

# What I Need to Know

## How Do I Enroll?

Open Enrollment is your annual opportunity to review your coverage and make changes to your benefits for the upcoming year, unless you experience a Qualified Life Event during the year. You can enroll in benefits November 1-15, 2023 to be effective January 1, 2024.

Before you enroll, be sure to review this guide so that you can make informed choices for you and your family.

Your 2024 coverage will be effective January 1 - December 31, 2024 provided that your employment status does not change.
