

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of our students reach grade level standards.

Our Compact will Benefit everyone!

Jointly Developed

The parents, students, and teachers of Hollis Hand Elementary developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact.

Parents are welcome to contribute comments at any time!

If you would like to volunteer, please contact our Family Liaison, Donna Haralson, by calling the school.

Activities to Build Partnerships

Anytime parents visit Hollis Hand Elementary, from luncheons to academic workshops, our partnership is strengthened! Please check the student handbook/calendar for all events. If you would like to volunteer or mentor at the school, please call us!

Communication and Student Learning

HHE is committed to frequent two-way communication with our families about student learning. Here are some ways we communicate:

- Tuesday folders
- Updates on our school website
- Home visits
- Parent Conferences
- Board in the front of the school
- Remind messages
- Phone Calls, emails

REVISION DATE : 9/5/2023

School-Parent Compact For Achievement

2023-2024

2nd Grade Focus for Student Success

Hollis Hand Elementary

Mrs. Kelly Doughman, Principal

706-883-1580

Our Goals for Student Achievement

District Goals:

1. Improved Lexile Levels, College & Career Readiness Index Scores (CCRPI), & Georgia Milestone Assessment (GMAS) scores
*reading on grade level and mathematical competency
2. Observation of more rigorous instruction, increased implementation of STEAM and project based learning activities
*problem solving & critical thinking

Hollis Hand 2nd Grade Goals:

1. In the 2023-2024 school year, 2nd grade students will increase the percentage of students scoring on grade level or above from 60% to 70% on the May 2024 i-Ready Reading Diagnostics.
2. In the 2023-2024 school year, 2nd grade students will increase the percentage of students scoring on grade level or above from 56% to 66% on the May 2024 Math i-Ready diagnostics.

Teachers, Parents, Students- Working Together for Success

In the (2nd) Grade Classroom

The 2nd Grade teachers will work with students and their families to support student success in reading and math. Some of our key connections with families will be:

2nd Grade teachers will send home weekly grade-level comprehension passages.

2nd grade teachers will send home standards based math practice in homework binders weekly.

2nd grade teachers will provide students with 45 minute sessions of weekly i-ready practice in both reading and math.

At Home

Parents joined staff to develop ideas about how families can support student success in Reading and Math:

I will support my child in completing their weekly reading homework.

I will support my child in completing their weekly standards based math practice.

I will check my child's gold folders to ensure that they are completing their weekly i-ready minutes.

(2nd) Grade Students

Students joined staff and parents to develop ideas about how they can succeed in school. Students shared the following ideas:

I will complete reading comprehension passages weekly.

I will complete my weekly standards based math practice.

I will complete 45 minutes of i-Ready math and reading weekly.

Teachers, Parents, and Students believe these additional key points will create success for our (2nd) Graders this year:
