Self-Medicating and/or Self-Monitoring Health Care Practitioner Authorization

When completing this form, draw an "X" through any sections that do not apply. (Example: If the student will not be self-monitoring draw an "X" through the self-monitoring section.)

This form must be completed by the health care practitioner who prescribed the student's medication or monitoring device. Note that students will not be permitted to self-administer medications that are classified as controlled substances. Medications must be kept by the student in the container labeled by the pharmacist who filled the prescription. "Sample" medications must be kept in a container that identifies the student and the medication; the container must have a note attached from the health care provider outlining the directions for proper use. An approved individual health care plan is required for students who will self-medicate and/or self-monitor.
