WOLFPACK ATHLETIC UPDATE: FALL 2023 ISSUE 10

FLAG FOOTBALL

While 2023 is the inaugural season for girls' flag football, one would be hard-pressed to see a more thrilling, gut-wrenching, and exhilarating game than last Thursday's final CCC game between Atwater and Livingston High. With El Capitan beating Merced earlier in the day, a Pack win over Atwater would secure a three-way tie between Livingston, Atwater, and Merced for the first Central California Conference Flag Football Championship. An Atwater win over LHS – AHS solo champions. In a defensive battle, the Wolves defeated Atwater in SIX OVERTIMES 18-12 to earn a share of the league championship. The Pack won their opening-round playoff game Tuesday (10/24) at home, 13-9 vs Los Banos. The team is back in action on Thursday as they travel to Sacramento to play the #2 seed, Christian Brothers High School at 7:00 pm.

GOLF PLAYOFFS

Livingston High's *Isabella Raya* (right) and *Aless Chavez's* golf season came to an end at the CIF Sac-Joaquin Section's Division 4 Golf Championships on Monday (10/23.) The duo shot 105 (Raya) and 108 (Chavez) respectively. Raya's score of 105 was seven shots out of a playoff. With five returning varsity golfers and a junior varsity team with 10 players, the future of LHS girls' golf is in great shape!

The Livingston High varsity football team played spoiler to Modesto Christian's fall homecoming game last Friday night (10/20.)
