduces overall tuition by nearly half. We have proudly maintained this traditional campus rate for 13 years and our frozen tuition will continue to remain steady in 2022-23.

In 2020, GCU's campus students received over \$157 million in scholarships. To maintain a GCU-funded institutional scholarship each year, students must be an admitted campus traditional undergraduate student and meet scholarship requirements. The following GCU-funded academic scholarships are renewable annually and can be locked in for up to four years for most programs. Visit gcu.edu/CampusScholarships for more information.

Transfer, GAP Year and High School International F-1 Visa Students

Students who are enrolling with GCU and are not eligible for the high school academic scholarship program (enrolled at GCU the semester following high school graduation), or students who are attending with an International F-1 Visa may be eligible for a transfer scholarship. A transfer scholarship is based on a student's unweighted high school GPA, their cumulative college transfer GPA if they have six or more college credits, or their ACT/SAT scores. ACT/SAT scores require a minimum 2.5 unweighted high school GPA.

Award	Annual Amount	High School Unweighted GPA	ACT+ (with 2.5 unweighted high school GPA)	SAT+ 1600 Scale (math and reading only test date after March 1, 2016)*	Cumulative Transfer GPA (6-23 credits)	Cumulative Transfer GPA (24+ credits)

* Average tuition after scholarships is approximately \$8,900. Scholarships may be awarded based on 6th semester transcripts. At the time in which final, official transcripts are received, GCU reserves the right to rescind or modify the scholarship if it is determined that eligibility was not achieved. GCU reserves the right to decline scholarship awards for any reason. If a student does not meet the minimum renewal criteria, their scholarship will be forfeited. GCU reserves the right to change scholarship awards at any time without notice. Prices based on 2020-21 rate and are subject to change.

** The Chancellor award is the only scholarship level that requires an unweighted GPA for eligibility. There are a limited number of Chancellor awards and they are available on a first-come, first-serve basis.

* If the student is admitted based on ACT or SAT, they will need a minimum unweighted high school GPA of 2.5 to be awarded the scholarship.

* If the students test date was before March 1, 2016, please find more information on requirements at gcu.edu/CampusScholarships.
