Halloween

Halloween is just around the corner, and we're excited to celebrate the spooktacular holiday with you! This year, we have a special theme in mind that will ignite your child's imagination and creativity. Instead of traditional costumes, we invite everyone to dress up as their favorite book character. From beloved heroes to iconic villains, the possibilities are endless. However, for safety reasons, we kindly ask that you refrain from wearing masks or any look-alike weapons. Let's ensure this Halloween is a magical and safe experience for all. We can't wait to see the incredible literary characters come to life as we celebrate together!

While we fully embrace the excitement that Halloween candy brings, we kindly request your support in limiting the amount of candy your child brings to school. Excessive candy consumption can create distractions in the classroom. We encourage you to discuss and plan a reasonable amount of candy for your child to enjoy, ensuring they have a balanced and productive day at school. Your cooperation in promoting a balanced and positive school environment is greatly appreciated.

Bullying is an ongoing and deliberate misuse of power in relationships through repeated verbal, physical and/or social behaviour that intends to cause physical, social and/or psychological harm. It can involve an individual or a group misusing their power, or perceived power, over one or more persons who feel unable to stop it from happening.
