Interviewer :What do you think about the current state of the school?

Mr.Mosgrove; Gilbert Elementary is fantastic,and you know why?

Interviewer; Why?

Mr.Mosgrove: Gilbert Elementary has some of the best teachers,paras, Cafeteria,and custodians, that I have ever seen.It is a great group of adults.They have nothing more than just a well being of the kiddos.

Interviewer: Did you make any changes that you think will work out?

Mr.Mosgrove: I've made quite a few changes actually at Gilbert then last year.One change for example is clearing the halls of clutter and putting on daily light music ,if you notice the hallways are different from the grade you were in last year. There was a lot in the hallways and no music was playing. All of the change has allowed calmness

Interviewer :What do you think about the boys v.s girls candy donation and are you worried the girls are winning?

Mr.Mosgrove;Well,at his point when I looked out as is about 5 minutes ago the boys looked like they were catching up to the girls,so that means I will be a good winner anyways and I will be a good loser If I have to sit down and get pied in the face i'll call it a win.

Interviewer:How do you feel about this school so far

Mr.Mosgrove; Love it, I get here every morning about 10 to 6,sometimes right around 6 o'clock,I typically leave around 3:30 to 4 o'clock.And the best part of my day is being in this school,and I am really enjoying it.

Interviewer:Why did you want to be a principal?

Mr.Mosgrove:I had a time in my life when I was in 4th grade going in to the 5th grade I had very very troubling hard time in my personal life with my family,it was a situation where I had a lot of bad things happening to me.I was only a 4th grader.The one person who allowed me and pulled me up and mentored me and even took me fishing was the principal of my elementary school.He knew that I was going through some really bad things at home,he knew it.So he knew I had someone to lean on.He was that person.So I have never ever forgotten Clint Stevens.
