

**LOS LUNAS SCHOOLS  
MEDICATION AND/OR NURSING PROCEDURE AUTHORIZATION FORM**

**Medication will be administered in the school ONLY when it is necessary for a student to remain in school.**

Medication should be sent to school with or for a student **ONLY WHEN IT IS ABSOLUTELY NECESSARY.**

Medications ordered QD or BID are not administered in school unless medical justification is documented by a physician providing rationale for time of administration.

The purpose of this policy is to ensure that students do receive necessary medication according to their physician's orders and to ensure maximum safety for all concerned. Please understand that your signature on this form authorizes other school personnel to supervise your child with self-administration of medication when the school nurse is not available. Should you be asked to complete one of these forms, please read the form thoroughly and respond to ALL items. Contact the school nurse if you have any questions. THANK YOU.

One form must be filled out **ANNUALLY** for EACH PRESCRIPTION or NON-PRESCRIPTION medication or NURSING PROCEDURE.
