

Soar above it all!

You look up into the sky every time you hear an airplane passing! You've been thinking about learning to fly for a long time, probably since you were a kid, but you haven't taken that first step to turn your dream into a reality. Well, now is the time. Our Aviation/Professional Pilot Training program at the Bixhorn Technical Center prepares students to receive their Federal Aviation Administration (FAA) Private Pilot Certificate. Soar above your friends! Learn to fly with The Academy!

"To invent a plane is nothing, to build one is something, to fly is everything."
— Otto Lilienthal

Advanced college/trade school credit is available to qualifying students from the following institution:
