### Keeping up with Kindergarten

Kindergarteners are learning about letters and sounds, practicing writing their names and so much more! K students are mastering center rotations and getting creative with legos!

### 2nd Grade Scholars

Our second graders are the student leaders and role models of our building! Our younger students look up to them and learn our schoolwide expectations as modeled by their peers and talked about by our staff. 2nd graders here are enjoying the picnic version of Pizza with the Principal where students who model the expectations all week long are selected to spend lunch with Ms. Ruhlin.

### First Grade Fun

Our first-grade students are tech-savvy and many used the Seesaw app to share their thoughts about the recent field trip! If you aren't connected yet, be sure to join us on Seesaw to communicate with your student's teacher and see what we're learning!
