What is Character Education?

The State of Georgia has a Character Education program. In compliance with the State mandate, the administration and faculty of Thomas County Middle School have instituted a Character Education program at Thomas County Middle School. To be effective, everyone in our school is involved with character education. It is integrated in our curriculum as well as in our school culture. When school and communities unites around developing character, we see amazing results.

Each month, teachers and students focus on one specific character trait/quality each month in everything they do. As a constant reminder of our efforts to build the whole child, the word is also posted in each class and all around campus. Towards the end of each month, teams select one student that has best exemplifies that character trait of the month. We celebrate this student's effort with a free lunch at one of our many local restaurants in Thomasville. We also invite the parents of the awardees to be a part of celebration by coming out to have lunch with their children. In addition, during our quarterly honor assemblies, we present each of these students with a certificate of recognition.

If you would like to assist us with this program, please contact the school or call our Parent Involvement Coordinator, Mrs. Karen Paulino at 229.225.4394, Ext. 111 or e-mail her at kpaulino@tcjackets.net.
