

## **After School SADD Club Permission Slip**

Students Against Destructive Decisions (SADD) is a national organization that was originally founded to fight drunk driving and has since grown to fight a number of other related problems such as drug use, underage drinking, risky and impaired driving, teen violence, teen suicide, and other destructive behaviors and attitudes that are harmful to young adults. The organization's unique approach encourages young people to deliver education and prevention messages to their peers through school and community-wide activities and campaigns.

SADD fosters a sense of belonging and promotes resiliency, leadership, and advocacy skills so young people make positive decisions that carry them throughout life. During our meetings students will develop goals for our school, identify action steps and tasks that will help them meet their goals. Students will implement activities at Matthew Henson that fulfill their goals. Students are expected to attend meetings after school on Thursdays, from 3:15-4:15. We will meet in Mrs. Yake's classroom, PC-4.

Complete the attached permission form and return it to Mrs. Yake, in PC-4. Permission slips should be returned by Monday November 6, 2023. Our first club meeting will occur on Thursday, November 9.

I am excited to be the Advisor for SADD at Matthew Henson this school year!
