

What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that families can use at home
- Explain how families and teachers can communicate about student progress
- Describe opportunities for families to volunteer, observe, and participate in the classroom

Jointly Developed

The families, students and staff of MES developed this School-Parent Compact. Teachers suggested home learning strategies, families added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs.

Families are welcome to contribute suggestions at any time.

If you would like to volunteer or participate, please contact Kim Lydon at klydon@pierce.k12.ga.us or (912) 807-0084.

Communication about Student Learning

MES is committed to frequent two-way communication with families about student learning and success. Some of the ways you can expect us to reach you are...

- Newsletters & emails
- ParentSquare
- Notes sent home in agenda
- Parent Teacher Conferences
- Progress Reports/Report Cards
- Current grades & attendance in Infinite Campus
- MES FaceBook
(www.facebook.com/midwayelementary) & the school website

To make an appointment with your child's teachers, contact the teacher by phone (912) 807-0084 or email.

Building Partnerships

Midway Elementary School offers many opportunities for families, teachers, and students to build partnerships throughout the school year.

Such opportunities include...

- Open House
- Parent Cafes
- Annual Title I Extravaganza
- Volunteering/Mentoring
- Parent Teacher Conferences
- Math/ELA Parent Workshops

Revised May 19, 2023

Reading/Language Arts

Focus Area

Oral Reading Fluency

In the 2nd grade classroom, we will...

- Provide families with strategies for increasing oral reading fluency on newsletters and through email.
- Provide library books and a daily reading log to record reading for comprehension at home.
- Provide families a book-in-a-bag to read nightly and timed to build reading fluency.

As a parent, I will...

- Regularly read aloud to my child, modeling good fluency practices provided by the teacher.
- Listen to my child read daily and record his/her reading on a daily reading log.
- Read the book-in-a-bag with my child daily and record time read to help my child build their reading fluency.

As a student, I will...

- Bring home newsletters with strategies for increasing oral reading fluency.
- Practice oral reading strategies while reading every day in library books or books sent home by my teacher.
- Read my book-in-a-bag nightly and use reading strategies to build my reading fluency.

2023-2024 District Goals

The Pierce County School System will increase the percentage of students scoring at the Developing level or above in English Language Arts on the Georgia Milestones End of Grade (EOG) Assessment.

The Pierce County School System will increase the percentage of students scoring at the Developing level or above in Math on the Georgia Milestones End of Grade (EOG) Assessment.

2023-2024 School Goals

Reading:

By the end of the 2023-2024 school year, the percentage of students scoring at or above the mean score on the NWEA Map Growth Reading assessment will increase by 5% for all grade levels.

Math:

By the end of the 2023-2024 school year, the percentage of students scoring at or above the mean score on the NWEA Map Growth Math assessment will increase by 5% for all grade levels.

Math

Focus Area

Addition & Subtraction Fact Fluency

In the 2nd grade classroom, we will...

- Provide Eureka Math materials and guides for students and families.
- Share fact fluency/mental math strategies with families through weekly newsletters.
- Provide families Math fact fluency strategies and practice in the homework packet each week.

As a parent, I will...

- Review Eureka Math materials and guides with my child found in the homework packet.
- Review emails and weekly newsletters to learn specific fluency strategies taught and encourage my child to use those strategies to learn unknown facts.
- Review Math facts daily and celebrate increases in fluency with my child.

As a student, I will...

- Share and review the Eureka Math materials and guides with my family.
- Complete math homework practicing basic facts each week using strategies provided by my teacher.
- Complete fact fluency practice each night.
