

## Cut your way to a great career!

In this program, you will learn styling, shear and clipper cutting, rolling and texturing of hair, facial grooming, and shaving techniques. Your training will prepare you for the New York State Barber Practical Examination—required to become a licensed master barber. In addition, you will learn the business and communication skills you need to own and operate your own business. Bring your excitement and enthusiasm to this program and cut your way to a great career.

Advanced college/trade school credit is available  
to qualifying students from the following institutions:

FIVE  
TOWNS  
COLLEGE

**COURSE TITLE: BARBERING**

**COURSE DESCRIPTION**

This course is a combination of classroom instruction and laboratory opportunities that will develop academic and professional knowledge as well as skills required for job acquisition, retention and advancement. This program emphasizes specialized training in safety, sanitation, shaving, reception, precision shear and clipper cutting, sales, and can create opportunities for small business ownership.

The curriculum is designed to give an overview of the barbering industry, licensing and the opportunities for professional growth. Students who successfully complete this course will have earned the 500 hours necessary to be eligible to sit for the New York State Licensing Board Exam. *Students must be at least 17 years of age to take the New York State Barber Practical Examination.*
