

Dear Eagle Park Families,

Welcome to Eagle Park Community School! We are dedicated to providing a safe, positive and supportive environment in which students and staff members become the best version of themselves. We know that this is possible with the support and partnership of the administration, staff, parents, students and community. Strong relationships, instruction that incorporates best practices, a rigorous curriculum, a focus on social-emotional learning and utilizing trauma-informed practices are what make Eagle Park Community School such a special place.

We strive to create a learning environment where everyone works toward common goals. Student attendance is important. Communication is key! We encourage you to collaborate with the school staff, to ask questions, to attend case conferences and to provide input throughout the school year.

Thank you for being a member of our Eagle Park family and for your continued support. We look forward to working collaboratively with you this year!
