## **AGREEMENT**

On the ratification dates set forth below , the following agreement was reached by and between the BOARD OF SCHOOL TRUSTEES OF THE CROWN POINT COMMUNITY SCHOOL CORPORATION, hereinafter called the "Board," and the CROWN POINT EDUCATION ASSOCIATION, hereinafter called the "Association."

### **ARTICLE I Recognition**

**Section 1. Unit Definition** - The Board hereby recognizes the Crown Point Education Association (hereinafter Association) as the exclusive bargaining representative for all certificated employees. Such representation shall exclude superintendents, assistant superintendents, superintendent's designees, business managers, principals, assistant principals, coordinators, director of curriculum, assistant director of curriculum, director of special services, assistant director of special education, deans, director of technology, coordinator of media services, director of after school care programs, full-time athletic director(s), assistant athletic directors, nurses, treasurer, non-contract teaching employees, substitutes, and non-teaching employees. The term "teacher" when used hereinafter in this contract shall refer to all employees represented by the Association in the bargaining unit as defined.

In the event the Board creates a new position and the parties cannot agree as to whether the position should be included or excluded from the Bargaining Unit, then the parties will submit the issues to the Indiana Education Employment Relations Board as provided under I.C. 20-29-5-3.

### **ARTICLE II Leaves Of Absence**

**Section 1. Sick Leave** - Sick leave of absence with pay shall be provided to all teachers at the rate of ten (10) days for each year of service. For teachers hired prior to 2014-2015 the number of accumulated sick leave will be capped at the total number of days accumulated as of August 25, 2013 or 110 days whichever is higher. For teachers hired in 2014-2015 and thereafter the total number of accumulated sick leave will be capped at a maximum of 110 days. For purposes of those teachers who are covered by Article XV and XVI of the August 15, 1999 through August 14, 2002 Collective Bargaining Agreement (the "old retirement" plan) this maximum accumulated days does not apply.

- a. In addition to personal illness, sick leave shall include personal injury. If a teacher incurs an injury during the course of employment which incapacitates him/her for work for any period of time, it shall be understood that the amount of compensation paid by the insuring corporation shall be considered as part payment against any sick leave paid by the School Corporation to which the teacher is entitled.
- b. Such payment of sick leave shall be adjusted so that the total amount of compensation paid by the insuring corporation plus the amount paid by the School Corporation as sick leave does not exceed the total compensation which would be paid if the teacher were on the regular payroll. Such partial payments of sick leave as made shall also be prorated against the sick leave charges so that no teacher shall be charged for a day of sick leave and receive less than payment for one day of employment.

- c. In accordance with I.C. 20-28-9-10, for a teacher who has accumulated one (1) or more sick leave days in another school corporation, there shall be added to his/her second year and each succeeding year, up to three (3) sick days until the accumulated days to which the teacher was entitled to in his/her last employment are exhausted.
- d. Sick days taken prior to or after a holiday or break will require a note from a doctor. Teacher shall submit the note to their building administrator no later than one (1) calendar week after the leave day taken. The list of holidays and breaks include: Labor Day, Fall Break, Thanksgiving, Winter Break, Martin Luther King Day, Presidents Day, Spring Break, Good Friday-Easter, and Memorial Day.
- e. Commencing in the 2021-2022 school year, teachers who did not use all of their new allotment of sick leave days granted to them for that particular contract year (maximum of ten days) will have such unused days bought back at the end of the contract year at the rate of \$100 per unused day, and such payment will be deposited into the teacher's 403b account.

This only applies to teachers with more than 110 accumulated sick days after the new year's sick days are added to their sick day balance.

**Section 2. Personal Business Leave** - Teachers will be allowed three (3) days off with pay during each year of employment for the transaction of personal business and/or the conduct of personal or civic affairs. Teachers employed after the beginning of the school year and prior to the beginning of the second semester will also receive three (3) personal days; if the teacher begins teaching after the completion of the first semester he/she will receive one (1) personal business day for the spring semester.

Teachers will notify the Administration of their intention to use personal business leave one (1) calendar week in advance by entering their absence in AESOP one (1) calendar week prior to the leave day requested. In the event of an emergency, staff shall notify their building administrator and the personnel director as soon as possible for conditional approval consideration.

Unused personal business leave days may be accumulated as sick leave days up to a maximum of three (3) days per year.

**Section 3. Family Illness Leave** - In the event of injury or illness requiring attendance by a physician of a child, spouse, or parent, an employee shall be granted up to two (2) days off work with pay to meet the emergency. If these two (2) days are not sufficient, the teacher may use an unlimited amount of sick days with approval from the Superintendent or his/her designee.

**Section 4. Adoption/Child-Birth/Foster Leave** – In the event of adoption, foster, or birth of a child for a parent/spouse, the employee may utilize an unlimited number of leave days. The days may be used at the employee's discretion within one calendar year following the arrival of the adopted, fostered child at home or the birth. This is limited to 3 placements per school year in the case of foster children. Should both parents be employed by CPCSC, only one will be eligible for this benefit at a time.

**Section 5. Bereavement Leave** - In the case of death in the immediate family, a teacher shall be allowed a maximum of seven (7) consecutive calendar days, one day of which shall include the day of the funeral, with no loss of pay and no loss of sick leave. The immediate family shall be defined as spouse, child, step-child, parent,

mother-in-law, father-in-law, step-mother, step-father, brother, sister, brother-in-law, sister-in-law, daughter-in-law, son-in-law, grandparent, grandparent-in-law, grandchildren, or a dependent who resides in the household of the teacher.

In the case of death of other family members who are not within the definition of immediate family as above, one (1) day of leave shall be granted for the attendance at a funeral.

**Section 6. Court Duty Leave** - Any teacher who is called for jury duty or is a subpoenaed court witness shall receive a leave of absence to fulfill his/her civil obligation. The teacher shall be paid the difference between his/her full pay as a teacher and the compensation for jury duty or as a witness. Evidence of both services and remuneration is to be provided by the teacher. Court Duty leave does not apply to employees who have a need to appear in court for personal matters or because of litigation against the school corporation.

**Section 7. CPEA Leave Days** – The CPEA will have up to 10 leave days annually to be shared by officers for association business. Officers may request other members utilize CPEA Leave Days for approval by the Superintendent.

### **ARTICLE III Sick Leave Bank**

**Section 1. Purpose** - The purpose of the Sick Leave Bank (hereinafter referred to as the Bank) is to relieve teachers from undue financial burdens as a result of a prolonged absence from work due to illness, injury, or incapacitation sufficiently severe that would make their presence in school detrimental to the health or well being of themselves or their students. The use of days from the Bank will only be instituted once a member has exhausted all of their current and banked leave days.

**Section 2. Sick Leave Bank Membership** - All certified staff members under contract are eligible to participate in the Bank. Membership will be on a voluntary basis. Certified staff members who wish to be a member of the Bank must contribute one sick leave day per year to the bank in order to be eligible for membership.

- a. If the Bank exceeds one thousand (1,000) days, contribution shall be suspended and all members who participated shall be grandfathered into the following year. However, new members will still need to contribute one (1) sick day to the bank in order to be eligible for the bank.
- b. If the Bank falls below 100 days, members will be required to contribute one (1) additional day during the school year. Time frames for contribution will vary according to the time of year the Bank has been depleted.

Membership will be open during the first thirty (30) days of the new school year. Certified Staff members will be required to fill out the Bank participation form and return to their respective school's designee prior to the end of the thirty (30) day enrollment period.

- a. If a teacher is hired after the thirty (30) day enrollment period, they have the right to appeal to the Sick Leave Bank Committee for membership.
- b. In the initial year of inception, the membership window will be open for 30 days after the ratification of the certified contract.

**Section 3. Sick Leave Bank Committee** - The Sick Leave Bank Committee (hereinafter referred to as the SLBC) will consist of five (5) certified staff members, which will be appointed by the CPEA. The Superintendent or his/her designee will be an ex-officio member of the Committee and will have no voting rights in approval of days from the Bank.

A teacher must apply to the SLBC in order to qualify for the approval of sick leave bank days. Each application to the Bank must be acted upon by the entire Committee, and any decision to grant sick leave days must be decided by a majority vote of the Committee. It shall be the responsibility of the SLBC to notify the teacher within five (5) working days as to whether his/her request is granted or denied. The decision of the SLBC shall be final. Approval of sick leave bank days is not subject to the Grievance Procedure.

**Section 4. Use of Sick Leave Bank** - Certified staff members who receive approval from the SLBC to utilize days from the Bank may qualify to receive up to 30 days upon the initial request. If the staff member uses all 30 days, but are still unable to return to work, they may request additional Bank leave days. The additional days will go through the approval process from the SLBC as well as the Superintendent or his/her designee. The second application will follow the Bank leave day approval process.

Provided that a member has remaining Bank days, they may be able to retain the remaining Bank days for follow-up appointments or therapy. In order to retain unused Bank days, a member must provide medical documentation that includes anticipated amount of days needed for additional treatment.

Upon completion of a school year, remaining leave days will be returned to the Bank. If a member requires Bank leave days in the following year, he/she will be required to apply to the SLBC at least two weeks prior to the official start date of the following school year.

Return of unused days. Once a member has returned to his/her contractual schedule, any remaining unused Bank days will be returned to the Bank. The approved Bank days do not accumulate in a member's personal leave bank.

## **ARTICLE IV**

### **Insurance**

**Section 1. Medical Health Insurance** - The Board will provide a group preferred provider plan to regular full-time teachers covered by this Agreement. The Board shall pay \$630.89 per month of the cost of a single plan, \$1,144.75 per month for an employee and children, \$1,299.93 per month for an employee and spouse and \$1,455.11 for a family plan. The balance of the plan coverage shall be paid by the teacher. In the event two Teachers are married and both are covered by group health insurance specified in this Agreement, then the employee contribution will be one (1) dollar for the full family plan (if the couple is participating in the Full Family Plan) or Employee & Spouse plan (if the couple is participating in the Employee & Spouse plan) Beginning with the 2015 plan year the association agrees to a spousal carve-out provision if the Board so chooses. Beginning with the 2015 plan year the association agrees that a minimum benefit plan will be one option offered if necessary in accordance with the Affordable Care Act as the Board deems appropriate.

**Section 2. Long Term Disability** - The Board shall pay the premium to provide for long term disability.

**Section 6. Minimum Payment** - Teachers participating in the insurance benefits shall pay a minimum of \$1.00 toward the total cost of premium.

## **ARTICLE V**

### **Teacher Matching Annuity Agreement**

**Section 1: Matching Annuity Agreement** - If a teacher makes salary reduction contributions to the approved vendor under the 403(b) plan as offered via the payroll system of the Corporation, the Corporation will make a matching contribution to the teacher's account under the 403(b) plan as adopted by the Corporation, of 100% of the salary reduction contribution to the extent that the salary reduction contribution does not exceed 3.00% of the teacher's base salary for the school year.

The Corporation will continue to make matching contributions unless the teacher chooses to withdraw from the Teacher Matching Annuity Program in writing 10 days prior to the first pay of each contract year. The Corporation's matching contribution does not continue during the period that the teacher has withdrawn from the Program.

**Section 2. Teacher Matching Contribution Vesting** – All salary reduction contributions and matching contributions will be 100% immediately vested.

## **ARTICLE VI**

### **Professional Compensation**

#### **Section 1: Base Salary:**

The Superintendent will evaluate the experience, training, degrees and effectiveness of the teacher and the Superintendent shall have the sole discretion to determine where the teacher will be placed on the salary range at the time of the initial hiring of the teacher. The salary range for the 2023-2024 school year is \$57,000 to \$96,694 before TRF and base salary increases are applied. For the 2024-2025 school year, the salary range will be \$58,000 to \$98,794 before TRF and base salary increases are applied.

Teachers hired for and after the 2013-2014 school year, after a salary is determined by the Superintendent the corporation will make a \$3,000 contribution each of the first three years that the teacher is employed on a full-time regular teacher contract with the Crown Point Community School Corporation to a 403(b) plan. In order to receive the annual contribution the teacher must be evaluated as effective or highly effective. The selection of the investment(s) will be done by the employee. At the completion of the 4<sup>th</sup> full-time regular teaching contract, the teacher will be vested at 100% in the sums contributed to the 403(b) plan. Any amounts surrendered prior to the

vesting will be used to offset future payments by the school corporation. If a teacher separates from service after this period and is rehired at a later date, that teacher will not be awarded this benefit a second time.

## **Section 2: Base Salary Adjustment for Meeting Academic Needs**

The Superintendent may, in accordance with the Compensation Model set forth in Section 4 below (see the second definition of meeting academic needs), re-evaluate the experience, training, degrees, and effectiveness of a teacher after a base salary has been determined in order to retain a teacher if a risk of losing the teacher is presented. The resulting salary determination shall continue to remain in place for all future years.

## **Section 3: General Eligibility Criteria for Base Salary Increase**

In order to receive credits on the base salary or points towards stipends a teacher must be rated Highly Effective or Effective.

A teacher rated Improvement Necessary or Ineffective shall not receive any credits towards an increase on the base salary (except teachers in their first two school years of instructing students) or points towards annual stipends.

Extra-Curricular Assignments (ECA) are not included in the base salary or the compensation model. Any ECA amount included in a teacher's contract will be paid according to the ECA schedule. (See Appendix F)

## **Section 4: Compensation Model**

Factors and Definitions: Teacher base salary compensation will be based on three factors:

- (1) teacher evaluation, defined as the teacher being evaluated in the prior school year as effective or highly effective and
- (2) experience, defined as the teacher being employed with the School Corporation for at least 120 days in the prior school year.
- (3) meeting academic needs of students, which is defined as:

The importance of retaining teachers in the CPCSC who have presented to the Superintendent a potential risk of leaving employment with the CPCSC.

Teachers may earn credits and points for specific performance in the following categories.

Teacher Evaluation	Increase to base salary determined by the base salary allocation divided by credits earned.
Experience	Increase to base salary determined by the base salary allocation divided by the credits earned.
Meeting Academic Needs	A differentiated retention increase in an amount to be determined in the Superintendent's sole discretion for any teacher the Superintendent determines meets the definition of meeting academic needs set forth in paragraph 3(b) above. Any additional base salary increase granted under this provision will keep the teacher's final base salary within the bargained salary range.

Base salary determined by allocation described below in paragraph A.

Instructional Leadership                      Annual stipend determined by allocation divided by points earned.

**Redistribution Provision:** The money forfeited by teachers evaluated ineffective or improvement necessary will be redistributed in the form of a one-time stipend to those teachers rated effective or highly effective.

**A. Base Salary Allocation (credits added to the base salary)**

**Evaluation:** Nine (9) credits will be earned each year a teacher is rated Effective or Highly Effective based on the teacher evaluation instrument.

**Experience:** One (1) credit will be earned for a year of service. The credit attributable to experience does not exceed 50% of the teacher's total base salary increase.

For a raise to the base salary for the two factors set forth above (evaluation and experience), the monetary value of one (1) credit is determined by the total annual school year allocation divided by the total number of credits earned. The value of one (1) credit in 2023-2024 is \$209.52. We are unable to calculate the value of one (1) credit in 2024-2025 at this time as we do not know how many teachers the district will employ.

2023-2024 raise to base salary = (teacher base salary allocation of \$1,030,000 / total credits) X the number of individual teacher credits earned.

2024-2025 raise to base salary = (teacher base salary allocation of \$1,030,000 / total credits) X the number of individual teacher credits earned.

**Meeting Academic Needs:** A differentiated retention increase in an amount to be determined in the Superintendent's sole discretion for any teacher the Superintendent determines meets the definition of meeting academic needs set forth in paragraph 3(b) above. Any additional base salary increase granted under this provision will keep the teacher's final base salary within the bargained salary range.

**B. Instructional Leadership:**

A one-time monetary stipend for Instructional Leadership can be earned by meeting any of the criteria below. A number of possible points to earn are associated to each criterion and are distributed by the principal.

The monetary value of a point is determined by the total school-year allocation divided by the total number of points earned by the teacher.

2023-2024 one-time Instructional Leadership stipend = (\$150,000 Instructional Leadership allocation / total CPCSC points earned) X the number of individual teacher points earned.

2024-2025 one-time Instructional Leadership stipend = (\$150,000 Instructional Leadership allocation / total CPCSC points earned) X the number of individual teacher points earned.

Principals are allotted a number of points that are to be awarded with approval of the Superintendent to teachers serving in leadership roles related to a school's improvement plan.

<b>Instructional Leadership Criteria</b>	<b>Points</b>
1. Serve as a mentor for an initial practitioner	4
2. Serve as a mentor for a teacher who has attained an evaluation rating of improvement necessary	2

### **Grievance Procedure**

Should any dispute arise between the Board and the Association or the Board and any teacher adversely affected by an interpretation or application of a specific provision of this Agreement, the teacher shall discuss the alleged violation with his/her immediate supervisor, but in no case more than twenty-five (25) working days, excluding state and federal holidays, of the point that the teacher knew or should have known of its occurrence. A working day is any day when teachers are required to be in attendance during the regular school term and each day during the summer except Saturdays, Sundays, and legal holidays. If the teacher and his/her supervisor fail to resolve the grievance, it may be reduced to writing in accordance with the Grievance Form set forth in attached Appendix A and submitted as follows:

#### **Step I**

The grievant may, within twenty (20) working days of this meeting, submit to his/her immediate supervisor a completed "Grievance Report Form," Step I, the copies to be distributed as indicated on the form, which is set forth as Appendix A. Copies of this form showing the date of the occurrence, a statement of the nature of the grievance and the provisions of the existing agreement allegedly violated, and the relief sought shall be submitted by the

teacher to the Association building representative and by the supervisor to the Superintendent. Within five (5) working days of receipt of the Grievance Report Form, the immediate supervisor shall meet with the grievant and/or his/her Association representative in an effort to resolve the grievance. The immediate supervisor shall indicate his/her disposition of the grievance within ten (10) working days after such meeting by completing Step I of the Grievance Report Form and returning it to the teacher. The Association and the Superintendent shall both be notified in writing as to the disposition of the grievance.

## **Step II**

If the teacher is not satisfied with the disposition of the grievance, or if no disposition has been made within the above stated time limits, the grievant and/or the Association shall complete Grievance Report Form, Step II, and submit the grievance to the Superintendent. Within seven (7) working days, the Superintendent and/or his/her designated representative shall meet with the grievant and/or his/her Association representative. Within seven (7) working days of the meeting, the Superintendent shall indicate in writing his/her disposition by completing his portion of Step II and forwarding it to the grievant. The Association and the supervisor shall be notified of said disposition. If the grievant fails to forward the Grievance Report Form to the Superintendent within seven (7) working days after receiving the disposition from the supervisor, the grievance shall be considered settled on the basis of the decision last made and shall not be eligible for further appeal. The written disposition of the Superintendent shall be final for the purpose of this agreement. No employee shall be disciplined or have a reduction in rank or compensation or be deprived of professional advantage as a result of utilizing this procedure.
