SCHOOL DISTRICT

ADDISON | FERRISBURGH | PANTON | VERGENNES | WALTHAM

February 1, 2020

Dear Parents,

The ANWSD Board adopted a policy that would allow a fixed number of students to choose to attend an elementary school other than their own within the School District boundaries. The new policy is attached, and it is strongly recommended that parents read the policy before acting on a request.

The policy allows the Superintendent to ensure that receiving schools have balanced classrooms and that class sizes stay within reasonable limits. In the event that requests exceed reasonable limits, I will institute a lottery to determine which students can be selected to attend.

Parents can file an application for intra-school choice at any time, but no later than **April 1st**. Applications can be found on the ANWSD website. The Superintendent will work with the building principals to determine capacity as indicated in #3 of the implementation section of the policy and will render a decision in writing to the parents no later than April 15th.

Upon receiving an application for school choice, someone from the Central Office will date and time stamp the application and acknowledge through a letter that an application was received.

Please let me know if you have any questions about school choice or the process.

Sincerely,

Sheila Soule

Superintendent of Schools
