IN CASE YOU MISSED IT

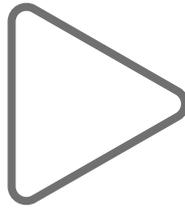

Clinton County Health District Training

40 of our team members attended CPR and First Aid Training and we would like to thank the Clinton County Health District for providing us with this service.

Succeed and Lead

The Succeed and Lead site has been created to share services and newsletters from the Southern Ohio ESC Teaching and Learning Team

facebook

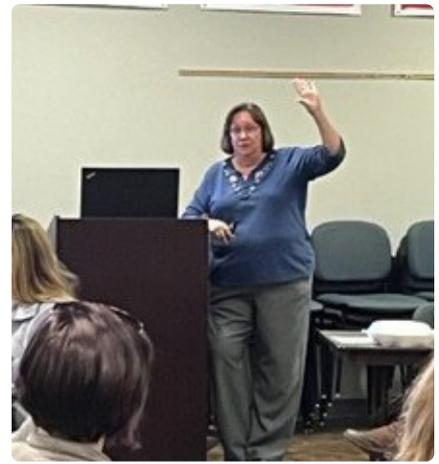

RESA Newsletter

RESA has begun! Read our new Resident Educator October newsletter to find out the latest on this program and what Southern Ohio ESC and Brown County ESC are doing to support our educators! Read the FULL newsletter here: bit.ly/REOctober

Parent Conference

SST held Parent Conference on October 12th at Region 14 Hopewell Center. There were 37 family members in attendance. Medicaid and Mental Health resources were shared. Debbie Mickey, SST Literacy Consultant, presented on Literacy and Heather Mullenix, Lynchburg-Clay Curriculum Director, shared information on Functional Behavior Assessments and Behavior Intervention Plans. All participants had a good evening learning together and networking with one another.

Report Card Information Session

Region 14 is hosting a report card information session on October 17, 2023, in person at Hopewell from 9:00 - 11:30. Our presenters will be Rachel Wakefield & Andrea Spitnale from the Department.

Please complete registration for the session using [this link](#). This form also has a space to submit questions you'd like to have answered. Your questions will be shared with the presenters prior to the report card information session on October 17th.

PRESCHOOL AUTISM TRAINING SERIES

OCALI and SST 14 will provide training focused on understanding the diverse needs of young children with ASD. This series is intended for teams working with students with ASD.

Training Dates

September 22, 2023

October 20, 2023

December 1, 2023

9:00 a.m. - 3:00 p.m.

Participants will receive **30 Ohio Approved Hours** for SUTQ

Day 1: Sensory Processing: Implications for Behavior & Learning

To be able to successfully support young children with ASD, it is important to understand the characteristics of Autism Spectrum Disorder in order to support their development.

Interventions, strategies, and supports will also be shared to support underlying characteristics of ASD. Participants will gain an understanding of sensory processing challenges and the impact it can have on the child's ability to play, learn and participate in activities. Participants will learn environmental modifications and intervention strategies to support sensory challenges.

Day 2: Communication

Communication is the foundation for all learning and interactions. This session will focus on how to develop and implement communication supports including assistive technology.

Day 3: Social-Emotional Competence, Play & Friendship Skills

Being able to develop the ability to interact socially can be one of the most challenging aspects of life for individuals with ASD. This session will introduce how to acquire and build social competence skills for young children with ASD, and how to implement interventions that can help develop social competence, play and friendships.

Ideally, participants will consist of the following student support team members:

- Early Childhood Intervention Specialists
- Special Education Directors/Preschool Administrator
- Paraprofessionals
- Related Service Providers
- Family Members

**Teams will need to submit district parent permission form
and
Autism Team Profile**
