ARTICLE II DUES DEDUCTIONS

Section 1.

The Committee accepts the provision of Section 17C of Chapter 180 of the General Laws of Massachusetts and will certify to the Treasurer of the Town of Bourne all payroll deductions for the payment of dues to the Association, provided that the Director of Business Services is presented with the authorization forms currently active as well as any additions or deletions.

The Committee shall notify the Association in writing within 30 calendar days of the effective date of the following staff changes: changes in bargaining units; changes in the percentages of full time equivalency of bargaining unit employees; new hires into the bargaining unit positions and/or resignations from bargaining unit positions.

Section 2.

By September 1st and June 30th, the administration will provide the Association with a current list of bargaining unit members. Any change to employment status (i.e. dismissal, retirement, or new hire) between those dates, the administration will notify the Association within 5 school days.

ARTICLE III SCHOOL COMMITTEE RIGHTS

Section 1.

The Committee is a public body established under and with powers provided by the statutes of the Commonwealth of Massachusetts and nothing in this Agreement shall be deemed to derogate from the powers, rights, or duties conferred upon the Committee by the statutes or any rules or regulations of any agency of the Commonwealth.

Section 2.

CORI/CH RI checks will be administered in accordance with applicable state and federal laws and regulations.

CORI/CHRI checks will be requested only by the Superintendent, the Superintendent's Administrative Assistant, or Assistant Superintendent in the absence of the Superintendent. After review by the Superintendent or the Assistant Superintendent in the absence of the Superintendent, a meeting may be required with the employee who may be represented by the Association. Subsequent to said meeting, if the information is determined to be accurate, the principal may be informed. If further action should be required, the provisions of the Collective Bargaining Agreement and MA General Laws shall be applied.

CORI/CHRI Reports: The employee shall be made aware that CORI/CHRI reports are requested; they shall be made aware that they may have a copy of their report; and, copies of ALL CORI/CHRI reports shall be kept for three years in a separate, secure file maintained in the Superintendent's Office. Upon termination of employment, an employee may request in writing that they be given their report.

ARTICLE IV OBSERVANCE OF DUTIES AND DISCIPLINE

Section 1.

All persons covered by this Agreement shall fulfill honorably and to the highest possible degree all of the duties and responsibilities for which they have been hired or assigned to within the Bourne Public Schools. All persons covered by this Agreement shall be given a copy of their current job description within the first two weeks of the start of school or within two weeks after a change in job assignment.

Section 2.

All newly hired bargaining unit members will have a ninety (90) calendar day probationary period. In the first forty-five (45) calendar days of employment a probationary employee may be dismissed with or without cause. Between the 46th through the 90th calendar day, a probationary employee may still be dismissed without cause; however, administrators will meet with the probationary employee between the 46th and 60th calendar day to discuss performance. Probationary employees have the right to union representation at this meeting.

No non-probationary employee shall be dismissed, disciplined, reprimanded, or reduced in rank or compensation without just cause. Any written communications between an administrator and BEA member with relation to this section shall be delivered in hand. When the member is unavailable, correspondence shall be sent via electronic mail and overnight mail to the member. It is understood that this provision will not apply to probationary employees.

Section 3.

The Association recognizes that together with the rights afforded employees under the laws of Massachusetts is contained a provision against any such employee engaging in, inducing, or encouraging any strike, work stoppage, slowdown, or withholding of services. If there is a violation of this provision of the law, any employee violating the provisions will, at the discretion

of the Committee, be subject to disciplinary action.

Section 4.

Pursuant to the provisions of MGL c. 258, and subject to the limitations thereof, all bargaining unit members shall be indemnified and held harmless against any and all claims brought against them resulting from their acts which occur while acting within the scope of their employment by the Town of Bourne.

The Superintendent of Schools or their agent shall be given notice of the time and place of the meeting a reasonable time in advance so as to avoid conflict in scheduling facilities.

Use of school buildings and equipment for Association use after school hours shall be granted within reasonable limits. The cost of all materials used will be borne by the Association.

Section 2.

There will be one (1) bulletin board in the teachers' lounge in each school for the purpose of displaying official Association notices, circulars and other material of an official nature.

Section 3.

The Association will be granted up to 1 hour to address all Association members during the general meeting on the first day of the school year.

Section 3. Failure at any step of this procedure to appeal the grievance to the next higher step within the specified time limits shall be deemed to be acceptance of the answer rendered by the designated school official and shall be so endorsed by an Association Representative.

Section 4. Any grievance marked "settled" and initiated by the parties to this procedure will thereby be concluded.

Section 5. Every effort shall be made by the member(s) and their appropriate administrator to arrive at a settlement of the matter involved prior to the use of the formal grievance procedure. Informal discussion period may not extend more than 30 calendar days.

Section 6. The Levels in processing grievances shall be as listed below and shall be taken only during non-school hours. Formal grievances shall be processed on the "Dispute Adjustment Record" forms supplied for the purpose.

Level One (a) The formal grievance procedure must be initiated by the aggrieved party within thirty (30) school days from the date on which the aggrieved party knew or could with reasonable diligence have known of the act or condition on which the grievance is based, or at the conclusion of the informal discussions.

(b) If the matter has not been settled to the member(s)'s satisfaction by conclusion of informal discussion as proved in section 5 of this Article, the statement of the grievance shall be clearly set forth in writing and they shall within seven (7) days, together with a representative of the Association, discuss the matter as set forth in writing with the "appropriate administrator", who shall within seven (7) days provide their written answer to the grievance.

The School Committee shall meet with the Association representatives not later than twenty-five (25) days after the receipt of notification from the Association in an effort to settle the grievance. The School Committee shall provide an answer in writing to the President of the Association or their designated agent within fourteen (14) days after the meeting in this step.

If the grievance qualifies under the provisions of this Agreement and is not settled in this Level Three, it may be referred to Arbitration by either party to this Agreement under the terms of Article VII.

Section 7. "Days" as used in this procedure means calendar days.

Section 8. If more time is required than is specified herein, either party to this Agreement may in good faith request additional time and be granted a limited extension.

Section 9. A grievance that affects a group or class of member(s) and is, thus, of a general nature may be submitted directly to Level Two of this procedure.

Section 10. If a member(s) covered by this Agreement presents a grievance without representation by the Association, the disposition of the grievance shall be consistent with the provisions of this Agreement. The Association shall, if they so request, be heard at each level of the procedure under which the grievance is processed.

Section 11. If vacation periods interfere with the time periods specified in the grievance procedure, the Association representative involved will confer with the Administration in an effort to mutually resolve the time conflict in an expeditious manner.

ARTICLE VII ARBITRATION

Section 1.

A grievance, as defined under Article VI- Grievance Procedure of this Agreement which has not been settled under the provisions of that Article, may be taken to arbitration by either the Committee or the Association provided either party to this Agreement notifies the other party of their intention to do so by a letter postmarked within twenty-five (25) calendar days from the postmarked date of the written answer in Level Three of Article VI, and addressed to the American Arbitration Association with a copy to the other party.

4. Any bargaining unit member who gave birth to a child will be entitled to use up to eight weeks

The initial donation of a bargaining unit member shall be two (2) days which shall be taken from their accumulated medical leave days. At any time when the bank's assets fall below one hundred (100) days, the bank shall be replenished by the donation of one (1) additional day by each bargaining unit member. The bank may not be replenished more than twice in any one (1) school year. In order to implement this section, bargaining unit members employed prior to June 30, 2010, who have not previously joined the medical leave bank, shall be assessed two (2) medical leave days. Bargaining unit members who commence employment subsequent to July 1, 2010, upon commencement of employment, shall be assessed two (2) medical leave days.

All bargaining unit members who have worked for the district for at least three (3) years shall also be allowed to donate accrued medical days to the medical leave bank for the fellow bargaining unit members in addition to the donation in the paragraph above. The association and Administration will maintain an up-to-date spreadsheet which contains an accurate listing of all donations into the bank including the new members' name and date of hire. The list will be updated within five calendar days of the date a member submits a donation.

The policy of the Medical Leave Bank and awarding of days from the Medical Leave Bank will be governed by a four (4) member board, hereinafter called the MEDICAL BANK COMMITTEE consisting of the Association President and Vice President, the Chairperson of the School

Committee, and the Superintendent. Eligibility for the sick leave bank typically will not be granted until after the one-year anniversary of the date of hire, unless there are catastrophic circumstances that will be presented to the Medical Leave Committee. The Superintendent's designee shall serve as an alternate to the Medical Bank Committee in the absence of the Superintendent. The Association and the School Committee shall appoint alternates to their respective permanent members of the Medical Bank Committee. Decisions made by the Medical Leave Bank Committee will be determined within 10 business days of the medical documentation submitted with the initial request by the member.

The Medical Leave Bank shall continue for the life of this Collective Bargaining Agreement.

No person may be granted any sick leave accumulated on deposit in the Medical Leave Bank as long as said person has accumulated leave accrued to their own personal credit. Only members who have contributed to the Medical Leave Bank will be eligible to apply for withdrawal from the Bank. Contribution to the Medical Bank closes on November 1.

The maximum withdrawal in any school year shall be sixty (60) days for any one (1) individual which shall be provided in allocations not to exceed thirty (30) days unless there are catastrophic circumstances.

Any application for withdrawal from the Medical Leave Bank must be accompanied by a letter to the Superintendent from the applicant's physician or the immediate family members' physician. Bargaining unit members in need of medical leave may request access to these days through the Association leadership and by copying the Superintendent.

Other criteria that the Committee will consider include but are not limited to prior use of sick time, previous applications to the medical leave bank, documentation, catastrophic illness, and accidents. No application to the Medical Bank Committee will be considered without this requisite.

All medical leave donations to the Medical Leave Bank shall accrue to the credit of the Medical Leave Bank for the life of this Collective Bargaining Agreement. Any balance of days left in the Bank at the end of a school year shall be carried over to the following school year.

Section 9.

Days off without pay may be granted at the discretion of the Superintendent. Employees covered by this Agreement shall be granted an unpaid leave of absence of up to twelve weeks, for a serious health condition that makes the employee unable to perform the essential functions of their job, or to care for an immediate family member. An employee taking this leave shall give as much advanced notice as possible for the need for this leave to the Superintendent of Schools and complete required paperwork.

An employee shall be returned to their former or a similar position upon completion of such leave if such position is available.

- a. An employee on leave is eligible to remain as a member of the town's group health insurance plan and dental program but must pay 100 percent of all costs for that program.
- b. An employee on leave is eligible to retain their life insurance policy benefits but must pay 100 percent of all costs for that program.

Section 2.

ARTICLE XIV VACANCIES, TRANSFERS, AND ASSIGNMENTS

Section 1.

All openings for bargaining unit positions shall be posted for a period of five (5) weekdays. The posting shall be made in an area to which all bargaining unit members have access. All posting notices will contain a description of the duties of such position, the employee category, the qualifications, hours of work, and the rate of pay. All hire recommendation forms (See appendix D) shall be emailed to the Association president and the membership chair at the time of hire. Administration will give prior notice to the BEA and an opportunity to impact bargain when administration is unable to fill a position in the BEA bargaining unit and seeks to transfer bargaining unit work to an outside vendor.

Section 2.

In the case where qualifications of the applicants, as determined by the school administration, are substantially equal, bargaining unit members shall have preference for the position on the basis of seniority.

Section 3.

Reasonable efforts will be made to provide that changes in assignments are on a voluntary basis.

Section 4.

In the case of involuntary transfer from an assignment, a job category, or building, including when transfer is necessary because of a reduction in the number of employees in the bargaining unit, employees in the affected area shall be canvassed for a qualified volunteer before any directed transfer is made. Volunteers shall be considered first, on the basis of seniority, then the Superintendent shall consider the seniority and qualifications of the employees in the affected area, subject to a reasonableness standard. Before any involuntary transfer is made, the Superintendent shall meet with the employee, and if the employee so requests, a representative of the Association, to state the reasons therefore, and if the employee so requests, such reasons shall be in writing.

ARTICLE XV REDUCTION IN FORCE

In the event that the School Committee determines to reduce the number of employees in the bargaining unit, the procedures set forth herein shall apply:

A. Attrition

Insofar as possible, normal attrition will be used whereby employees who retire or resign or die will not be replaced if there are fully qualified employees available who are capable of filling such positions and who would otherwise be subject to layoff.

B. Method of Layoff

If the Committee determines to reduce the number of employees covered by this Agreement, layoff shall be in the inverse order of seniority within the following classifications: Category 1, Category 2, Category 3 and Category 4. However, no employee within a category will be laid off if there is another employee in Category 1 or 2 with less overall seniority. In those cases, the individual slated for layoff in their category will have the right of first refusal to the less senior bargaining unit member's position.

Category 1: In-Class Support, Inclusion, Library, Title 1, Preschool and Kindergarten

Category 2: Substantially Separate classroom ESP's (i.e. ILC/ALP/FAST); Job Coach; and any Student Specific ESPs (i.e. 1:1, 1:2, and 1:3)

Category 3: LPN and CNA

Category 4 shall be the following: Tech ESP

C. Definition of Seniority

For all employees employed prior to the effective date of this Agreement (July 1, 1998), seniority shall be defined as the length of service in the Bourne Public Schools or employed in a position by the Town of Bourne. For all employees employed subsequent to the effective date of this Agreement and thereafter, seniority shall be determined by the service in the Bourne Public Schools or employed in a position of similar responsibilities by the Town of Bourne. Seniority shall be computed from the initial day of employment. In the event of a tie, a lottery shall be conducted.

D. Leaves of Absence

Employees will accrue seniority on all paid leaves, unpaid sick leave, and other unpaid leaves of absence of less than two (2) weeks per leave. Unpaid leaves of absence of two or more weeks per leave shall not be deemed to interrupt continuous service; but the employee will not accrue seniority. Employees on leaves of absence shall be eligible to be laid off as though they were currently serving on active duty.

E. Seniority List

The Superintendent of Schools, by September 30 of each school year, will post an overall seniority list of all bargaining unit members and seniority lists for each Category and of all seniority listing by

classifications of all personnel represented by the Association. The aforementioned seniority list shall be forwarded to the President of the Association and posted in all buildings. Employees with the greatest length of seniority as previously defined in the Bourne Public Schools will be listed first on the overall seniority list and in each Category classification; employees with the least amount of service will be placed last on the respective lists.

F. Recall

1. Laid off employees will be placed on the recall list for two (2) complete years from their effective date of layoff. Laid off employees shall be recalled in the reverse order of layoff. The affected employees will be considered for any appropriate vacancy within the category (s) to which they are eligible.
2. Employees on the recall list will be given first priority in the filling of temporary or full time positions in the category or categories that they are qualified. A laid off employee may reject a full time assignment once during the recall period and remain on the recall list
3. To the extent allowed by law and the insurance carrier's policy, employees on the recall list shall be entitled to membership in any group health or life insurance plan in existence at the time of the effective date of the layoff, provided, however, that the employee pays the entire cost of such insurance pursuant to the requirements of the insurance carrier; and there shall be no contribution by the town to such employee's insurance.
4. Upon return to employment from the recall list, employees will have accumulated to their accounts the same number of sick days which they had accumulated at the time of their layoff.

Any individual who has been a member of the bargaining unit for at least three (3) years and who takes another position in the School District may, for the first three (3) years in the non-bargaining unit position have the right to a bargaining unit position in their previous category provided said individual is more senior than the bargaining unit member being bumped.

ARTICLE XVI GENERAL

Section 1.

Bargaining unit members shall be given a copy of their annual evaluation prior to the end of the school year.

Section 2a.

No material derogatory to an employee's conduct, service, character, or personality will be placed in their personnel file unless the employee has had an opportunity to review the materials. The employee will acknowledge that they have had the opportunity to review the materials by affixing their

signature to that copy with the express understanding that such signature in no way indicates agreement with the contents thereof. The employee will also have the right to submit a written answer to such material and their rebuttal shall be attached to the file copy.

Section 2b.

Each employee shall have the right to review the contents of their personnel file in the presence of the Superintendent or their designee with 24 hour written notice.

Section 2c.

All monitoring or observations of the work performance of an employee covered by this agreement will be conducted openly. No public address system, audio system, or any other device will be utilized for the purpose of employee observation.

Section 3.

If shorts are worn they should be tailored/dress shorts of walking length. Exceptions may be approved by the building principal for special occasions, events, or fundraisers. Special exceptions will be made at the principal's discretion for positions that require different attire to meet the needs of their job.

Section 5.

All category 2 members as defined by the contract will be required to complete district approved de-escalation and safety training. For the first year of the contract all Category 2 members will complete the initial training by January 1, 2020. Any new Category 2 member will be required to complete the initial training within 30 school days of starting that position. All de-escalation and safety training will be provided and paid for by the district and scheduled within the district school day.

Section 6.

ARTICLE XVIII SCOPE

The Association and the Committee agree that each had a right to bargain for any provision that is presented for inclusion in this Agreement, and, except as provided in Section 2 of the preceding Article XVI, each party expressly waives the right to reopen this Agreement for any further demands or proposals. This contact constitutes a complete accord on all matters and if other proposals have been made, they have been withdrawn in consideration of this Agreement.

ARTICLE XIX TOILETING APPOINTMENTS

Section 1.

The initial appointment letter for an ESP will include whether current assignments will include regular toileting responsibilities for students who are or will be at least seven years old during that school year. ESPs will work with the school nurse to receive training relating to universal precautions and be provided with all materials for universal precautions. The Employer will provide a list of all bargaining unit members who have a toileting assignment to the Association and the classroom teacher working

with the student. Any changes to this list will be provided to the Association within five (5) school days following the change. To the extent possible and appropriate for the student, the ESP will have additional assistance when toileting students. ESPs who have this assignment shall be paid an annual stipend of one thousand dollars (\$1,000).

Section 2.
