

This Local Agreement (“Agreement”), effective as of the last date of signature (the “Effective Date”), is made by and between the University of Washington, a public institution of higher education and agency of the State of Washington having administrative offices at 4333 Brooklyn Ave N.E., Seattle, Washington 98105 (“UW”), and the Lake Stevens School District, a municipal corporation and subdivision of the State of Washington having administrative offices at 12309 22nd St NE, Lake Stevens, WA 98258 (“District”) (each individually a “Party” and together the “Parties”). UW and District hereby agree as follows:

1. Background

- 1.1 UW offers the UW in the High School program (hereafter “UWHS”), which trains District teachers to teach UW courses, and awards UW credit to District students who register for UW credit and successfully complete these UW courses.
- 1.2 District desires to participate in UWHS. The specific courses, District instructors of record (hereafter “Teachers”), and participating District schools (hereafter “School” or “Schools”) participating in UWHS are specified in Exhibit A. The details in Exhibit A are subject to change, based on communication between UW and the School/District.
- 1.3 The National Alliance of Concurrent Enrollment Partnerships (hereafter “NACEP”) accredits UWHS. With this national accreditation, the UWHS program meets or exceeds all Washington state rules for “College in the High School” programs. These state rules mirror every NACEP standard in the areas of partnership, students, curriculum, assessment, faculty, and program evaluation.

2. The Program

- 2.1 Student Recruitment. Recruitment of qualified and eligible students will be the sole responsibility of District Teachers and District administration. In accordance with state law, the School/District must provide information to students and parents/guardians about dual credit and College in the High School programs like UWHS. UWHS can provide course and program information as requested by the School/District.
- 2.2 Student Eligibility. Per Washington State legislation for “College in the High School,” students in grades 9, 10, 11, and 12 are eligible to register for college credit for these courses. Students taking any course for UW credit should have earned a grade of B+ or above in previous courses in the subject area or have the permission of the instructor. UW does not request or verify student grade averages. The Teacher/School/District have the discretion in making exceptions to this requirement for students they believe could succeed in the UW course. Students must complete any prerequisite courses before enrolling in the UW course. Details are on the UWHS web site under “Who Can Enroll” (<https://www.uwhs.uw.edu/students-parents/who-can-enroll/>). School/District is responsible for ensuring that only eligible students, as described above, are provided the option to take a UW course for UW credit.
- 2.3 Courses.
 - (a) Courses offered in the high school through UWHS are official UW courses, and students in the courses are eligible to register to earn UW credit in addition to the high school credit awarded by the School/District.
 - (b) UW courses will be taught in rooms provided by the District and/or School during the academic year. Specific course dates will be determined by the District, which will communicate course plans to UWHS.
 - (c) Specific to UW French, German, and Spanish courses, mixed-level courses are prohibited. All students in the classroom must be taking the same course and be at the same level of learning the language. For example, a FRENCH 103 course will include only students taking FRENCH 103 and will not simultaneously have students at a higher or lower level of French in the classroom at that time. The School/District may request an exception to this policy, and UW will review each request and promptly notify the School/District of approval or denial of that request.
 - (d) If a UW course in the high school must shift to hybrid or remote learning, in which part or all of the course instruction occurs without in-person, classroom-based instruction, the teacher will complete a course contingency approval form provided by UWHS. This form will outline the teacher’s plan for conducting the course in this new format. The teacher will submit this to UWHS, and the form will then be routed to the appropriate, discipline-specific UW faculty for review and approval. If the UW faculty have concerns, the

teacher will be contacted to revise their plan. If the plan is ultimately denied by faculty, the UW course will be cancelled for UW credit and fees paid by and for all UW-registered students will be fully refunded.

- (e) School or District may not combine within the same course section (i.e., all students in the classroom with the teacher) a UW course with another college's course offered as "College in the High School." The teacher is only teaching a UW course during that class period. If desired, School or District may partner with other colleges to offer other college courses in separate course sections, taught in different periods.
- (f) In some circumstances, UW faculty have approved co-delivery of a UW course alongside an Advanced Placement (AP) course, with the same teacher and students in the same classroom. Such a course would be indicated in the course catalog, transcript, and syllabus as both a UW and AP course. School or District personnel should contact UWHS to confirm which UW courses are approved by UW for co-delivery with an AP course and to ensure course compatibility and syllabus approval.

2.4 Teachers.

- (a) Teachers must be approved and trained by the appropriate UW academic departments to teach the specific UW course. The approved and trained teacher serves as the instructor of record and the primary instructor of the course. Other school personnel not approved and trained specifically for the UW course through UWHS cannot serve as graders, readers, or primary instructors of the UW course.
- (b) If a teacher is to serve as a mentor for a student teacher at any point during the UW course, the teacher must notify UWHS and outline the proposed role and responsibility of the student teacher. This proposal will be routed by UWHS to UW faculty for review and approval. The student teacher cannot perform duties in the UW course until the faculty approves of the proposed role and responsibility within that course.
- (c) Teachers must complete a program orientation and attend discipline-specific training before teaching the course. To remain active with the program, teachers are required to attend discipline-specific training at UW at least every other year and teach a UW course with students registered for UW credit at least once every three years. If a teacher does not meet these expectations, the teacher would be made inactive with the program and need to re-apply when that course is next open for teacher applications.
- (d) If a Teacher must take a leave of absence from teaching the UW course for longer than two weeks, or there is a change in which teacher is offering the UW course, the District must contact the UWHS office as soon as that information is known. The District is responsible for locating a qualified substitute teacher who meets the UW standards for teaching the course. While the goal is to ensure continuity of the UW credit offering, UWHS reserves the right to cancel the UW course for UW credit if the academic integrity of the course will not be maintained to UW standards.
- (e) Teachers must communicate with the UWHS liaison assigned to their UW course to arrange and host a course observation. Course observation and review of class materials by UW faculty may occur in-person at the school or through web conferencing or other online methods. After the observation, the UWHS observation report written by the UWHS liaison will be shared with the Teacher.
- (f) District is responsible for payment of Teacher salary and benefits as well as additional payment to teachers from UW payment to district outlined below..

2.5 Payment to District for Teachers. UW will pay \$400.00 per course for the Teachers for handling non-instructional program requirements (e.g. UW grade submission, student evaluations) as well as \$200.00 (in-person participation) or \$150.00 (virtual participation) per day for teachers to attend UWHS discipline-specific training. UW will provide information on courses and training provided during the Agreement term to the District on or before September 30, 2023, and the District will submit an invoice to UW for payment.

2.6 Maximum Enrollment. Total enrollment in any section of a course should not exceed 32 students. In accordance with UW policies for the following courses as taught on the UW campus, schools must make all reasonable attempts to not exceed these class sizes: Biology (24 students), Chinese (22), English (23), French (24), German (25), Japanese (22), and Spanish (25).

- 2.7 Maximum Number of English Sections. Maximum Number of English Sections. For UW English courses, it is recommended that UWHS instructors teach no more than two sections of UW English per semester or three sections for year-long courses with each section capped at 23. It is required that UWHS instructors teach no more than three sections of UW English for semester-long or year-long courses, provided that the combined total number of students across the UWHS sections does not exceed 80.
- 2.8 Course Materials. UWHS will provide Teachers with tests, quizzes, and other materials routinely provided to instructors of the course on the UW campus. Specific to the UW course(s) they teach, teachers will use UW syllabi, texts, quizzes, tests, grading procedures and scales, and any other curricular materials as required by the appropriate UW departments. It will be the responsibility of the District or the individual students to purchase any texts or course materials that are required for specific UW courses. District can confirm with UWHS any required texts or course materials for the courses offered in the District.
- 2.9 Course Syllabus. The teacher is required to develop their UW course syllabus, which is the official syllabus for the course in the high school, using a syllabus template provided by UWHS. The teacher is to submit their UW syllabus (and lab sequence, if required for any lab-based UW courses) to the UWHS office at least one week before the UW course begins. The UW syllabi are reviewed and approved by UW faculty overseeing the courses. The UW syllabus is to be distributed by the teacher in the beginning of the course to all students, whether or not students intend to register for UW credit.
- 2.10 Disability Accommodations. For UW-registered students, any accommodations that have been approved at the high school must also be approved by the UW Disability Services Office. To make an accommodation request or obtain more information, students, parents, or school staff must contact the UW Disability Services Office. The UWHS office can provide details on this process.
- 2.11 UWHS Liaisons. UWHS will provide liaisons, appointed by the sponsoring UW academic departments, to visit the courses in-person in the school and/or virtually, as well as to work with the teachers during the school year. These liaisons will have completed state and national background checks prior to visiting classrooms in the District.
- 2.12 Guest Speakers. On occasion and by request from the School/Teacher, additional guest speakers from UW may visit the School. The School is responsible for advising the guest speaker of any security or screening requirements prior to their school visit.
- 2.13 Course Evaluation. For every UW course, Teachers will assist in informing students about the online UW end-of-course evaluations, which are to be completed by students registered for UW credit. The evaluation results will be shared with the appropriate UW academic department and the Teacher.
- 2.14 Grades. Upon completion of courses, teachers will use the UW grade scale and UW grade policies to submit to the UW a numerical grade on the 4.0 scale for each student registered for UW credit. These are UW grades and must be calculated and reported solely in accordance with UW policy, independent of any school or district grade policies regarding high school grades reported for these UW courses on the high school transcripts. Should the District not adhere to these grading requirements for the UW grade, UW will cancel the course for UW credit and refund all student fees that were paid; no UW credit will be granted for the course. The UW grade and the high school grade that a student earns may not necessarily be equal, as these two grades may be calculated differently.
- 2.15 UW Credit. To comply with UW regulations governing the issuance of credit, students registering for UW credit will spend a minimum of 50 hours in the classroom and 100 hours doing outside homework for any five-credit course. These requirements are scaled for courses with fewer credits: 10 hours in the classroom and 20 hours doing outside homework per UW credit.
- 2.16 UW Transcript. Registered students establish an official and permanent UW transcript. The student's final grade or course status and any earned UW credits will be recorded on their UW transcript. Transfer of these credits will be determined by the college or university to which the student matriculates. Students are responsible for communicating with prospective institutions about transfer of UW credits.
- 2.17 High School Transcript and Credit. District is responsible for all matters related to the high school credit and transcripts, including using UW course titles and the "College in the High School" course designation code (C), per Washington "College in the High School" rules and OSPI guidelines, for all students in the course, regardless of

whether or not they are registered to earn UW credit. Per WAC 392-725, college courses are to be transcribed with the conversion rate of 5 quarter credits resulting in 1.0 high school credit, regardless of duration of course in the high school or whether or not a student registers to earn college credit.

- 2.18 Campus visits. If a School brings groups of students to the UW campus, supervision of those students is the School's responsibility.
- 2.19 Data Sharing. Upon request, District and UW may share and compare lists of their UWHS students for each course. For student data subject to FERPA, District and UW will be considered a "school official" with a "legitimate educational interest," as those terms are used in FERPA and its implementing regulations with respect to the other party's student data. Each party's use of the other party's student data will comply with FERPA and other state and federal laws regarding confidentiality and will be protected with the same care that the protecting party uses to protect its own student data, and in accordance with WA state data protection policies. In the event of an unauthorized disclosure of student data, the party in breach will a) promptly notify the other party of the unauthorized disclosure and take any requested actions to minimize the breach, and b) indemnify the other party against any and all costs related to the unauthorized disclosure of information, including the costs of any notification campaign required under WA State law.
- 2.20 Student Registration. A student in a UW course in the high school has the option to register with UW to earn UW credit. Each student registers individually with UW. This process generates a UW student identification number and UW transcript, and the UW course code and title, UW grade, and number of earned credits will be added to the student's UW transcript. The deadlines for students to register with UW will be posted on the UWHS website and highlighted in student registration materials distributed to students by the Teacher in the beginning of the UW course. After the UW registration deadline, students will not be permitted to register for UW credit, but can submit a late registration petition to UWHS within two weeks of the deadline. Late registration petitions are approved only for extenuating circumstances that prevented the student from registering by the deadline.
- 2.21 No Fee to Register. Students registering with UW are not charged and do not pay any fees to UW.
