NOW INCLUDED IN YOUR MCSIG BENEFITS

MCSIG

Raise your hand if you're Ready for a Better Experience

You asked and we're delivering.
Experience a whole new kind of health and care that's centered around you.

BridgeHealth SurgeryCare
A TRANSCARENT HEALTH & CARE EXPERIENCE

The BridgeHealth Surgery Program is now part of the Transcarent Health and Care experience.

Health care is confusing, complex and costly. That's why we've completely reinvented the way you experience your health and care. And, it's available to you through MCSIG at no cost. Don't believe us? Activate the app and experience the convenience of technology combined with live, 24/7 personal support.

What makes Transcarent different and better?

$0 TO YOU

We remove the **cost**, **complexity** and **confusion** from health care.

60 SECONDS

That's all it takes to talk to a doctor anytime, anywhere. Forget waiting rooms and being placed on hold.

1 PERSON

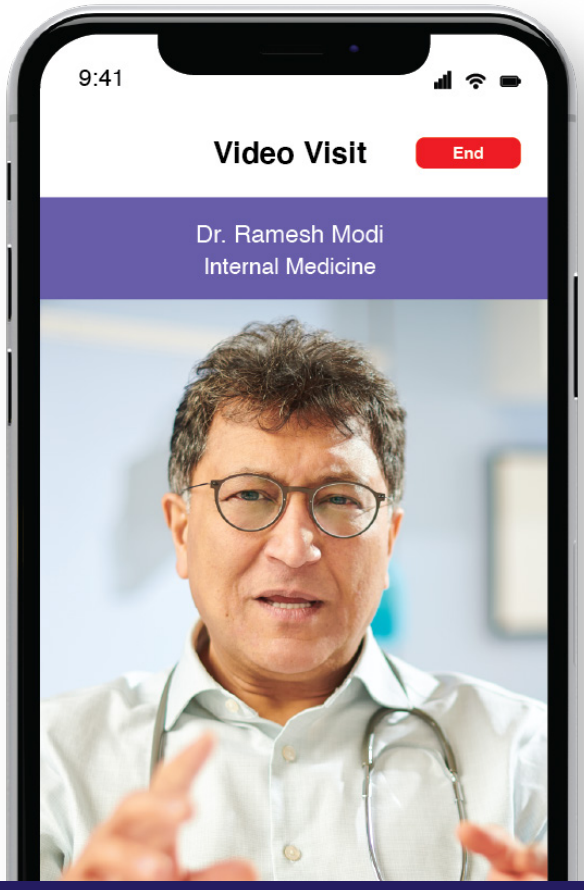

Meet your new best friend– a **dedicated** Health Guide available 24/7 to answer your questions.

92%

That's our customer satisfaction score. **People love us** and we think you will, too!

One app, one sign-in, one goal: your health, your way

Transcarent is your one-stop shop for your health and care, accessible to you 24/7 via mobile or desktop app. Tired of talking to robots? We are, too. Our real human Health Guides are available around the clock to answer your questions on your time.

What does Transcarent offer me?

Trusted Guidance

Telehealth
Connect with a doctor in under 60 seconds—by chat or video.

Health Guides
24/7 access to real, trusted humans who identify your options and offer the best health and care resources for you.

Quality Provider Finder
Tool to find high quality, high value, in-network providers in your area.

Easy Access to High-Value Care

Virtual Care
24/7 telehealth access to doctors, by chat or video in under 60 seconds. No pre-registration or appointment needed.

Virtual Physical Care*
An alternative to in-person physical therapy for back, joint, and muscle pain. No doctor referral needed.

Surgical Care*
Access to high-quality surgical care, lower out-of-pocket cost, and personal care coordination.

Unbiased Information

AI Symptom Checker
Intelligent tool to help you identify the likely cause and urgency of your health issue.

Expert Medical Opinion*
Guidance from best-in-class doctors to help you understand your care options and affirm your treatment plans.
