Dear Mr. Bisi,

Yes- once your request is completed, a representative from the finance department will call you at [redacted] to process payment for the remaining balance.

As noted in Friday's email, your request will be fulfilled within the timeframe required by the FOIA statute.

Candace.

You had told me previously that it was inaccurate to say that no one from the school district has been responsive to my questions.

What you have done is what I call selective response.

You did confirm last Friday that my check had arrived and work had begun on my FOIA request.

Since you also told me that the work would take approximately 5 hours, I assume the project will be completed this week.

As the email I sent twice last Friday requested, I want to use my credit card for the balance due. I requested that you have your
Finance Dept call me at [redacted] and that you acknowledge that email to avoid any misunderstanding. I am once again
asking you to ackowledge this email and its contents.

Regards,

Richard

Dear Mr. Bisi,

The district received your deposit check yesterday afternoon and has begun work on your request. Once complete, we will notify you to obtain the remainder of your payment so your request can be fulfilled within the timeframe required by the FOIA statute.

Regards,
Candace

Candace,

Here we go again. I have not received any response to the email below. I called you this morning about 11;20 and was sent to your voicemail.

I assume you have received your mail today. As I noted, if my check has not arrived, have your finance department call me so that I can use my credit card and get this document retrival process going. There has been too much delay.

Please ackowledge .

Regards,

Richard Bisi

Candace,

Once again, I did NOT receive the last 2 emails you sent; the one you sent on Tuesday, Oct. 24 at 11:21am and the one you sent yesterday at 8:15 am.

I became aware of those emails in reviewing your FOIA response log on your website.

I do have one basic question. In one of those emails, you referred to 12 attachments. Did you forward the original emails as my internet provider suggested or did you simply re-send the PDFs?

So, let's agree to do this;

1. If you do NOT receive my check today, please have your finance dept call me so that I can use my credit card. When the check does arrive, you can shred my check.

2. When the project is done and you need the balance, I will again use my credit card.

3. Since there are issues in receiving your emails, please text me at [redacted] to notify me when the project is done.

Regards,

Richard
