ABOUT US ACADEMICS **GUIDANCE & STUDENT SUPPORT** STUDENT LIFE

**GUIDANCE & STUDENT SUPPORT**

The purpose of the Guidance Program is to assist students with their academic planning so they can take full advantage of a range of options upon graduation from high school. FUHSD's Guidance Teams at each site generally include Certificated Guidance Counselors, College and Career Advisors and Administrators. These team members are often the first point of contact for students and families seeking information about FUHSD's high schools. The majority of guidance services are delivered through group presentations in the classroom or in evening presentations for students and their families. Guidance presentations occur throughout the year at each site with topics that include choosing a college and career, financial aid and course selection. The **Guidance team** is available to students and their families for individual appointments for support with:

- College to career planning (including a 4-year plan toward graduation);
- Facilitating positive, collaborative relationships with peers and teachers;
- Navigating the high school experience (including time management, involvement in extracurricular activities, self-advocacy, volunteer and internship opportunities); and
- Social emotional wellness.

The College and Career Advisors are the point of contact for college representatives, military recruiters, volunteer and internship opportunities. They also organize our district's College Fair each fall. College and Career Advisors support Naviance, our district's college and career planning tool, which provides students with personalized surveys and customized career and college exploration resources.

## Fremont High School – Four Year Plan

INSTRUCTIONS: Complete the grid with your tentative 4 year plan and then upload it to Google Classroom. If you know you will be taking a class in a certain subject area but are not sure of the specific class, just list "Math", "English", etc. For each academic class that will count towards electives, place an "(e)" after the class to help keep track.

- **PE (20 Credits Total)**
  - You earn 5 credits per season of a sport. If you play a sport your freshman year, your sport will count in the **“Elective”** category.
  - In 10–12th grade, sports can count for PE credit (5 credits/sport)
  - If you’re planning to play a sport write down the name of the sport.

## Choose 2 out of 3 Electives (20 Credits) for graduation

- World Language
- Fine Arts
- Applied Academics

|                         |
|-------------------------|
| World Language (10)*    |
| Fine Art (10)*          |
| Applied Academics (10)* |

Must complete 2 out of the 3 elective categories for H.S. Graduation

For 4-year colleges you must complete World Language AND Fine Art

# Choose your World Language\*

- ❖ As a reminder if you are planning to apply to a 4 year university you must complete at least 2 years of the same language. However 3 to 4 years are highly recommended by some colleges.

Language Options: ➡ Spanish ➡ Japanese ➡ French ➡ Chinese

[illegible]

# Choose your Fine Art

- ❖ Must complete at least one year of a fine art if you want to apply to a 4 year college.
- ❖ Use the course offerings resource to see the full listing of fine art courses

# Four Year plan tips

- Don't skip math levels
- Can earn PE credits for sports beginning in 10th grade
  - Don't put off PE until senior year
- Avoid overloading yourself with too many AP/Honors courses (complete time management activity during course selection)
- Remember this is just a plan, you are not locked in to these courses
- Keep college options open by planning for A-G eligibility
- Counselors will follow up with students who did not complete a plan, or if the plan the completed was incomplete

### Break Out Sessions

**College 101:** In this session we'll cover the basics of planning for 4 year college. We'll talk about A-G requirements, college testing, majors/careers, timeline of applying, staying competitive, and college essay writing.

**College Lists/Majors:** What's in a college list? How do I pick a major? Are my decisions final and can I change them? Find out how to strategically build your best college list and pick a major that matches your goals and your interests in life and beyond.

**Community College/Transfer (presented by Foothill):** Learn about the benefits of planning early to attend community college and utilize TAG (transfer admission guarantee) programs, financial benefits, support and honors programs, certificate-trade programs, planning tools, and understand general admission rates.

**Dual Enrollment (presented by Foothill):** Interested in taking a community college class while in high school? Join this session to learn about your opportunities.

**Private Schools/Liberal Arts Colleges (presented by USF):**  
Understanding private schools, and why considering an education at a liberal arts & sciences institution can add value to your academic program/career.

# THANK YOU FOR JOINING!
