Our hope is to have seven or eight meets before regional meet in February. Athletes will receive updated schedules as meets are confirmed.

Practices will begin on October 9th.

- If a student needs a ride, they need to plan for that early. Any practices that are missed by athletes will matter in whether or not they swim or dive in meets.

We will practice Monday, Wednesday and Friday from 4-5:30 in the evening. And Thursdays from 5 to 6.

We will lift weights at Madison Southern on Tuesday and Thursday mornings at 6:30am.
