- Click on the prompt to begin your Parent's Financial Statement (PFS). You only need to complete on PFS even if you have several children applying to our school. Submit your PFS by January 26, 2024 for Returning Families and February 2, 2024 for New Families.
- You will be given a username and password that will allow you to return to your PFS at a later date before submitting it. Your information will be secure.
- Submit the requested tax forms (see timeline) by uploading to SSS. All documents will be under the "My Documents" tab of your PFS profile. It is best to upload all required documents and forms before the requested deadline.
- Fill out and submit your Supplemental form. Explanatory letters from the family are welcome (but not required) and may be added at the end of your PFS or on your Supplemental form.

It is the family's responsibility to ensure that their files are complete. You may verify that all documents have been received by SSS and Heschel by going to the parent portal at [solutionsbysss.com](https://www.solutionsbysss.com)
