

Parents, please have your child check their CRSD student email and provide you with the login and password.

Please click on the following link to login: <http://crsd2.atsusers.com>

For security reasons, your password may need to be reset after your initial login.

The GENERAL tab is for information about the STUDENT ATHLETE.

The EMERGENCY tab is where the parent information should be.

****PLEASE NOTE**** We have tied the ATS system to the information that is in the HAC system. The information will be updated nightly. If you see information that is incorrect or out of date in ATS, DO NOT attempt to correct it in the ATS system, it will be overwritten during the update. To correct information please log in to the HAC system

(<https://hac.crsd.org/HomeAccess>) and make updates there or contact Central Registration (Registration@crsd.org) to make updates.

***Please have your student login and look around the system. Their username is their CRSD student ID number. Your password should be the one that you used for the 2022-2023 school year. The passwords will be included in the email that is sent to each CRSD student email address. CRS_1 is NO LONGER a default password. If this is the first time in ATS this school year, again, you may be prompted to change the password.

When scheduling your physical appointment, please take into consideration the possibility of long wait times to get an appointment. You can submit your online paperwork and physical any time after June 1st, regardless of what season you are participating in. Under the "eFiles" tab you will find PIAA Section 6. Please print it out and take it to your physician.

You can scan the physical and upload it directly into your student's record via ATS. There are several free apps for smartphones that have the ability to scan to a PDF file. This is the preferred file type for upload. If you have an iPhone there is a scan feature in the notes app, you can find a tutorial here: <https://support.apple.com/en-us/HT210336>

To fill out the physical packet, click on the "Forms" tab. There are 5-6 forms that need to be completed and submitted.

PIAA SECTION 2: CERTIFICATION OF PARENT/GUARDIAN

PIAA SECTION 3: UNDERSTANDING OF RISK OF CONCUSSION AND TRAUMATIC BRAIN INJURY

PIAA SECTION 4: UNDERSTANDING OF SUDDEN CARDIAC ARREST SYMPTOMS AND WARNING SIGNS

PIAA SECTION 5: HEALTH HISTORY

PIAA Section 6: CIPPE

PIAA SECTION 8: RE-CERTIFICATION FORM (Only if you participated in a Fall sport!)

AS PER PIAA AND CRSD RULES, ALL PHYSICALS MUST BE DATED ON, OR AFTER JUNE 1, 2023, TO BE VALID FOR PARTICIPATION. PHYSICALS DATED PRIOR TO JUNE 1, 2023, WILL NOT BE ACCEPTED.

***Please note: many physicians wish to review Section 5 "Health History", you should print a copy after you complete it to give to your physician at the physical.

Also once you upload Section 6, it will show up on the uploaded list, but will not show as checked off under paperwork until an athletic department representative visually verifies the form is valid.***

*****NOTE: If you have completed the paperwork for a FALL sport, you simply only need to complete the RECERTIFICATION - WINTER form, unless you were injured in the fall season. Then you must have your physician complete and sign Section 9. This form is also in the EFILES tab in your ATS portal.

A VERY IMPORTANT NOTE--- We DO NOT ACCEPT any other Physical Form other than the Section 6 – PIAA CIPPE Form that is located under the "efiles" tab. Pennsylvania Department of Health School Physical Forms are NOT ACCEPTED.

If your child is not due for a physical until after November 17, 2023 (the start of Winter Sports), due to insurance reasons, please be aware that your child WILL NOT BE ELIGIBLE TO PARTICIPATE until a physical form is completed and uploaded to ATS. The PIAA and CRSD cannot allow any student to participate in ANY ACTIVITY until a valid, current physical is completed and on file. All physicals completed for a 2022-2023 sport are no longer valid after June 1, 2023.

PLEASE ENSURE ALL PHYSICAL FORMS ARE SIGNED AND DATED BY THE MEDICAL PROVIDER! They will not be accepted if they are not completed with a SIGNATURE AND DATE.

Please do not include immunizations, allergy action plans, or other ancillary paperwork in the ATS portal. All of these papers MUST go to the nurse's office directly.
