Questions from Attendees

- Can LS have a Winter Holiday Concert
 - Unfortunately not enough time given Cardio Drumming and Grandparents Day Concerts
- MS and US receive a newsletter each week. How does this differ from Panther Post?
 - The newsletters have more information in them than what is in the Panther Post. Also, the newsletters tend to have information in them regarding events scheduled in the next 4 weeks.
- Does TIS have the equivalent of a Site Council? If so, are there meetings the public can attend?
 - No, as the Site Council is state mandated for public schools. The TIS equivalent would be the Board of Trustees. The meetings are monthly and are private.
- Can IPA have evening meetings?
 - We can. The IPA Exec team will discuss if/when an evening meeting will be.
- Are the IPA meeting minutes posted anywhere?
 - Working on it. Soon they will be found at <https://www.theindependentschool.com/families/parent-association>
