**COURSE TITLE: COSMETOLOGY**

**COURSE DESCRIPTION**

Instruction is provided along with hands-on experience in hair shaping, styling and chemical services, including hair coloring, permanent waving, body waves and chemical relaxing. Encompassed within the curriculum are treatments of the hair and scalp, facials, all aspects of make-up, nail care and artificial nails. The course also teaches the business and science-related aspects of cosmetology and salon management. A cosmetology license qualifies graduates to work with hair, skin and nails, as well as allows specialization in any area of cosmetology. This license will unlock countless doors within the beauty industry. **Students who successfully complete this 1,000 hour course over two years will be eligible to sit for the New York State Board Licensing Exam.**
