Anderson Island Elementary

Good afternoon, Eagle Families -

We had another excellent week at AIE.

It's hard to believe Halloween is already upon us. We are also preparing to celebrate Veteran's Day in the next few weeks. All of our students are working hard to celebrate our Veterans. We are excited for that celebration. Please send the names of veterans you want us to honor on our Veteran Star Wall.

I also want to remind our families that we are through the first quarter of the year already! It's hard to believe. I want to stress how important it is to make sure we are attending school every day. We want all of our learners to be as successful as possible. The best way to find that success is to make sure we are all in attendance regularly. Mrs. Tate, Mrs. Cunningham, and Mrs. Kamel are great teachers! All of our students will be successful if we keep regular attendance. We all appreciate your diligence in getting your students to us daily. If there is anything we can do to help that process, please do not hesitate to contact us here at AE!!

I hope you all have a great weekend. As always, remember to get out and exercise and remember to read a little bit, too.

I'll see you all next week.
