

# The Smiley Shop

At Silverdale we love learning! To reward our fantastic pupils for their ready, respectful & responsible behaviour, along with their brilliant learning, they have the opportunity to spend their hard earned smileys in the 'Smiley Shop'!

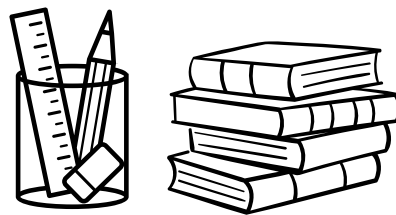

Children have the opportunity to team together and earn class 'mini experiences'.

At 150 smileys children can choose to purchase a 'golden time' token. Once a class has 10 'golden time' tokens they will have earned an additional playtime for their whole class - so we are encouraging selflessness and the act of giving too! Alternatively, there will still be a range of treats available from the shop - where possible we will endeavour to source as responsibly as possible.

For 300 smileys, children can purchase super treats!

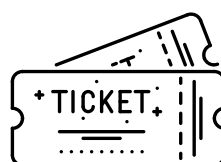

## 50 - 150 Smileys

For 50-150 smileys there will be a range of fun stationary, pocket toys and books available.

## 150 Smileys 'Mini Experience'

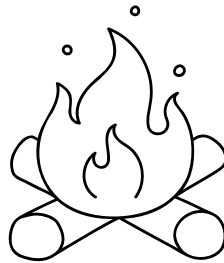

For 150 Smileys, pupils can 'purchase' a golden ticket. 10 golden tickets can be traded in for a mini experience organised by the class teacher. What this playtime involves can be negotiated with the teacher, so that it fits the age and preferences of the class. It will be for approximately 30 minutes.

# 300 Smileys - A MEGA Smiley Experience

For 300 smileys children can purchase a ticket for a 'Mega Smiley Experience'. Experiences include:

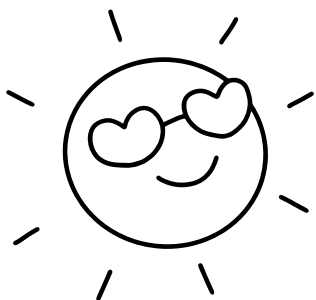

VIP Forest School experience - Get ready for some delicious home cooked food on the forest school campfire and lots of fun activities!

VIP Cinema evening - Enjoy a movie on the 'big screen' in the school hall after-school. Popcorn, drink and sweets provided!

Summer afternoon outside with ice pops, football and other games.

Bouncy Castle Party!
