Time to be measured from the time the user group designates on its application and approved by the **Operations Department**.

In addition to the schedule of rates listed above, a custodial fee of \$35.00 per hour for the number of hours (minimum 4 hours) the custodian or principal's designee is on duty. In all cases where the custodian or principal's designee has to return to work, the minimum rate will be for 4 hours of work per person. Custodial time to be measured from the time the custodian reports to building until the facility is restored to proper condition for its next use. If a maintenance personnel is required there will be a fee of \$50.00 per hour. If an IT employee is required, there will be a fee of \$75.00 per hour. Professional staff will be compensated at a rate of 1 ½ times their daily rate to include fringes.
