Love Always,
Mommy, Daddy & Mikey

I hope that the days come easy and the moments pass slow,
And each road leads you where you want to go,
And if you're faced with a choice, and you have to choose,
I hope you choose the one that means the most to you.
And if one door opens to another door closed,
I hope you keep on walkin' till you find the window,
If it's cold outside, show the world the warmth of your smile,

But more than anything,
My wish, for you, is that this life
becomes all that you want it to,
Your dreams stay big, and your worries stay small,
You never need to carry more than you can hold,
And while you're out there getting where you're getting to,
I hope you know somebody loves you,
and wants the same things too,

I hope you never look back, but ya never forget,
All the ones who love you, in the place you left,
I hope you always forgive, and you never regret,
And you help somebody every chance you get,
Oh, you find God's grace, in every mistake,
And you always give more than you take...RF

Michaela,
As your journey of life begins,
remember you are stronger
than you think, smarter than

less. Reach for that brilliant

Peter J. Reidy

Peter, Your mother and I would like to tell you that we are happy and proud of the young man you have become. You should be proud as well.

However, you should not be content.

You always should strive to improve every single day in all aspects of life. Think of how it relates to the game of football. A yard represents steps that lead to a goal in life (Touchdown!!).

There will be times when you may get knocked back a few yards, but you need to keep pushing forward yard by yard until you reach the end zone.

This will make you stronger and give you the most out of life. Keep gaining those yards Pete, and never stop trying to move forward.

Your mother and I have no doubt you will become whatever you want. We love you and are very proud of you. And we will always be your cheering section.

Love Always,

Daddy, Mommy, Sissy, Grandma,
Grandpa, Aunt Jodi and Amber
