Principal's Message

Before we wrap up October, we need to make it through Halloween. This day is always an interesting one at Centaurus, and I want to take a minute to share some costume guidelines that we have in place for Halloween. Probably the biggest thing to remember is that no weapons (real or fake) are allowed. In addition, full face masks or full face paint are not allowed, as we need to be able to identify all of our students. Finally, costumes need to meet the school dress code and be respectful of our diverse student body.

Important Dates

October 28- Trunk or Treat- Cancelled
November 10- Veterans Day- No School
November 14- Coffee with the Principal - 9:00 am @ Centaurus HS
November 20-21- Fall conference exchange days- No School
November 22-24- Thanksgiving break/holiday observed- No School

AND ALSO!

Congratulations to our boys soccer team on defeating Pueblo West 2-0 in the first round of the 4A State Playoffs! Round 2 will take place next Wednesday here at Spangenberg Stadium vs. Lutheran!

Football

Congratulations to our football team and Head Coach Andy Hampton on winning the I-25 league championship with a dominant 41-21 victory over Widefield! With the league title, the team has secured a spot in the 4A state playoffs in two weeks.

Mountain Bike

This past weekend in Glenwood Spring saw 13 of our Centaurus Warriors compete in the State Mountain Bike Championships. The weather was near perfect at a beautiful course on the Colorado Mountain College campus. A total of 90 teams with nearly 900 riders were competing. The course was the most difficult of the year, with lots of rocks and deep dust making it a technical challenge for all riders with lots of crashes and flats.

Our riders showed great spirit and grit in pushing through and many of them had their best rides of the year. It was inspiring to see them pushing themselves and cheering each other on.

An unexpected highlight, however, was our team winning the Golden Pick award for our Yampa division. This award is given to the team that does the most trailwork per rider for the season. We're proud to be recognized with an award for giving back to the local trails and community.

Getting to know your Centaurus Team

Art - Jodie Mohrhardt

Jodie Mohrhardt is one of the three fabulous art teachers at Centaurus. She teaches Pottery, Photo, and IB art. Usually Jodie is found in the art wing creating lots of fun and different projects for her students to get them interested in her passion of art. You can also find her after school on Tuesdays in the ceramics room with her ceramics club. When she is not at work she is spending time with her one year old daughter, Isla and her partner. Jodie and her family love to travel around the U.S. and internationally together and be outdoors as much as possible. They go camping, climbing, running, hiking and sometimes just go to the park with their daughter and dog, Kyra. One of her favorite adventures was taking a year off from teaching to backpack around the world and visit most of Asia and Argentina (where she was stuck for 4 months during the covid lockdowns). Jodie also has a passion for her own artwork and jewelry making. In the summers she can be found running her art business by participating in art festivals around Lafayette and the rest of Colorado. Make sure to look for her at the Arts Night Out in Lafayette all summer long.
